GC-county battle sends values on roller coaster ride

By HARRY BARNES
Press-Record Staff Writer
Property assessments in Granite City Township already have undergone two major changes this year in efforts by local and county assessing officials to establish new 1977 valuation figures upon which to base tax bills for collection next summer, it was learned by the Press-Record today.

What is more, the assessments as they now stand possibly will undergo additional increases before the assessment books are completed by county assessing officials and the Madison County Board of Review in a move to meet state requirements for an overall county assessment ratio of 33.33 per cent for the 1977 year.

Changes in the Granite City Township assessments thus far have resulted in confusion among approximately 4,000 taxpayers who received assessment increases last year, a reduction earlier this year to their 1975 valuation level, and

then an increase back to the amount of their 1976 valuation. James Barton, Madison County supervisor of assessments, said the final increase which was ordered by him was necessary to retain the Granite City Township assessments at a level that would permit the county to establish a 33.33 per cent ratio for the 1977 year.

Such a ratio, which would fix the assessment of real estate property at one-third of its cash value, will be required countywide by the end of this year if the county is to avoid the application of a multiplying factor which would be set by the Illinois Department of Local Government Affairs.

But Von Dee Cruse, Granite City Township assessor, whose office establishes local property assessments before referring them to the supervisor of assessments, said he believes the control of township assessment figures can be maintained by application of township multipliers by county assessing officials, rather than

by changing individual assessments.

According to Barton, the changes in Granite City real estate assessments came about when Cruse, as local assessor, increased the valuation of more than 3,000 parcels of property last year (Cruse estimates the number at about 4,000). Fairly substantial increases were made in those parcels, Barton said.

For example, the supervisor of assessments said, some properties assessed at \$10,000 were increased to \$14,000. After these increases were certified the county and Granite City's assessments were established for the 1976 year, it became necessary for the county to add an 8 per cent multiplier to the total to reach the amount of assessments necessary to avoid a state multiplier.

Consequently, the 8 per cent multiplier also was applied to those taxpayers' property that had been increased by Cruse. Earlier this year, when Cruse received his new assessor's

books, the same properties that had been increased last year were reduced by Cruse to identical the same assessment that had been on the books before Cruse increased the valuations a year ago, Barton said.

"This cut the Granite City assessment ratio to such an extent that it was necessary for me to reinstate the reductions that had been made by Cruse,"

Cruse said that when he reduced the approximate 4,000 property valuations earlier in the year, he notified the taxpayers of his action by letter. Barton said he also sent letters to the same taxpayers explaining that it was necessary for him to raise the valuations back to last year's figure.

Thus the confusion among these taxpayers whose assessments have been changed three times within the past year.

Cruse told the Press-Record that he changed the assessments this year, cutting them back to the 1975 level, because the 8 per cent

multiplier ordered by the county last year was "tacked on top of the raise I already had given these people."

According to Cruse, the 4,000 assessments which his office increased for the 1976 year also received a multiplier of 8 per cent. "Which means that these taxpayers had a substantial assessment increase plus 8 per cent, while the other taxpayers who had not been increased received only the 8 per cent additional valuation," he noted.

"Since those taxpayers had valuations increased also by the township multiplier of 8 per cent, I decided it was only fair to them to take off the increase I had made last year," Cruse said.

Cruse said that his office in 1976 attempted to make a townshipwide reassessment.

"But because of the size of our staff, we completed only about 4,000 of the 13,000 to 14,000 parcels in the township before it became necessary to turn the books over to the county," Cruse explained.

"I considered it unfair that these who received increased assessments also should receive another raise through the 08 multiplier, so when I removed the last year's assessment increase from these parcels this year, I left on the 8 per cent from last year's multiplier, making all Granite City assessments uniform," Cruse said.

Barton said, however, that it was apparent that the increases made by Cruse last year were insufficient to bring the Granite City valuations to what they should have been to meet state requirements. Otherwise, he noted, application of a township multiplier would not have been necessary.

An increase in the assessment ratio in Granite City is necessary along with increases in many of the other townships in Madison County to meet the state's requirement of an overall 33.33 per cent assessment ratio for Madison County by the end of this year, he said.

If the county assessing

system fails to establish assessments meeting what the state considers a one-third ratio — based on records of sale of real estate — the state will certify a multiplier to the county. This would require the county clerk's office to multiply all assessments in all townships by the multiplying factor, including personal property, Barton explained.

Cruse said he believes that a "uniform" assessment is more important than a high assessment or a low assessment.

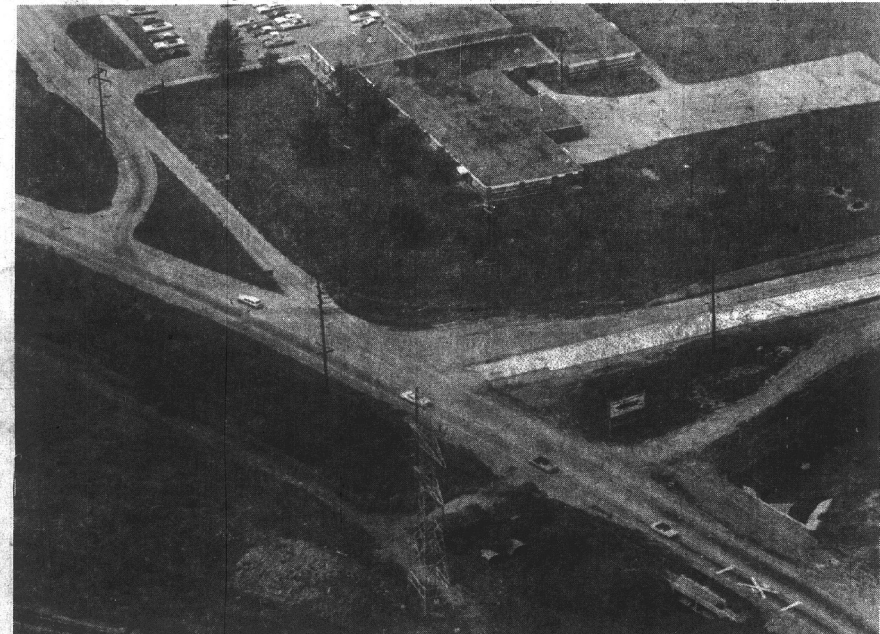

"I am certain that if we have a uniform assessment throughout a township, it can be controlled by a township multiplier which can be applied by the supervisor of assessments, it was last year," he said.

Cruse said that today's real estate market, upon which assessment ratios are based, is highly unstable at the present time.

Property valuations are increasing so rapidly, he noted, that "it is impossible to keep up with them. There isn't anyone I know that could make a complete reassessment of property in one year."

Cruse also noted that from 75 to 80 per cent of Granite City taxpayers received changes this year in personal property valuations. Since there is no requirement that the taxpayers be notified personally, by letter, of such changes, notice of personal property revisions are contained only in legal publications of assessment lists, he noted.

"If anyone has any question as to their personal property valuations, they can obtain the information from our office," Cruse said. The Granite City Township assessor's office is located at 1316 Niedringhaus Ave.

NEARING COMPLETION is the widening and extension of Maryville Road (right central area) to connect with Illinois Route 162 (lower right to upper left). The Edwardsville Road-East 23rd Street "Y" intersection and Lake Elementary School are included in this aerial photograph by Pat Foley of the Press-Record staff. Just past the lower right corner is the

railroad crossing, not visible here. The eastern half of the four-lane Maryville Road project has been paved in this view, and construction crews this week are progressing toward Route 162 in pouring concrete for the two western lanes of Maryville.

All 33 polls back Portell

Granite Cityans indicated by an overwhelming majority in Tuesday's special referendum that they prefer their city's superintendent be elected, rather than appointed by the mayor and City Council.

In response to the referendum question "Should the superintendent of streets of Granite City be an elective office," they voted 4,514 to 449 — a ten to one majority — in favor of the question, according to returns to the office of City Clerk Robert Stevens.

The heavy "yes" vote during Tuesday's balloting climaxed an intense campaign to retain the street superintendent's office as an elective one. At the same time, there appeared to be no organized opposition to efforts to retain elective status for the superintendent's office.

Tuesday's vote will nullify a city ordinance enacted by a

(Continued on Page 15)

Official results of election

The total official vote in Tuesday's Granite City special election, recorded at the city clerk's office, with the "yes" vote listed first, was as follows:

WARD ONE — Precinct One, 67-14; Precinct Two, 103-11; Precinct Three, 152-16; Precinct Four, 70-19. Totals 398-50.

WARD TWO — Precinct Five, 212-12; Precinct Six, 175-16; Precinct Seven, 282-20; Precinct Eight, 86-6. Totals 755-54.

WARD THREE — Precinct Nine, 106-20; Precinct Ten, 115-11; Precinct Eleven, 167-23; Precinct Twelve, 111-15. Totals 468-68.

WARD FOUR — Precinct 13, 180-15; Precinct 14, 203-18; Precinct 15, 282-16; Precinct 16, 62-11; Precinct 17, 31-3. Totals 16, 141-10. Totals 899-73.

WARD FIVE — Precinct 19, 66-5; Precinct 20, 33-4; Precinct 21, 30-3; Precinct 22, 145-26; Precinct 23, 128-11; Precinct 24, 105-4; Precinct 25, 155-8. Totals 674-53.

WARD SIX — Precinct 24, 145-16; Precinct 25, 141-12; Precinct 26, 223-59. Totals 599-79.

WARD SEVEN — Precinct 27, 117-17; Precinct 28, 233-17; Precinct 29, 167-16; Precinct 30, 154-11; Precinct 31, 140-11. Totals 811-72.

'Life' march

Area supporters of Granite City Right to Life will assemble at 10 a.m. Saturday in the parking area at Granite City High School South for a march to Memorial Park, across from St. Elizabeth Hospital, for a rally beginning at 11:30 a.m. Mrs. Betty Stegemeier, Right to Life president, said the marchers will proceed south along Madison Avenue to the rally site, where John Wilder, a Southern Baptist and Christian Life representative of Tower Grove Baptist Church, St. Louis, will address the crowd. "Everyone is welcome to participate in the march and rally," Mrs. Stegemeier stressed.

Wilder serves as coordinator of Christians for Life, a group (Continued on Page 15)

May revamp sick leave

A special meeting to consider revision of regulations governing the payment of sick leave among city employees was scheduled by the Granite City Council Wednesday night.

The special session will be held at 8 p.m. Tuesday, Oct. 11. The council customarily has no regularly scheduled meeting on the second Tuesday of the month.

Mayor Paul Schuler issued the special meeting call after Alderman Warren Decatur of the Fourth Ward suggested that "it is time this council starts talking about sick leave regulations."

Decatur commented that

vital tool

In the 17th Century a lens grinder, Anton van Leeuwenhoek invented the microscope, and a whole world of previously undetectable creatures was revealed.

The microscope has proven to be the most vital tool in the research laboratory. It has provided for two hundred years of remarkable scientific advances.

Dock worker dies after barge mishap

Daniel G. Oliver, 40, of State Park Place, who was injured critically at 5:50 p.m. Friday at the Granite City Steel dock at the Tri-City Regional Port, died at 7:15 p.m. Monday at Firmin Desloge Hospital, St. Louis.

Mr. Oliver and a co-worker, Bruce E. Van, 25, of 2520 Parkview, Apt. 7, were removing the top cover of an empty barge at the time of the accident. Mr. Oliver suffered a head injury and was in a coma when he was taken by ambulance to St. Elizabeth Hospital. He later was transferred to the St. Louis hospital.

Van, who sustained a cut above the right eyebrow and a head injury, is reported in satisfactory condition in the mini-ICU ward at Firmin Desloge Hospital.

Mr. Oliver was born in Potosi, Mo. He had been employed as a laborer for five years at Granite City Steel, and is a member of the Steelworkers Union.

Survivors include his wife, Mrs. Mary Oliver; five sons, Russell, Daniel, Wayne, Donald and Ervin Oliver, and two daughters, Mrs. Michael (Brenda) Little and Wanda Oliver, all at home one sister,

SUIT SEEKS TO PROTECT INSURANCE CLAIMANTS

Illinois Insurance Director Richard L. Mathias has announced he has filed suit against the Insurance Superintendent of the State of New York to protect more than 2,500 Illinois policyholders and claimants. Illinois has also filed suit against Empire Mutual Insurance of New York for failure to honor more than \$1 million in outstanding claims in Illinois.

"Every policy in every state but New York has been canceled by Empire and the company is only paying claims presented by New York claimants," Mathias said. "This is a drastic deviation from the insurance laws of both states."

WATCHING A CITY. A burglar alarm terminal similar to one just purchased by Granite City monitors 1,000 burglar alarms each one-tenth of a second and indicates any problems with a digital readout at the upper left and a printout on paper at the right. It also identifies electrical failure, downed telephone lines, lightning and other problems which set off false alarms. The system is expected to be delivered to the Granite City Police Department in about two weeks and will be in use in the near future.

New burglar alarm unit to modernize GC system

By GARY SCHNEIDER
Press-Record Staff Writer

A plan to modernize Granite City's burglar alarm monitoring and to offer a better system of burglar alarm coordination may become a reality in the next few weeks after years of work and planning.

The Varitech, Security Systems alarm terminal, which will monitor all burglar alarms into the police station, is expected to be delivered within two weeks.

Underground telephone lines which will connect 600 alarms to be installed at city hall.

Setup should be relatively quick after the unit arrives, Charles May, president of Control Security Systems, Inc., told the Press-Record, and existing burglar alarms can be converted to fit into the system at that point.

May's firm is purchasing the Varitech unit for the police under an agreement where Control Security Systems, Inc., will connect all alarm lines to the unit and will receive a \$5 per month service charge.

"We have a great deal of money invested in the terminal at the police station and we hope to earn some of it back with the \$5 per month fee," May said. After 200 alarms have been connected to assure the company of success, \$2 of the \$5 per month will be rebated to the city.

The new system has the dual capacity of being able to receive calls from normal burglar alarms which use a separate telephone line and from digital "dialer" alarm units which call the police department on a regular telephone line and alert the central unit of a burglary in progress at the correct address.

When either type of alarm is sent to the police department, the central unit in the police station will display a three-digit number which can be used to quickly look up the address where the alarm was sounded.

A printed read-out also gives police a permanent record of the time and date the alarm was received, the type of alarm (whether a burglary, line problems, weather, etc.) and what time the alarm was cleared.

If more than one alarm is received simultaneously, each will be printed on the permanent record which officers can use in dispatching police cars to check each alarm.

Nearly any kind of home or business burglar alarm which uses a separate telephone line can be easily adapted to work with the new console and some types of digital communications (dialers) will be compatible.

Although Control Security Systems offers alarm units and installation, other units can be

purchased and installed privately which still can terminate into the city's monitoring network.

Control Security Systems has the franchise on hooking any unit into the city system and charges a \$60 fee for modifying units using a direct telephone line and hooking them into the system. For modifying the dialing units, the company charges \$30.

However, these fees will be waived for customers signing up in the first 90 days after the system is completed, May said.

The \$5 per month service charge will apply to all alarm systems which terminate at the Granite City police station.

"Our intention was to provide a low-cost burglar alarm service to anyone in Granite City. We intended to use only direct line units requiring a separate telephone line, but the telephone company then raised its cost for the phone lines and we found it necessary to modify the central unit to also accept the digital communicators (dialers)," May said.

Illinois Bell raised its fee for installing a separate phone line from \$60 to \$75 and is charging \$10.20 per month for use of the separate line.

May said while the direct-line units are faster and more dependable, customers may select the less-expensive dialers and still receive good burglar alarm service. Since dialers do not require separate telephone lines, there is no extra telephone bill and persons signing up in the first 90 days will pay only for the dialing unit, plus \$5 per month service charge to Control Security Systems.

If the dialers, which will share unit telephone lines to the police terminal, should receive a busy signal, they continue dialing the number until they get a tone from the police station telling the unit the alarm has been received and recorded, May explained.

Homes now having dialing alarm units which use a tape recording to tell police of an alarm will not be compatible with the system and must either be replaced or use an answering service which will accept calls from dialers and then will relay information to the police.

"We will no longer receive calls to the regular police number from dialers and now have an ordinance to enforce that," Chief of Police Ron J. Veizer stated, citing a high number of false alarms being received from the types of dialing units now in operation in the city.

May noted there will be a push to get as many persons in the system as possible in the first 90 days while there is no hook-up or modification fee and those persons purchasing

dialing equipment and having it installed during that period will pay only for the equipment, plus the \$5 per month service fee.

Those purchasing direct line equipment who join in the first 90 days will pay for their alarm equipment, \$5 per month service charge and \$10.20 per month for use of a separate telephone line.

Objections have been filed with the Illinois Commerce Commission to the telephone company's higher rate for a separate telephone line which may result in that monthly charge being reduced in the future.

Those signing up for connection of their burglar alarms to the city's system also will be required to purchase an alarm user's permit from the city which costs only \$1, but which subjects the user to abide by the city's alarm ordinance prohibiting excessive false alarms, requiring proper maintenance of the equipment.

Youth leader will give talk

The Full Gospel Business Men's Fellowship International will be addressed by the Rev. Phil Waisanen, a Collinsville pastor and graduate of the North Central Bible College in Minneapolis, at a 6:30 p.m. dinner Saturday at the Sunset Hill Holiday Inn.

He has served as assistant pastor in Madison, Wis., and as youth pastor in Chicago. He has been on the state executive youth committee for the Assemblies of God in Illinois, and is currently vice-president of the College Ministerial Association, helping to initiate a "campus listening service program" at Collinsville High School Greenwood Campus. This program provides young people an opportunity to discuss topics with interested ministers.

Pastor of the First Assembly of God in Collinsville, he emphasizes, "Let's not preach the don'ts, but rather preach the do's of Christ."

MAYOR PAUL SCHULER signing a proclamation marking the month of October to be city wide enrollment of local unit Parent-Teacher Association. On left is Mrs. Barbara Haddock, Area Council PTA president and Allen Orabhood, council membership chairman. This year's theme of the Area Council is "Better Children Through Informed Parents."

Pay, allowances up

A bill signed by President Jimmy Carter has given men and women in the Army a pay raise, effective Oct. 1. The raise amounted to a 6.2 per cent increase in base pay and a major increase in basic allowance for quarters. Together, these increases raise the average soldier's remuneration in these categories by 7.05 per cent.

The raise means larger paychecks for new enlistees. Monthly pay for a new soldier is up to a minimum of \$397.50, an

increase of \$23.10 from last year.

For a new enlistee with 60 hours of college credit, or one who has referred three friends to join the Army before beginning duty, pay is up to \$443.10, from \$417.30.

These basic pay rates do not include other financial benefits, which include free housing, food, medical care, and access to recreational facilities.

The increase in basic allowance for quarters benefits soldiers who live outside of military installations. It increases the pay provided to these soldiers to pay for civilian housing to amounts ranging from \$81.90 to \$424.20 per month, depending on rank and marital status.

Twin brothers are charged

A fight between twin brothers resulted in the arrest of both when police were unable to stop the altercation without using force and the pair allegedly turned on the officers.

Boyd M. Clark and his brother, Lloyd E. Clark, both 17, of 2914 Buxton Ave., were charged with disorderly conduct and resisting arrest at 11 p.m. Friday, after officers were required to carry Boyd and handcuff Lloyd in order to get them into squad cars at their home.

While leaving the house, Lloyd reportedly kicked the front door off its hinges and both allegedly made threats against the officers.

Both brothers were released at 12:15 p.m. Saturday, after each paid \$200 cash bond.

Manufacturers praise Steele on legislation

On legislation of key concern to manufacturers, State Rep. Everett G. Steele received an 86 "manufacturing jobs quotient" and Rep. Joe E. Lucio and Rep. Jim McPike were given scores of 32 each in a rating announced this week by the Illinois Manufacturers' Association.

All three opposed a "lifetime" bill to increase commercial and industrial costs for electricity and a "ban the bottle" bill imposing a deposit on all bottles; these two opposition stands pleased the IMA.

The three backed a bill seen as ending mandatory retirement; the state group opposed it.

Steele and the IMA favored workmen's compensation and unemployment insurance rule-tightening procedures and both opposed a public employee

relations board. Lucio and McPike fought the first two proposals and supported the third.

The IMA disagreed with Sen. Sam Vadala on six measures. He favored an IMA — opposed workmen's compensation bill, the ending of mandatory retirement, public employee collective bargaining and major fines against firms employing illegal aliens. He opposed unemployment insurance tightening and an IMA-backed workmen's compensation bill.

Orville Bergren, IMA president, said, "We believe the 'manufacturing jobs quotient' gives a good indication of whether a legislator supports jobs and economic growth for Illinois."

Bergren added, "On balance, the session of the General Assembly which ended in July was a mixed bag. We were grateful there were no tax increases, and that certain legislation like collective bargaining for public employes,

a "lifetime" system for electric rates, and others did not pass. "But we were disappointed in the General Assembly's refusal to act on needed unemployment compensation eligibility legislation and its totally inadequate response to the need for amendments to the workmen's compensation law."

Results of the IMA rating system, according to Bergren: "A bare majority of the House of Representatives — 89 individuals of 177 — voted with industry's positions more than half the time."

"Only 74 members of the House — 42 per cent of the total — voted with industry at least two-thirds of the time."

"Twenty-eight senators out of 59 voted with industry at least 50 per cent of the time, less than a majority of the Senate. Only 24 senators voted with industry 66 per cent of the time."

Motorcyclist hurt

Timothy Stafford, 19, of 2720 Angela Drive, suffered two broken fingers, cuts to his legs and numerous abrasions and scratches when his motorcycle and the auto of David Rill, 3213 Erin Drive, collided on Nameoki Road at Clark Avenue at 10:40 p.m. Monday.

Stafford was taken by Granite City ambulance directly to St. John's Mercy Hospital, Creve Coeur, Mo., where he was treated and released.

Open house at fire stations

All three Granite City fire stations will be open from 6 p.m. to 8 p.m. Monday through Friday, Oct. 10 to 14, as the city observes National Fire Prevention Week.

Residents of all ages will be welcome to tour the main station at 23rd Street and Madison Avenue, the station at Richmond Avenue and Johnson Road and the West Granite station on Rock Road at Roosevelt Ave.

Special posters and projects also are being planned for next week to remind residents to have their home heating systems checked, to inspect electrical wiring, to hold home exit drills, to smoke carefully and to encourage residents to purchase smoke detectors for their homes.

On-job fire safety measures also are to be stressed.

Police said they found a car matching the description on the parking lot of Plaza Shopping Center nearby and alleged there was yellow paint from the utility pole on the right front fender of the auto.

The driver denied being in an accident. Two passengers in the auto, however, told police the car had struck the pole, officers said.

When officers attempted to arrest the driver, he allegedly became loud and used profanity, drawing a crowd from Kirkpatrick Homes and from a tavern in the shopping center.

Force had to be used to get him in the squad car, police reported. They also alleged he

Driver hurt; faces 4 charges

Robert H. Fisk Jr., 26, of 4005 Laura Drive, Pontoon Beach, went to St. Elizabeth Hospital Monday with multiple injuries sustained in an accident Sunday night and he was transferred to Fournier Desloge Hospital, St. Louis.

It is alleged that Fisk's auto struck a utility pole at 25th Street and Nameoki Road, knocking the pole down, and the car then left the scene.

Police said they found a car matching the description on the parking lot of Plaza Shopping Center nearby and alleged there was yellow paint from the utility pole on the right front fender of the auto.

The driver denied being in an accident. Two passengers in the auto, however, told police the car had struck the pole, officers said.

When officers attempted to arrest the driver, he allegedly became loud and used profanity, drawing a crowd from Kirkpatrick Homes and from a tavern in the shopping center.

Force had to be used to get him in the squad car, police reported. They also alleged he

refused to cooperate at the police station and force had to be used in removing his possessions while looking him.

Fisk was charged with driving while intoxicated, leaving the scene of an accident, resisting arrest and disorderly conduct.

After his release from jail, Fisk went to St. Elizabeth Hospital where he reported he bumped the left side of his head and his left arm was twisted. X-rays were taken and he was transferred to the St. Louis hospital for possible internal head injuries.

BEGINNER YOGA COURSE

Relaxing new positions can be learned in a yoga class this fall at SIUE, officials say. A beginner course in yoga will touch upon dieting, fasting and meditation, with the bulk of each class period spent on the exercises. The workshop, taught by Judy Scheibel, will begin Monday, Oct. 24, from 5:30 until 6:45 p.m. in Room 0207 of Classroom Building II; fee for the course is \$10.

Freedman is named manager

Barry K. Freedman of Granite City, a former member of the Chicago staffs of the governor of Illinois and of the Illinois Industrial Commission, has been appointed manager of governmental affairs for the St. Louis Regional Commerce and Growth Association.

Freedman graduated from Vanderbilt University in 1968 and has done graduate work at Southern Illinois University at Edwardsville in history, education and school law.

From 1968 to 1972, he taught at Grigsby Junior High School in Granite City.

At the RCGA, he will work with the association's Legislative Advisory Committee and its Taxes and Spending Committee and will have special responsibilities in the area of legislation affecting the region's economic health.

COMMAND TOWER at the Granite City Police Department pistol range has been set in place. Pneumatic air controls will be in the tower to control moving targets at the 30 firing points of the range. In the left background is one of three walkways that will be used by the shooters to check their targets. The pistol range is located in the Granite City Army Installation near the city's sewage treatment plant. (Press-Record Photo)

Expect 400 teachers to take part in BIE Day

Nearly 400 teachers of the Granite City, Madison and Venice school districts, in addition to most parochial school teachers will participate in BIE (Business, Industry, Education) day on Tuesday. The annual event is sponsored by the Tri-Cities Area Chamber of Commerce under the leadership of Dr. George T. Wilkins Sr., chairman of the Education Committee of the Chamber.

Purpose of the event is to better inform teachers of the opportunities in this area and to help update the teachers on the American economic system and everyone's part in it.

Cooperating with special tours are: A. O. Smith Corp., Consolidated Aluminum Corp., Illinois Bell Telephone, Illinois Power Co., Nestle Co., St. Elizabeth Hospital, Tri-City Port District, Caine Steel, Waggoner Equipment Co., Lakeside Roofing Co., Ed Moore Construction Co. and American Sheet and Strip, First Granite City National Bank, Granite City Trust and Savings Bank, K-Mart and Central Hardware.

The teachers will spend half of the day visiting a business or plant and the other half of the day in a seminar held in the

Granite City High School South auditorium, titled "Free Enterprise and You."

Leo Konzen, a local attorney, will act as moderator at the seminars. A panel of experts will speak and answer questions by the teachers.

Members of the panel are: Miss Lillian Green of National Steel Corp., Carl Mathias of Illinois Power Co., Stanley Cohen of Central Hardware Co. and Harold Briggs, regional school superintendent.

Assisting in the co-ordination of the program is Frank Kraus, assistant superintendent of Granite City School District 9.

Mitchell residents 'lock horns' at lounge zoning hearing today

More than 100 persons attended a public hearing at the Fun 'n Sun Beach Resort in Mitchell at 9:10 a.m. today during which members of the Madison County Zoning Board of Appeals heard numerous arguments for and against a plan to use the existing building there for a lounge and beer garden.

The board was to meet later today to vote on whether the request of David Wolf and Larry Yust for a special use permit to operate a lounge there should be granted. The Madison County Board then will vote on the zoning board's recommendation as to whether the permit should be approved or rejected.

A petition said to bear 448 names of Chouteau Township residents in opposition to the

lounge was presented to Roy Fruil, chairman of the zoning board, along with letters from Democratic State Representatives Joe Lucco and Jim McPike.

Wolf also presented a petition signed by many residents of the Sunny Shores Mobile Home Park and other township residents in favor of the lounge.

Objections were voiced about additional traffic in the area, including drivers who had been drinking.

Others objected to the type of crowd the lounge might draw, to loud music from live bands, to an additional liquor establishment in the area, and to possible litter it might create.

Yust, who has operated the beach resort five years, answered the objections, saying he has a large investment in the

40-acre resort and noted, "Revenues from the beach do not support that investment. The beach is only open about three months each year. I am going to attempt to make my property and building more productive."

He said other business firms have proposed using the property and building in the off-season, including a trucking firm. "I think this would be a detriment to the community, and I am in the trucking business," Yust said.

"My teenagers work here during the summer and I do not want anything here which will be harmful to them. This will be a nice lounge with no problems — a very good operation. The area needs recreational facilities and that is why the beach is here. A lounge would

add to the recreational facilities," Yust added.

Noting objections that rock bands which played in the building on Sundays last summer were very loud, Yust said there were large speakers on top of the building so beach patrons could hear the bands.

He said several hundred dollars has since been spent putting speakers on the beach and taking them off the roof of the building so persons on the beach can hear the bands without noise from the speakers carrying to nearby homes.

"If we had music in this building loud enough to hear at surrounding homes, we would blast our customers out," Yust said.

He said litter and vandalism are problems in every community and he does not feel the proposed lounge would add to the problem.

Chouteau Township Supervisor Walter "Dick" Sparks said the town board has gone on record against the lounge

because of opposition among the township residents and because, "I do not think a liquor license here will add to the quality of the environment of the beach or the community."

A copy of the Chouteau Town Board of Trustees' resolution opposing granting of the special use permit was presented to Fruil by Mrs. Betty Lavelle, a Democratic precinct committeewoman in the township. She also read a statement in which she contends most of the township residents she contacted said they were opposed to the lounge plan.

Several of those in the audience expressed support for the lounge plan, noting food will be served there, and saying Mitchell could use a good restaurant and lounge.

Wolf noted minors and troublemakers would be barred from the new lounge and a strict dress code would be enforced to avoid trouble. It also was noted persons have brought beer onto the beach for years and there

GRANITE CITY PRESS-RECORD
Thurs., Oct. 6, 1977 Page 6

have been no problems. Music would concentrate on duos and pianists with a few rock bands, but 'acid' rock and country and western music would be prohibited, Wolf said.

Fruil adjourned the hearing after 45 minutes, explaining the zoning board will vote later today on the request and saying the board has several options.

"We can put stipulations on a special use permit, so if we want to, to control the operation."

He also said a special use permit is issued only to the applicants and can not later be applied to another owner.

Zoning board members present, besides Fruil, were Walter Greathouse, James Robertson, Leo Sedleck, John Mull, C.C. Losch and Harold Peters.

Optimism at steel division

Optimism is the outlook at Granite City Steel, which forecasts an upturn in orders and production in early 1978, President James V. Stack said last night.

The local division of National Steel Corporation has a current employment base of 4,700, some of whom are on layoffs at various times due to equipment breakdowns, insufficient orders and other reasons.

An existing layoff level of 90 rose to 240 during the current week and there may be a further downturn during part of the calendar year's fourth quarter.

The 240 have seniority recall rights and include both salaried and hourly employees.

Stack said National Steel studies show clearly that the company can compete successfully with Japanese and European steelmakers.

Key problems cited have been direct and indirect government price controls over a period of many years, and below-cost "dumping" of steel from the Far East.

Suits are being filed in the latter instances, and increased data on steel pricing is being given to citizens and officials as a way of ending price misconceptions, Stack said.

Granite City Steel currently is outperforming all comparable steel plants, outside observers say.

A report by the Council on Economic Priorities, a "public interest" research group, listing Granite City Steel as one among 22 steel plants in air and water pollution control efforts is based on out-of-date and inaccurate information and

assumptions, local officials said yesterday.

Granite City Steel has received lavish praise from the past two state administrations for its progress in further limiting air and water impurities, it was noted.

James Maloney of the Illinois Environmental Protection Agency said Wednesday that compliance schedules are being fully met on both water and air purity.

Madison plans special sale

With Halloween approaching, the Madison Business Association (MBA) will hold a "Moonlight Madness" sale.

The special sale will be held from 6 p.m. until 9 p.m. on Thursday, Oct. 20, according to Wayne Scannell, president of the event.

Roy Jackson, of Jackson Photo, was named chairman. According to Scannell, plans also are being made for special Christmas season sales beginning the day after Thanksgiving, and Santa Claus will take up residence in an "alpine" Santa cabin.

Driver injured at Nameoki-Jill

A collision on Nameoki Road at Jill Avenue at 2:20 p.m. Wednesday involved the northbound autos of Mrs. Ernie E. Hale, 226 Iowa St., and Arly Potts, 1908 State St.

Mrs. Hale, 38, was treated at St. Elizabeth Hospital for pain in the head and neck. She had x-rays taken before being released.

Council

(Continued from Page 1)

"One thing we might talk about is a rule that no sick leave be paid for the first three days of reported illness unless the employee is hospitalized from the first day."

Alderman Sam Whitmer of the Second Ward said the problem needs investigation. "I've heard of instances where employees report in sick so they can take their kids to the doctor," he said.

Deputy suggested that business agents of the unions representing the city's four major departments in which most of the sick leave is paid — the fire, police, street and sewage treatment departments, be invited to attend the special meeting.

Paul R. Bowler, alderman of the Seventh Ward and chairman of the council's Finance Committee, said he believed the council "should hash this thing over first, and then talk to the business agents."

Mayor Schuler said the union representatives should be invited to attend.

The rising cost of sick leave has been a major issue among council members throughout most of this year. Figures show that sick leave payments during the first eight months of this year have outstripped those paid for all 12 months of last year.

Sick leave payments are established by city ordinance. Some aldermen have suggested that a method of better control could be established if the city provides no payment for the first three days of a reported illness, unless the employee is hospitalized from the first day of illness.

Also suggested has been a plan to have someone from the respective department call personally at the home of an employee reporting sick.

Chief of Police Ron Veizer said that and has good results in determining the authenticity of sick reports.

The council, in a related action, approved the sick leave payments for the month of September. Payments for the month totaled \$6,534, with \$2,000 of the amount paid to nine employees of the sewage treatment plant.

Other payments included \$837 to three employees of the fire department, \$408 to six employees of the police department, and \$609 to five employees of the street department.

The payments included \$5,138 in sick leave and \$1,396 in payments for time off due to injuries on duty.

ANNUAL BOOK FAIR. Mrs. Sheila Stimson (left) of Edwardsville and Mrs. Charles Kohl of Granite City study a few of the items to be placed on sale at the fourth annual Southern Illinois University at Edwardsville used book fair Sunday and Monday, Oct. 9 and 10. The fair will be in the Communications Building lobby from 1 until 5 p.m. Sunday and 9 a.m. to 2:30 p.m. Monday. Mrs. Stimson is executive secretary of the Friends of Lovejoy Library, and Mrs. Kohl is a member of the organization and a volunteer worker at the Friendship Shop of Lovejoy Library.

Madison Ladies Club meeting

Mrs. Julia Goclan, president of the Madison Ladies Democratic Club, announced tickets were purchased for the club officers to attend the Champagne Dinner Dance set for Oct. 16, during a meeting held at the Madison Recreation Center.

Mrs. Goclan led the pledge to the flag and Irma Manning, chaplain, offered prayer. Tentative plans were discussed to hold a Christmas fund raising project and the

president appointed: Zella Niehaus to serve as chairman. Mrs. Minnie Brown will head a committee to plan the annual Christmas party, it was announced.

Hostesses for the evening were Helen and Josephine Knezevich and Mary Krekovich. They served refreshments after the meeting to 33 members.

Family party held in New Douglas

A family gathering was held in the home of Mr. and Mrs. Charles Cook, New Douglas, Ill., in honor of the 75th birthday of Mrs. Mary Carden of St. Louis, an aunt of the hosts.

A large birthday cake topped with candles and many gifts were presented to the honoree followed by a pot-luck dinner. Guests attending from Granite City were Mr. and Mrs. Donald Cook and children, Donny, Mike and Mathew, Mr. and Mrs. Melvin Baker and Mr. and Mrs. Rodney Wright.

Also present were Mrs. Mae Labu of California, Mrs. Ruth Bevil, Mrs. Margaret Cook and children Sherrie and Willie, all of Troy, Ill., Mr. and Mrs. Robbie Cook, St. Louis, Mr. and Mrs. Steve Folin and children, Kathy, Chuck and Dawn of Bensil, Ill., Mr. and Mrs. Albert Mikes and children, John, Joe and Julie of Edwardsville and Mr. and Mrs. Melvin Jones of Preston, Mo.

Pack 24 reviews activities

Cub Scout Pack 24 of Johnson School begins busy new year of activities which were reviewed at the pack meeting held at the school in conjunction with the 'school night for scouting.'

The meeting opened with a flag ceremony followed by skills performed by Den Three entitled, "Parents Help Is the Key to Successful Cub Scouting" and "Spelling Out Cub Scouting" by Den Eight, who told what each letter means to them.

Participating were Jimmy Martin, Larry Wiedman, David Gonterman, Henry Farmer, Tom Keck, Jeff Turnbough, Dion Hill, John Hergert and Mike Fenoglio, Mike Lynch, Tim Davis and Richard Stenac. Short talks were given by Richard Howard, former cubmaster, Forrest O'Beare the new cubmaster, William Monical from the Boy Scout office and the scoutmaster of Boy Scout Troop 124.

Den leaders introduced were Vicki Hergert, Paula Gonterman, Linda Fannings and Sandra Lynch and the new scouts present were Doug Allen, Randy Witter, Mike Morris, Dwayne Schroeder, Robert Reinhardt, T. J. Meyer, Kirk Tohoek, Ronny Houston, Henry Farmer, John Jenkins, Dion Hill and Jamie Peters. Awards presented by the silver cubmaster included, silver

arrow to Mike Lynch, year-pins to Vicki Hergert, Mrs. Turnbough, Tim Davis, Mike Fenoglio, Mike Lynch, Richard Stenac, Bradley Arnold, Jeff Turnbough and Larry Wiedman.

The following week several members took part in the Lewis and Clark Pilgrimage with leaders Vicki Hergert and Paula Gonterman, Mike Lynch, Tim Davis, Jimmy Martin, Dion Hill, Larry Wiedman, Jeff Turnbough and Bradley Arnold and guests, Mary Hergert and Roger Turnbough.

A physical fitness contest was held at the school last week and first place awards were won by Dawn Allen, Larry Wiedman and Henry Farmer; second place awards to T. J. Meyer and Dion Hill and third place ribbons won by Dwayne Schroeder and Mike Fenoglio.

CHRYSLERS FOR 1978 are being shown at Granite City Chrysler Plymouth, 19th Street and Grand Avenue, H. J. "Mac" Matson, president, has announced. Pictured is the top-of-the-line New Yorker Brougham. Styling and roominess have been emphasized in both this model and

the Newport. A 400 V-8 engine with four-barrel carburetor and electronic lean burn system is now standard on the Chrysler. Another contribution toward improved fuel economy comes from a new feature — a lock-up clutch in the torque converter — saving four to six per cent fuel on the clutch alone.

Parent-Teacher units expanding membership

October has been designated as official membership enrollment month by the Illinois Congress of Parents and Teachers. During this month, local PTA units throughout Illinois are conducting extensive membership campaigns — attempting to enroll every persons concerned with helping children and youth.

This year, the Illinois PTA has established an at-large membership for persons who wish to support the objectives and program of the Illinois PTA but have no specific PTA unit available.

Dues have been set at \$2 and include a subscription to the Illinois PTA Bulletin, official publication of the organization.

"One to grow on — every member add a member" is the membership slogan for 1977-1978. Special recognition will be given to units that double last year's total membership.

Emphasis also is being placed on the formation of new PTA units.

PTA priorities for 1977-1978 include: campaign against violence on television; alcohol education; child abuse; inclusion of "parenting" in the school curriculum; and participation in "Reflections," a national PTA cultural arts project.

The Illinois PTA is involved in legislative activity concerning education and other child-related issues. A PTA scholarship program provides financial assistance to young people enrolled in colleges and universities.

Rites for Ralph Hylla

Private funeral services were held at 11 a.m. Wednesday at an Altar, Ill., funeral home for Ralph Hylla, 41, of Altan, formerly of Granite City.

He died at 11:45 a.m. Saturday, Oct. 1, in Altan, following a long illness.

Survivors include two sisters, Mrs. Marcella Tilton, Clayton, Mo., and Mrs. Norma Schwanman of Michigan; three brothers, Leonard Hylla of Madison, Robert Hylla of St. Louis, and Clarence Hylla of Edwardsville.

Burial was in Calvary Cemetery, Edwardsville Township.

Youth gets one year probation in theft case

Joseph L. Vandergriff, 19, of 2301 Washington Ave., Apt. 7, has been sentenced in Madison County Circuit Court at Edwardsville to serve one year of probation after pleading guilty to a misdemeanor charge of theft.

He and another young man first were charged with burglary for allegedly entering the mobile home of Al Williams, 2301 E. 23rd St., June 13, and removing a citizens band radio, power pack and two microphones, a camera and a clock. Police recovered the stolen items.

The burglary charge was dropped when Vandergriff agreed to plead guilty to the theft charge.

Anti-smoking clinic set

The public is invited to join St. Elizabeth Hospital associates in kicking the smoking habit at a clinic to be held at the hospital on five consecutive evenings Oct. 17 through Oct. 21.

The American Cancer Society, Lung Association, YMCA and the hospital departments of Respiratory Therapy and Dietary Food Service are participating in the clinic. Topics to be considered are nutrition, exercise and the psychological effects of smoking.

Each session will last from 7:30 to 9:30 p.m. and will include a lecture period as well as group discussion.

To reserve a seat, persons may telephone Respiratory Therapy and EKG Director Curt Jackson at extension 357. There is no charge for participation.

Man grabs woman's purse, flees in car

Margaret Williams, 1400a Madison Ave., said a man snatched a purse from her hand, got into a car with five other people and fled from outside the Sportsman's Club, 1001 Iowa St., Madison, at 12:25 a.m. Saturday.

Mrs. Williams told police she was unable to find her parked car when she left the tavern and sought the aid of people seated in a nearby car.

Upon being asked for help, one man jumped from the vehicle and grabbed the purse, containing \$75 cash, a checkbook, credit cards and keys. He was described as about six feet tall with curly blond hair.

An off-duty auxiliary policeman from East St. Louis learned of the incident and saw the vehicle described by the woman leaving the area. He gave chase, but lost sight of the fleeing auto on Route 162.

Chouteau Town Hall dedication Sunday

GRANITE CITY PRESS-RECORD Thurs., Oct. 6, 1977 Page 9

The new Chouteau Town Hall will be dedicated "in grand style" Sunday with numerous dignitaries on hand. Walter "Dick" Sparks, Chouteau supervisor, announced as he reviewed replies from many of the invited guests. The event is open to the public.

Keynote speaker for the dedication ceremony will be U.S. Congressman Melvin Price (D-East St. Louis), who has supported the continuation of the federal revenue sharing program and the aid it has been to townships and other governmental bodies.

The new town hall was constructed entirely with grant funds under the revenue sharing and Community Development programs.

CONG. MELVIN PRICE
Dedication speaker

Also accepting invitations to the event are: State Sen. Sam Vadalabene (D-Edwardsville); State Representatives Joe Lucco (D-Edwardsville), Jim McPike (D-Alton), and Everett Steele (R-Glen Carbon); Mary Kane, director of the Madison County Community Development Office; Paul Schuler, mayor of Granite City and District Two chairman for Community Development; Madison County Board Chairman Nelson Hagnauer of Granite City, and others.

Music during the dedication and tour will be provided by the Joey James Orchestra.

Sunday's festivities will begin at 1 p.m. with continuous tours and music. The dedication program will begin at 2 p.m. with a welcome by Supervisor Sparks, presentation of the flag by Mitchell scouts and the invocation by the Rev. W. J.

Richardson of the First Baptist Church in Mitchell.

Guests at the head table and dignitaries in the audience then will be introduced, followed by Cong. Price's address. Mrs. Patricia Polley, town clerk, will give a presentation on the township's 101-year history.

Other legislators and dignitaries will be invited to speak and a portion of the ceremony will be reserved for presentation of the Bicentennial Plaque listing the names of individuals and businesses donating to a project which provided furnishings for the community center in the building.

The Rev. L. C. Pruehsner, pastor of the Methodist congregations in Hartford and South Roxana, will close the program with the benediction.

Following the ceremony, refreshments will be served, the orchestra will play and those present will be invited to continue their tour of the building. The event will end at 6 p.m.

The building cost about \$12,000 to construct and houses both a large community center area and a separate area used for the town hall and township officials' offices.

It is located behind the Midwest Motel and near the township's garage, which also was built with revenue sharing funds.

It can be reached by taking Maryville Road north to Old Alton Road and turning right, then continuing under Interstate 270 to the northern access road, left to the entry by the motel and right to the hall.

It also can be reached by taking Interstate 270 west to the Route 203 north turnoff and then left on the north access road to the entrance by the motel.

Businesses named on the Bicentennial plaque for donations in excess of \$25 are: Holsinger Agency, Mitchell Auto Mart, Atlas Excavating and Trucking Corp., Pepsi-Cola of Alton, Mitchell Fire Department, Chapter 53, Disabled American Veterans, First Granite City National Bank, D. M. Buckley, attorney, R. C. Scheffel and Co., Granite City Trust & Savings Bank, Barney's Brake and Wheel Alignment and the Bank of Edwardsville.

Also, First Granite City Savings, Kaegel Real Estate and Insurance, Walt Schlemer Realty, Morris Realty Company, National Auto Supply, American Heritage Bank, Mitchell Athletic Association, Mitchell Athletic Association's

Women's Auxiliary, Two-Seventy Manufactured Homes Sales, Fifteen Acres, D & J Mobil Service, National Marine Service and Copper Ceramics.

Individual donors were: Gordon and Alta Routh, Marion and Iona Sparks, Walter and LaVerna Sparks, Mr. and Mrs. James C. Lavelle, Jim Estes, Mr. and Mrs. Robert W. Polley, Bill Polley, Mr. and Mrs. James

Greer, Mr. and Mrs. James E. Presley Sr., Myrel and Dorothy Williams and Mrs. Tom "Frances" Johnson.

Also, Mrs. Dudley "Rose" Luebbert, Mrs. Frances E. Bedwell, William Bone, Arthur and Norma LaTooe family, Bud and Betty Eberhart, Cleve and Ora Eberhart, Cleve and Ora Phillips, Mr. and Mrs. Joseph R. Whyers, Alice G. Jones, Ida

B. Hanfelder, Mr. and Mrs. Joseph A. Troeckler, Mr. and Mrs. John Katzman, Mr. and Mrs. Charles E. Lexow, June and Victor Neece, Lawrence E. Ross, Mr. and Mrs. William L. Mullens, Mr. and Mrs. Hartmut Wochli, Mr. and Mrs. Melvin Simpson, Mr. and Mrs. Joseph Stefanoff, Betty Lavelle and Mr. and Mrs. Harry Breckner.

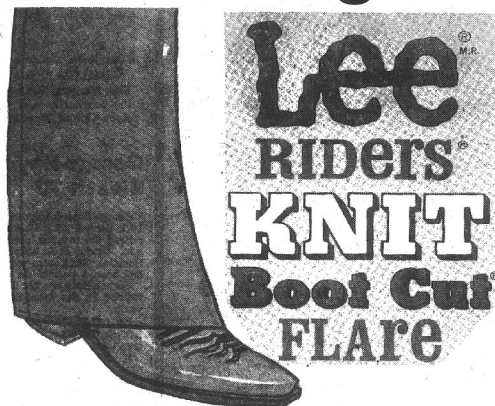

Also, Steve and Val Novosel, Ralph and Myrtle Hoch, Mr. and Mrs. Marvin Moehle Sr., Mr. and Mrs. Ralph Moehle, Babe and Wanda Eberhart, Louis and Vita Clonko, June Allen and Victor Neece, Fred and Anna Meyer, Chester and Vera Whyers and Anna M. Eberhart.

Memorial donations were given on behalf of Kate Kinder, Mr. and Mrs. August Theis, Earl and Farry Laswell, Myrtle

Spicer, June V. Allen, Cora A. Sparks, Fred W. Sparks, C. Roy Jones, Roy Dale Jones, Jack G. Jones Sr., Ray and Amye Beck and May Hawks.

Also, George Kinder, Cleve and Ora Phillips, John Estes Sr., Mary Estes, Oscar Moehle, Arthur Roman, William Wilkamp, Mr. and Mrs. George Warnecke, Roy and Sarah Sullivan, Mr. and Mrs. Charles C. Lexow, Sylvia Moore and Ben W. Eberhardt.

George Hayden dies at 77

George Joseph Hayden, 77, of 1433 Second St., Madison, a retired steelworker, died at 10 p.m. Monday at St. Luke's West Hospital, St. Louis, where he had been a patient six weeks.

Born in Hungary, Mr. Hayden resided in the Quad-Cities 60 years.

He retired 10 years ago at Granite City Steel after 15 years employment.

Mr. Hayden was a member of St. Mary's Roman Catholic Church.

Survivors include three sons, Earl, Paul and John Hayden, all of Granite City; one daughter, Miss Shirley Hayden of Madison; one brother, Steve Haydu of St. Louis; a sister, Mrs. Mary Horvath of South Bend, Ind.; 10 grandchildren and three great-grandchildren.

Funeral services were held today. Details are given in the obituary column.

DAVID BELMERS NAMES SON JOEL JONATHAN

Mr. and Mrs. David (Katherine) Belmer, 2522 Ivy Lane, are announcing the birth of a son, Joel Jonathan Belmer, who was born in Missouri Baptist Hospital, St. Louis, Wednesday, Sept. 28.

The baby weighed eight pounds, 14 ounces, and has an older brother, Aaron David Belmer.

Grandparents are Mr. and Mrs. Tony Stajduhar, 2057 Thirteenth St., Ivan Belmer of St. Louis and Mrs. Vi Belmer of Edwardsville.

Gas leak in furnace sends 4 to hospital

A propane gas leak in a furnace at the mobile home of Roger Kieffer, Rural Route One, Box 1206, Granite City, Monday resulted in four family members being treated at St. Elizabeth Hospital for adverse effects of the gas.

Nineteen-year-old Miss Deborah Kieffer recalled, "My dad turned the furnace on about 4 a.m. because it was cold and there must have been a gas leak. I smelled gas about 5 a.m., so I got up and opened some windows and went back to bed."

"About 6 a.m., my father was awakened by my mother who got up and said she smelled gas."

She went in the living room and when Dad got up, he found her passed out from the gas.

"He told me to get up and help him with my mother. We took her to the hospital and they suggested everyone in the family be admitted for observation. Dad didn't want to, but the rest of us were admitted and were released the next morning. Everyone is doing fine and they got the furnace fixed," Deborah related.

She, her sister, Rhonda, 11, and her mother, Catherine, 39, were admitted to the hospital Monday with headaches, but no other problems developed.

Meet tonight on genealogy

Meetings of the St. Clair County Genealogical Society are being held in Room 5206, Belleville East High School, Route 161 and West Blvd., Belleville, on the first Thursday of each month at 7:30 p.m. The next regularly scheduled meeting is tonight, Mrs. Dolores Rabey of Granite City, historian, has announced.

A mini-workshop series will be presented during the next few months by Mrs. Donald Worley, Mrs. Warren Burns and Mrs. James J. Donovan.

Charter memberships in the new group will be available until Jan. 1, 1978, according to an announcement by Richard Strickland, temporary chairman.

Classifications of membership include: charter individual, \$6; charter family, \$10; charter student, \$2.50; individual, \$7; family, \$12; student, \$3; and institutional, \$10. Life memberships are available at \$100 per person or \$150 for a husband and wife membership. Memberships are being mailed to Albert Meyer, Membership Chairman, 34 Dale Allen Drive, Belleville 62223.

Paul Browning is chairman of the nominating committee to select officers for 1978. A proposed slate of officers will be presented tonight.

Mrs. James J. Donovan will present a program on federal census records available to the researcher, the data they contain, and the use of census records for proof of birth, residency and migration. Instructions on use of the Soundex index also will be furnished.

Karen S. Deatherage and Joseph Marzluf are wed

The wedding of Miss Karen S. Deatherage, a daughter of Mr. and Mrs. Herald Deatherage, 4380 Lake Drive, and Joseph P. Marzluf, a son of Mr. and Mrs. Charles Marzluf, 2242 Cleveland Blvd., was solemnized at a 7 p.m. nuptial mass on Sept. 23, at Sacred Heart Catholic Church. Straw baskets filled with white spider mums and blue carnations decorated the altar for the double ring candlelight ceremony performed by the Rev. James Neuman.

Mr. Deatherage escorted his daughter down the white carpeted aisle and gave her in marriage. She chose an Empire style gown of chiffon over taffeta fashioned with an oval neckline edged with lace floor petals, embroidered with seed pearls and long sleeves accented with matching lace motifs.

The hemline of the semi-full skirt and chapel train was bordered with a deep lace flounce. She wore a melody length veil and carried a bouquet of white roses and blue orchids.

Attending the bride were her sisters, Mrs. Mary Harmon and Mrs. Sandy Lucht as matron of honor and bridesmaid, respectively.

They selected full length dresses in royal blue and hyacinth blue. Each wore a headband of blue flowers in their hair and held a bouquet of carnations in shades of blue. The groom chose his brother, Walter Marzluf, as best man. Mike Harmon served as groomsman and George Lucht and Kevin Lucht, escorted the guests to their seats.

Miss Stephanie Deatherage, another sister of the bride, presided over the guest book. For her daughter's wedding, Mrs. Deatherage was attired in a long aqua blue pleated chiffon gown and the groom's mother, appeared in a formal dress in pink and burgundy hues. Each

wore a matching corsage of pink rosebuds.

Guests were received by the newly married couple at a reception held at the American Legion Hall, in Edwardsville. The newlyweds are both employed as registered nurses in the emergency room at St. Elizabeth Hospital. They are now residing in Granite City after a honeymoon trip to Palm Springs, Calif.

Out of town guests were Mr. and Mrs. Harold Straub of Arizona and Mrs. Bess Johnson, Carbondale, Ill.

Moonspinners earn award

The Moonspinners 4-H Club has a display at the Madison County Federal Savings and Loan building, 2600 Nameki Road, in observance of National 4-H Week set for Oct. 2-8. This display was awarded an A-rating and blue ribbon in the county judging contest held Monday.

Members of the club also made posters which are exhibited at Nameki School and at the Colonial Bank on Pontoon Road.

The club will meet from 7 to 8:30 tonight. Meetings are held the first and third Thursday evening of the month at the Nameki United Presbyterian Church, 1700 Pontoon Road. Boys and girls, age 9 to 12, are invited to join and more information is available by calling the club leader, Mrs. Elizabeth Schmidt, 931-2140 or Mrs. Noe at 931-2934. It was announced.

MR. AND MRS. DAVID ANDERSON whose wedding took place at the First Baptist Church of Caseyville. The bride is the former Mrs. Patricia Showmaker, a daughter of Mr. and Mrs. Walter Christenson of Collinsville.

Mrs. Patricia Showmaker marries David Anderson

Mrs. Patricia Showmaker and David Anderson were married on Sept. 3 at the First Baptist Church of Caseyville, followed by a dinner reception held in the Sternwheeler Room of the Robert E. Lee in St. Louis.

The Rev. Robert Rothwell officiated at the double ring ceremony at 6 p.m.

Parents of the bride are Mr. and Mrs. Walter Christenson of Collinsville. The groom is a son of Mrs. Eula Anderson of Lawrenceville, Ill., formerly of Granite City. Mrs. Mary Barnett, the bride's daughter-in-law, served as matron of honor and the

groom's son, David Keith Anderson was best man. The bride is employed at Perot's Restaurant, Collinsville, and the groom works at Nesco Steel Barrel, Granite City.

After a honeymoon trip to Barretts Resort at the Lake of the Ozarks, the newlywed couple are now residing in Collinsville.

Mrs. Gordon gives book review

Mrs. Marie Gordon gave a book review of "A Woman of Quality" at the meeting Monday night of the Evening Guild of St. John United Church of Christ.

Jerald Rawlings offered the devotions followed by refreshments served by the Fellowship Committee, Jane Kennerly, Ida Gorrell, Cheryl Clinard and Doris Labory.

Guests for the evening were members of the Afternoon Guild and the Quilting Circle of the church.

President Thelma Sues conducted the business discussions and also introduced new members, Sharon Engokke, Dolores Zeugin, and Vera Sage.

World Community Day is scheduled for Nov. 4, according to an announcement by Mrs. Kennerly. She added the Fellowship Committee visited 11 church members and shut-ins at both the Colonades and Colonial Haven Nursing Home.

The president reported a workday for articles for the church bazaar will be held at 9

a.m. at the church on Thursday, Oct. 20. The holiday project will be at the church on Oct. 23. The Brotherhood and their wives will be guests at the Nov. 7 meeting. Mrs. Labory led the least coin prayer in closing.

Eagles Auxiliaries state conference

The Eagles Auxiliaries of the state of Illinois met for 10th annual state membership conference at the Eagles Home in Springfield, Ill. Those attending from Granite City Auxiliary 1126 were Nancy Mullen, state auxiliary trustee, Florida Batson, Granite City auxiliary trustee, Angie Buehler, Granite City auxiliary "Mother" and Helen Frazier, Granite City auxiliary secretary.

Meetings were held on Saturday and Sunday, presided over by the Illinois State President, Marcie Sprafka. Attending the conference as a grand aerie representative was the Grand President, Dolores Colclough. Skits on membership, delinquency, ritual and the various charities the auxiliary sponsors were given with a discussion after each skit.

This year's state project, which is chosen by the state president, is the Markland

Home for Retarded Children in Bloomington, Ill. Slides were shown of the home, illustrating the treatment and activities of children with various degrees of mental retardation.

On Saturday evening, a banquet was served at the Springfield Eagles Home, with entertainment by a Senior Citizens Kitchen Band, and a dance following. There was a special income tax return session on Sunday morning, and a speech by the state president, who was presented with gifts from the state auxiliary. 168 attended the meetings, which was closed by the Illinois State Auxiliary Chaplain, Betty Church, with a prayer.

In South's annual homecoming game...

Warriors host Tigers tomorrow; going for 2nd straight victory

Few people expected Granite City South's Warriors to be 2-2 and going for their second win in a row after they were walloped by Jefferson City, Mo., 4-0 in the first game of the year or after they lost 40-0 decision to Belleville East in their third outing.

But they are. The reason is that sandwiched in between those two lopsided losses are two wins, 18-7 over O'Fallon on the second weekend of action, and 7-0 last week over Cahokia.

Tomorrow they'll be going for that second straight win and the third of 1977 when they host the

Edwardsville Tigers in an 8 p.m. game which will also be South's annual homecoming contest.

So, even though the season has not been extremely impressive, the Warriors DO have a .500 record. That's all that counts in the end, anyway.

The opposition will be supplied by an Edwardsville club that also has a 2-2 record. Last week, the Tigers held on for a heart-stopping 10-7 victory over Alton in Edwardsville.

Last week in the South win over Cahokia, the Warriors

changed their strategy a bit from previous games and took to the airways.

Although South attempted only eight passes, and completed five, the aerials came at opportune moments. Warrior quarterback Mike Forshee had a good night, achieving 57 yards on those five completions.

The Tigers of Edwardsville had an even better night passing last week against Alton. Quarterback Jeff Green and his back-up, Monte Haun, passed for 141 yards against the Red Birds.

Green was forced to leave the

game in the fourth quarter with a lacerated hand, but is expected to be back in action tomorrow night.

The absence from the lineup in that fourth quarter forced the placekicking duties onto sophomore Phil Comreaux. He booted an 18-yard field goal in the fourth quarter that eventually became the margin of victory.

The Tigers' defense bent but never broke last week, making two goal line stands, including one on the last play of the game. Alton thought it had scored, but the officials ruled that Alton's ball carrier had not

crossed the "plane of the goal line," and Edwardsville came away with the win.

THE WARRIORS will have a defense of their own tomorrow. The much-maligned South defenders rose up last Friday to register their first shutout.

South picked off three Cahokia passes last week. The Warriors also experienced the "bend-but-never-break" syndrome.

Cahokia had the ball on the South five-yard line with 11 seconds remaining in the game following a mixup by the Warriors.

South was trying to run out

the clock and used several quarterback-keepers in the final minute to do so and to cause the Comanches to use their timeouts.

They did... except for one. Cahokia got the ball on downs with these 11 ticks remaining on the clock and called time out. It had only one play left.

But the Warrior defense forced an incompletion on a pass attempt and South had preserved the shutout.

SOUTH'S DEFENSE will have to try and wrest the ball away from a Tiger offense which controlled the pigskin handsily last week.

Edwardsville kept the ball for eight minutes in that last quarter and gave its defense some time to rest—a rest it turned out that was needed.

But South did a number on Cahokia, too, when it came to eating up the clock—and the yardage.

Quarterback Forshee, Tony Elliott and Dave Mahaffey ran the ball alternately to help run off time.

BUT THE BIG MAN for the Warriors was Doyle Beard. He rushed the ball 26 times for 53 yards and the game's only touchdown.

The burden of carrying the

ball has been placed on Beard the last two weeks due to an ankle injury to South's other workhorse, Cliff Moran.

Moran suffered the injury in the Warriors' 13-7 win over O'Fallon and hasn't seen action since. But it is hoped that he will recover in time for tomorrow's game.

South hopes that tomorrow's contest isn't a repeat of last year's Edwardsville game. The Tigers registered a shutout of their own the last time around, 27-0 over the Warriors.

But what South coach Stan Heard is hoping for is his team's second shutout—and win—in a row.

Press-Record

'Battle of the roller coasters?'

Steelers and Rams set to clash here Saturday night

By PETE HAYES
Press-Record Sports Editor

I'll be the Steelers and the Rams this Saturday at 7:30 p.m. in Granite City Stadium.

An NFL exhibition game? No, just an area high school contest. Mt. Vernon's Rams and the GCHS North Steelers will try and make their records 3-2 and the other guys' 2-3.

Each has a 2-2 slate. The Steelers, still stinging from their 10-7 heartbreaker to Roxana last week, will host a Mt. Vernon team that was also a loser last Friday, 31-19 at Harrisburg.

It will be a situation of two roller coaster teams meeting at the summit. Mt. Vernon won its first game of the season 21-7 over O'Fallon. The next week, the Rams were shut out by a strong Herrin team, 20-0.

But the following week, they bounced right back and handed West Frankfort a 22-7 defeat before last week's losing effort against Harrisburg.

The Steeler defense will have to control Rams' quarterback Tim Rainey, a left-handed hurler who's in his second season as a starter.

Rainey has taken to the air frequently through the first four weeks of the season. The reason? Mt. Vernon's running game has been shut off effectively.

The Rams' QB has been good on 20 out of 44 passing attempts thus far this season and has also thrown for two touchdowns and 439 yards.

THE MAN to whom Rainey will probably be throwing most of his passes is Clay Berner, a senior split end. So far, he has hauled in 11 of Rainey's completions for 208 yards.

The Mt. Vernon ground game—what there is of it—has been built by converted-guard-turned-fullback, Scott Wagner. In his first season as a running back, he has carried the ball 33 times for 157 yards—through four games. That's not exactly eating your opposition alive on the ground.

Last week, the Rams were completely dominated by Harrisburg. They were held to only 36 yards on the ground on 24 carries and 167 yards in the air on five completions out of nine attempts.

Mt. Vernon is coached by former SIU at Carbondale quarterback (Class of '72) Brad Pancost, who is in his first year. He replaces Les Foukney, who had been the Rams' mentor for a decade.

Mt. Vernon is in a four-way tie for third place in the tough South Seven Conference. Harrisburg and Centralia lead with 2-0 conference marks followed by Benton at 1-0 and the Mt. Vernon, Carbondale, Herrin and Marion, each with 1-1 marks.

THE STEELERS of North, meanwhile, could have an easier time of it defensively than in the past four games, taking Mt. Vernon's apparent ineptness with the run into consideration.

North has allowed 276 yards

through the air in the first four games, about half of Rainey's total for the Rams through the first four. If the Steelers can shut down Mt. Vernon's running attack, it could end up being a duel between the Rams' passing attack and North's defensive secondary.

Mt. Vernon will have to try and control the one-two running attack of Steeler workhorses Mike Sherman and Bruce Wright. Sherman is second in the area in scoring with 26 points.

But the Rams may have to try and contain only one part of that one-two punch... Bruce Wright.

Sherman pulled a muscle in last week's loss to Roxana and is listed as a doubtful starter. Tom Greco will most likely replace Sherman's replacement at the running back spot. Last week, he came in after Sherman's injury and helped lead the Steelers on their lone touchdown drive of the night.

Also considered doubtful is quarterback Doug Rains. He sustained a knee injury in the second quarter last week and was out for the rest of the game.

SET TO FILL IN for Rains is sophomore quarterback Tim Dudley. Last week, he came into the game and performed well, scoring the Steelers' only touchdown. It came in the third quarter.

Steelers coach Tom Wyrostek said that even though his team's chances of getting into the playoffs disappeared after last week's setback, he wasn't going

to let it affect his team. "We'll go out there and play them just as hard as we have up to now," he said. "There's a lot of pride on this team and there are still some things to be done."

It could be a case of the Steeler defense being too much for the Mt. Vernon offense, if the Rams can't establish some semblance of a running attack.

The reason being that if the defenders have stopped the ground game, they know that the opposition is going to have to throw the ball on almost every down.

North's Steelers hope that's the case Saturday night.

South harriers lose to East; Dumont winner

Granite City South's cross country team lost to Belleville East Tuesday in a dual meet held at Wilson Park. The team score was East 25, South 32.

South's James Dumont was the individual winner. He ran the 2.83 mile course in a time of 14:46. The next highest finisher for South was Ken Meagher, who placed fourth in a time of 15:04.

Warrior harrier Dave Taylor was sixth, Dave Blackwell was ninth and Curt Collins was 12th.

South won the junior varsity meet, 25-30. Wally Fenton was the Warriors' highest finisher with a time of 16:33 good for second place over-all. Scott Ahlers was third (16:45), John Downs fifth (17:02), Bob Dubnick sixth (17:34) and Joe DeRuntz was ninth (17:56).

The next meet for South is tomorrow when the Warriors will participate in the Waterloo invitational.

SIDELINED STEELER quarterback Doug Rains was forced out of action last week in the North loss to Roxana. He hopes to be back in action this week but is

listed as doubtful when the Steelers take on the Mt. Vernon Rams Saturday at 7:30 in the Granite City Stadium.

(Press-Record Photo)

Trojans battle for fourth win tomorrow against Mater Dei

A month ago, if you'd have gone up to somebody and told them that Madison's football team was 3-1 and that one of their running backs was leading the area in scoring, you probably would have been laughed off the face of the earth.

But that's exactly the situation going into the Trojans' battle with Breese Mater Dei on the road tomorrow night at 7:30 p.m.

Following last Saturday's come-from-behind win over Columbia, the Trojans ARE 3-1 and one of their running backs—James Heard—IS leading

the area's independents in scoring with 22 points. Breese Mater Dei is also 3-1, coming from behind last week to edge Triad 20-16 in overtime.

Breese scored on its four-play series from the Triad 10-yard line and also booted the extra point.

When Triad got its chance, it in turn put the pigskin into the end zone. But the extra point kick attempt was no good and Mater Dei's James Heard had himself a hard-fought win.

The Knights' touchdown in that overtime was scored by Jeff Timmerman. He's a 160-

pound junior halfback. But the guys that Madison's defense will have to contain the most are running back Dennis Littlekin and the quarterback, Tim Hittas.

Hittas has scored four touchdowns for 24 points and Littlekin has 18 points on three TD's.

The Knights are coached by first-year man Joel Sheridan, who has brought a "new era of football to Breese Mater Dei. Sheridan stresses mental toughness as well as physical conditioning. "I want to change the whole mental approach to the program," said Sheridan, who was an assistant coach at Mater Dei for two years before taking over for Bob Larsen.

"We're going to be working 12 months out of the year instead of just three. That's the only way we can stay up with the competition."

THE TROJANS of Madison have stayed up with the competition themselves. They performed admirably in the fourth quarter last week against Columbia in their come-from-behind thriller.

But it's the first three-and-a-half quarters that have been the Trojans' Achilles' heel.

"We have to play four good quarters," he said. "We were just lucky that our defense held Columbia and kept us in the game."

As just about every other case like that, we'd have been out of the ball game a long time before the fourth quarter rolled around."

But the fact is that Madison DID come back and win its third game in four starts.

Madison running backs, James Heard and Ronald Morris, did a number of sorts on the Columbia defense, with Heard scoring all 14 of Madison's points on two touchdowns and a two-point conversion.

Heard rushed for 135 yards last week, the third game in which he has gone over the 100-yard mark.

Morris also had a good day on the ground. He carried the ball for 94 yards in giving the Trojans a good one-two punch into the line on the ground.

Madison quarterback Joe Piechocinski passed for 110 yards last week, his best passing performance of the season.

But the reason that he hasn't had too much passing yardage in the past is that Madison hasn't needed it.

"As long as we can control the ball on the ground," said Jakich, "why put it in the air?"

They'll be going against a Mater Dei defense which hasn't been impenetrable. Thus far, the Knights have allowed 711 yards rushing in four games (a 177.7 per game average) and 202 yards through the air (a 50.5 per game average); exactly what the Trojans thrive on... weak running defense.

But the Madison defense hasn't exactly been its strong point, either. The Trojans have allowed 841 total yards, for a 210.2 yards-a-game average.

But as long as they keep scoring more points than the other guys, it really doesn't matter.

GC Girls' tennis teams lose two

Granite City's girls' tennis teams had a rough time of it this week, losing two matches. South to Belleville Althoff on Monday, 5-2 and North to Wood River, 6-1 also on Monday.

In South's match against Belleville Althoff, both of their points came in the singles. Laura Gabriel and Therese Hayes both won their matches.

Gabriel downed Maureen Hemann 6-2, 6-2 and Hayes beat Marby Whitehead 6-1, 6-4.

Number-one singles player Christy Bauer lost to Dorothy Hogan, 2-6, 1-6, and Linda Vaughn lost to Kelly Gasaway 3-6, 2-6.

In the doubles competition, South lost all three matches. (Continued on Page 13)

Cougars and Panthers tied for second in Midwest poll

St. Louis University remained at the top of the Midwest regional intercollegiate soccer rankings this week. In a tie for second place were Southern Illinois University at Edwardsville and Eastern Illinois University.

The remaining top ten are: University of Wisconsin, Green Bay (4th); Quincy College (4th); North Texas State U. (6th); Southern Methodist University (7th); Northern Illinois University (8th); Rockhurst College (9th); and the University of Wisconsin-Milwaukee (10th).

The rankings were compiled on the votes of member coaches of the United States Intercollegiate Soccer Association.

Coach Bob Guelker's SIUE Cougars will play six of the ten: St. Louis University (Nov. 4), Eastern, Quincy College, Northern Illinois, Rockhurst and U. of Wisconsin-Milwaukee.

SIUE and Eastern will clash Friday in the 3 p.m. game at Charleston, Ill. in a "two-game, first-day" session of the Illinois Governor's Cup Tournament.

Shemwell makes Greenville College field hockey team

Lynn Simpson, Greenville College field hockey coach, has announced the members of her 1977 varsity team.

Included on the squad is Kathy Shemwell, a 1974 graduate of Granite City High School North.

Greenville College, a member of the IAHAW of Illinois and the IAIAW—the Association of Athletics for Women—has a six-game schedule this season.

Schooley leads receiving

Tom Schooley, a former Granite City High School South standout, added two more pass receptions to his total as Illinois was defeated by Syracuse 30-20 at Memorial Stadium on Saturday.

Starting at wingback for the Illini, Schooley caught two passes for a total of 74 yards.

He leads the Illini in individual pass receiving with a season total of ten for 173 yards. His longest reception of 44 yards was made in Saturday's game against Syracuse.

Schooley and the Illini return to Big Ten action this Saturday as they travel to Madison, Wis., to take on the Badgers.

GC hockey starts Sunday

The Granite City Amateur Hockey season will begin this Sunday, Oct. 9, at the Wilson Park Ice Rink.

There are still openings for players in five of the six divisions.

There are spots open in the Mites Division (4 to 7 years old), Squirts (8-10), Pee Wees (11-12), Midgets (13 and 14) and Juniors (17 and over). All spots in the Bantam (13 and 14) are taken.

Actual game play will not start until the middle of November, according to Granite City Amateur Hockey Association Secretary Sandy Schnefke.

However, there will be scheduled ice times available for practice sessions.

Sunday's scheduled practice times are: 7:30-9:15 a.m. Juniors Division, 9:15-11 a.m. Midget Division, 11:25-1 p.m. Bantam Division and 3:45-5:45 p.m. Pee Wee Division.

Cougars vs. Eastern in first round of Governor Cup meet

National rankings and season records don't mean much when the annual Illinois Governor's Cup Soccer Tournament is contested.

It's the old story of a family fight being the toughest of all human battles. And, when SIUE, Eastern, Western and Northern universities gather together to play each other in soccer, anything can happen and usually does. It's the sixth annual tourney.

Last year, Coach Bob Guelker's Cougars won it at Northern Illinois U. in DeKalb. SIUE goes into its first-round match (3 p.m.) Friday in the two-day tournament with the Eastern Illinois University Panthers with the best overall record, 5-1-0, and ranked eighth in the nation. Western plays Northern in the first game at 1 p.m.

Friday's two losers will meet at 1 p.m. Saturday and the winners will square off for the championship at 3 p.m.

The tournament started in 1972 at DeKalb. It goes clockwise, so to speak. Northern,

Eastern, Southern, Western and back to Northern.

Guelker's charges prepared for the Governor's Cup competition with an awesome display of scoring punch over the past weekend as they demolished the University of Illinois, Chicago Circle Chikas 8-0 Saturday and then came right back Sunday to run roughshod over the Benedictine (Kansas) College Ravens, 5-0.

In the two-game sweep, the Cougars' freshman center forward and striker, Don Ebert, went on a rampage, scoring six goals in posting a "hat trick" of three goals in each game.

In the 8-0 rout of Circle, Ebert got a lot of help from Tim Guelker (two goals) and single goals by Matt Malloy, Terry Truschel and Jeff Cacciatore. In addition, Jeff Cacciatore was credited with two assists, also.

Defensively, the Cougars' goalkeeper, Bob Robson, posted his fifth straight shutout. In front of Robson and looking better and better with each game is a stonewall defense of Bab Gallagher, Dave Hundell,

IHSA announces sites for area district tourneys

The Illinois High School Association (IHSA) has announced the state playoff schedules for the sports of field hockey, girls' tennis, girls' golf, cross country and boys' golf.

The sectional championships are set to be determined no later than Saturday, Nov. 5. The districts in girls' tennis get underway on Saturday, Oct. 22.

District competition in cross country starts Saturday, Oct. 29, while boys' golf districts begin Thursday, Oct. 13.

The girls' field hockey sectional will be held at Edwardsville, with Granite City North playing Roxana in the first round. South drew a bye and will play the winner of the Wood River-Edwardsville game.

The girls' golf district will be held at Belleville with Belleville East serving as the host team.

Although Granite City has no official girls' golf team, Kathy Gilley, who competes on the North boys' team, will be entered as part of the North entry.

The boys' cross country AA district tournament will be held at Alton and will feature both Granite City North and South among its entries.

Granite City South and North are entered in the Wood River Class AA Golf District, and they will compete in the Belleville West girls' tennis district.

The other golf district that will affect winners from the Wood River district is being held at West Frankfort. The other area girls' tennis districts will be held at Centralia and Highland.

Here are the complete district assignments for those which will affect local high schools:

Girls' Field Hockey
Edwardsville Sectional
1. Wood River at Edwardsville
2. Okaville vs. Mascoutah
3. Roxana vs. GRANITE CITY NORTH
4. GRANITE CITY SOUTH vs. Winner 1

Boys' Cross Country
Class AA Alton District
1. Alton vs. Winner 2
2. Winner 2 vs. Winner 3
3. Winner 4 vs. Winner 5

Girls' Golf District
at Belleville East
Alton, Belleville East, Belleville West, Breese Mater Del, Carlinville, East St. Louis, Lincoln, GRANITE CITY NORTH, Hillsboro, Red Bud, Waterloo.

Boys' Cross Country
Class AA Alton District
Alton, Belleville East and West, Bethalto, Collinsville, Lincoln, East St. Louis,

Edwardsville, GRANITE CITY NORTH AND SOUTH, Highland, Jerseyville, Mascoutah, O'Fallon, Roxana, Wood River.

Boys' Golf
Class AA
West Frankfort District
Belleville East and West, Althoff, Benton, Carbondale, Centralia, Harrisburg, Herrin, Marion, Mascoutah, Mt. Vernon, Murphysboro, Olney, Salem, West Frankfort.

Class AA
Wood River District
Alton, Collinsville, Lincoln, East St. Louis, Edwardsville, GRANITE CITY SOUTH AND NORTH.

Highland, Jerseyville, O'Fallon, Roxana, Wood River.

Girls' Tennis
Belleville West District
Althoff, Belleville East and West, Cahokia, Lincoln, East St. Louis, GRANITE CITY NORTH AND SOUTH, Madison, Waterloo.

Centralia District
Benton, Centralia, Joppa, Lebanon, Mascoutah, Metropolis, O'Fallon, Pickneyville, Salem, Sparta.

Highland District
Alton, Bethalto, Collinsville, Edwardsville, Highland, Jerseyville, Piasa, Roxana, Triad, Wood River.

TIM GUELKER, the son of SIUE soccer Bob Guelker, is making his dad proud with his showing this season.

Girls' tennis

(Continued from Page 12)

The team of Susan Bell and Mary Ellen Hutchings lost to Mary Beth and Joanne Westerheide 2-6, 2-6. Jane Matosian and Susan Squires lost to Jill Renner and Cindy Hardin 2-6, 6-7 and Sherry Depew and Agatha Grabowski were beaten by Lisa White and Tina Tranggesser, 4-6, 3-6.

In North's contest with Wood River, Margie Verschuyt lost to Jackie Collins, 0-6, 1-6. Cindy Campbell lost to Donna Agnes 5-7, 2-6. Vicki Cottrell lost to Julie Conrad 6-4, 2-6, and Connie Lee lost to Karen Able 0-6, 1-6.

In doubles, Shelley Colman and Beth Goss lost to Julie Devorchak and Shelia Abernathy 2-6, 6-1 and 1-6. Laura Sobolewski and Liz Clay beat Debbie Kellum and Cindy Svensen 7-6, 8-6 and Lisa McKee and Chris Clay lost to Beth Sloan and Lynne Jones 6-7, 6-4.

ALUMNI BASEBALL GAME
An SIUE varsity-Alumni baseball game is set for 1:30 p.m. Sunday at Cougar Field. Eighty students are taking part in fall baseball workouts.

SIUE's track coach, Jack Whitted, made the announcement this week.

Steelers had the best over-all golfer on the day (Brett Smith). Left to right: Chris Andrews, Rob Fyalka, Dan Harper, Mike Cella, Brett Smith and George Barz.

PICKING HIS WAY through some tough Columbia defenders is Madison Trojan halfback James Heard. He gained 135 yards on the day in leading his team to a 14-7 win over Columbia Saturday in Madison.

Heard, Sherman lead area independents in scoring

According to latest statistics, Madison's James Heard and Granite City North's Mike Sherman are one-two, respectively, in scoring among the area's independent schools.

Heard, a fullback for Coach Nick Jakich's 3-1 Trojans, has scored four touchdowns, an average of one a game. He has scored a couple of two-point conversions and has a total of 26 points.

Sherman, the workhorse running back of Tom Wyrostek's 2-2 Steelers, has also scored four touchdowns. He has one two-point conversion to his credit, compared to Heard's two, for a total of 26 points, good for second spot.

Right behind Heard and Sherman are two players with 24 points each. They are Willie Ahart of Belleville Althoff and Tom Hittes of Breese Mater Dei. Heard's Trojan team plays at Breese Mater Dei tomorrow night.

TEAM-WISE, Madison is fourth in the area among all schools offensively.

The Trojans have gained 828 yards in four games for an average of 207 yards a game.

Passing, they have 197 yards, for a 49.2 average.

North is eleventh in total offense, rushing for a total of 796 yards (a 199.5-a-game average) and passing for 109 (a 26.7 per game clip).

Granite City South has gained 388 yards rushing (a 99.5 per game average) and has passed for 82 yards (a 20.5 per game average).

Dupo is the area leader offensively, with 1,210 total yards, an average of 302.2 a game.

Defensively, North is tenth in the area. They have yielded a total of 440 yards on the ground for a 110-yards per-game average and have given up 276 yards in the air, an average of 69 a game.

Madison is sixteenth, giving up 565 yards rushing and 276 passing. South is three notches behind. The Warriors have given up 865 yards on the ground and 159 passing.

Mascoutah is first defensively, allowing only 397 net yards in four games for an average of 99.2 per game.

North, South each win, South schedule changes

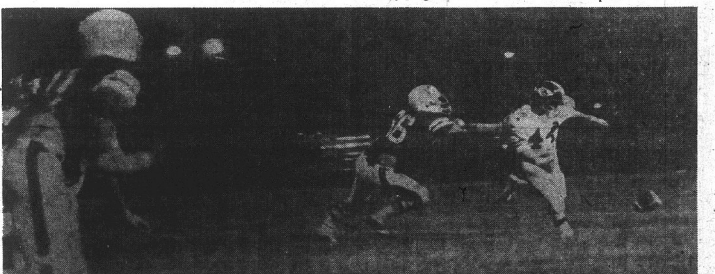

Both Granite City North and South's soccer teams won games Monday, North 2-0 over Collinsville and South 7-0 over Cahokia.

In the North game, Butch Stefanoff scored off of a free kick with 15 seconds left in the third quarter to give the Steelers a 1-0 lead.

With 15 minutes remaining in the game, Jeff Demott scored a goal on an assist from Marty Dooley to give them the final margin.

South got two goals out of Mark Goldschmidt, and one goal each out of David Goldschmidt, Fred Schuler, Ken Prazma, Phil Beljanski and Gary Phelps in their win.

There has been a change in South's schedule. The Hazelwood-East game, originally set for Oct. 27 has been changed and will be played tomorrow, Oct. 7 at Hazelwood East at 4 p.m.

BOTH OFFENSE AND DEFENSE try unsuccessfully for this pass as Granite City South conquers

Cahokia 7-0 Friday night. No. 44 of the visiting Warriors is Doyle Beard, used in this play as a wide receiver.

BUDGET BILLING helps put stability in your household budget.

Extremes of weather can cause fluctuations in your natural gas or electric bills. Last winter gave us a good example of how wide those fluctuations can be. There's a way to help level out the ups and downs of your utility bills. It's called Budget Billing. Here's how it works: We estimate your annual IP bill, based on past energy use. This amount is divided into 11 equal monthly payments.

The 12th month is used to adjust your account. Any difference is credited or billed to you. Budget Billing helps you avoid larger bills during peak heating and cooling periods. There's no contract to sign. You can discontinue the plan at any time. Find out more about Budget Billing. Visit your nearest IP business office. Or fill in the coupon and mail today.

SIXTH GOAL OF THE WEEKEND is about to be tallied by SIUE's Don Ebert (18) in this view of the soccer Cougars' 5-0 win Sunday over Benedictine College before 1,800 cool fans at the local university. He scored three goals and Greg Makowski and John Zacheis connected on

penalty kicks. During the Cougars' 8-0 conquest of the University of Illinois-Chicago Circle here Saturday, Ebert scored three times and Tim Guekter twice. Other goalgetters were Matt Malloy, Terry Trushel and Jeff Caciatore.

Area youngsters win 11 bike motocross trophies

Eleven trophies were given to youngsters from Madison and Granite City this weekend in "Bicycle Motocross" (BMX) races held in Collinsville. The motocross is a variation of the motorcycle version and involves youngsters going over a dirt obstacle course, just like motorcycles do in their version. The motocross in Collinsville is open to children ages six to 15 and is held on a course especially designed for it at 515 Johnson Hill Road.

GC golfers win two, lose one

Granite City prep golfers won two and lost one this week. GCIS South was defeated by Bellevue East 163-176 Monday at Bellevue.

Herman Schroeder was South's individual medalist with a 40. Joel King shot a 44, Ben Brown a 46 and Kevin Romine a 46.

On Tuesday, the Warrior Cougars defeated Wood River at Arlington Golf Course here, 166-178.

Schroeder again was low man for the Warriors. He shot a 39. King followed him with a 40. Greg Mulach fired a 41 and Rick Plese shot a 46. North's golfers shot their worst round of the season Tuesday at Oak Brook Country Club near St. Jacob against a 171-188 win.

Chris Andrews shot a 40, Brett Smith and Dan Harper each a 43, and Russ Chappell a 45.

Constitutionality of Illinois' effective Oct. 1 divorce law was challenged Monday in a class action suit filed by a Cook County businessman, who opposes allowing a judge to decide how to divide all property acquired by either spouse during the marriage.

Illinois employers are in a "state of panic" that Assembly inaction could cost them \$600 million annually in higher unemployment compensation insurance rates, an Illinois House subcommittee was told Monday. The state has until Jan. 1 to conform with new federal guidelines or firms will face a staggering rise in such rates, it was asserted.

The Health Systems Agency board last night authorized cost control efforts and curbs on hospital expansions, plus consolidation of some health services to a fewer number of locations.

Tourist travel by Americans this year has topped the volume of 1976, the Bicentennial year.

Efforts will be made to make prizes easier to win, Rick Carlson, Illinois state lottery chief, said Wednesday, noting that 1976-77 state profits were \$48 million, down \$24 million from the previous year.

A "temporarily closed" sign was placed on the Washington Theater marquee last night. The Arthur family's St. Louis Amusement Co. currently is being reorganized due to financial problems and some of the theaters (not including the Washington) have been announced.

A government study Monday found abnormally high cancer death rates in 39 U.S. counties with petroleum refineries, including Crawford, Lawrence, Will and Madison counties in Illinois.

Cong. Melvin Price this week called the neutron bomb a "new humanitarian approach" to saving lives in the event of an atomic war. "It should have been called the reduced blast-thermo warhead instead of the enhanced radiation warhead," he said. The local congressman voiced concern that too many Congressional staff members are being shown technical atomic data, creating a "leak" risk in which foreign and domestic groups or wealthy individuals could build their own nuclear bombs.

Drainage topic at meet with sanitary board

Quand-City area municipal and township authorities met this morning in a discussion of arctic drainage of the Metro-East Sanitary District, 1801 Madison Avenue. The meeting began at 10 a.m. and follows a similar meeting held Monday by the Sanitary district board for officials in St. Clair County.

Attending today's session were William Ebersold, mayor of Venice; Mike Sanyk, mayor of Madison; Harold Davis, supervisor of Nameoki Township; and Walter Spaulding, supervisor of Chouteau Township.

Woman, 71, beaten, to undergo surgery

Police were called to the 2800 block of East 25th Street at 4:30 a.m. Thursday and found Hattie Robinson, 2821 Edwards St., bleeding from several cuts on her hands and noticed blood on her head.

She said a man had beaten her at her home. Officers took her home where they found blood and saw signs a fight had taken place.

Mrs. Robinson, 71, was taken by officers to St. Elizabeth Hospital for treatment of lacerations to the head, arms, hands and legs and bruises to the shoulders. She was admitted for surgery.

Willie Dennis head teacher

Willie Dennis was appointed head teacher at the Madison Junior High School by the Madison Board of Education at its meeting Tuesday evening.

The head teacher is in charge of the building whenever the principal is absent.

Lakeside Roofing Co., low bidder at \$4,983, was awarded the contract to repair the roof at Dunbar School.

Two Madison High School students were reinstated on probation after a hearing by the board.

The school board will meet at 7:30 p.m. today at the board office, 1707 Fourth St., Madison.

The Illinois Department of Veterans' Affairs is offering free wallecited hunting and fishing permits for disabled veterans, Director James R. Washburn has announced.

The permits are available for honorably discharged veterans who have service-connected disabilities or veterans' Administration pension.

The new wallecited permits replace the bulky affidavits issued previously to disabled veterans.

Persons applying for the new wallecited hunting and fishing permits may obtain them by

Construction yard burglary

A \$43 generator, a \$62 two-wheel dolly, four heaters and three water pumps are known missing from a burglary at S. M. Wilson Construction Co., 18th Street and Cleveland Boulevard, last week.

Belts cutters were believed used to cut the chain to the fence gate and a storage building was believed entered by crawling through an opening on the south end.

MOTORCYCLIST HURT
Danny Poe, 18, of 3433 Logan Ave., was treated at St. Elizabeth Hospital at 4:35 p.m. Monday for abrasions and injuries to his right elbow sustained in a motorcycle accident about four hours earlier.

X-rays were taken and he was released.

CAR STRIKES POLE
Larry Libby, 18, of 1620 Venice Ave., was injured Tuesday evening when he lost control of his auto and it struck a pole and continued into a ditch. He was treated at St. Elizabeth Hospital at 6:40 p.m. Tuesday for pain to his chest. X-rays were taken and he was released.

CAR DOOR STRUCK
As Stanley Lucas Jr., PO Box 641, Granite City, was alighting from his auto in the 1900 block of the Edison Avenue at 2:25 p.m. Wednesday, the open door was struck by a southbound vehicle, operated by William H. Telford of Des Plaines, Ill. Lucas suffered a minor injury in the mishap.

MISSING KEYS
George Fuchs, 2124 Lindell Blvd., reported at 4:30 p.m. Wednesday a black wrought iron key rack containing several keys was missing from his home after a group of his daughter's friends were at the house.

TREATED AT HOSPITAL
David Rollit, 15, Wood River, sustained a cut to his lower lip during a disturbance Sunday and sought treatment Monday at St. Elizabeth Hospital. The cut was closed and he was released.

GRANITE CITY PRESS-RECORD

Granite City's ambulance service initiated last March 15 has billed a total of \$123,860 for calls during the six-month period through Sept. 30, and has collected \$41,879 of the amount, Fire Chief Don Parente reported to the City Council Wednesday night.

The report said that of the balance of \$81,981, a total of \$67,792 is awaiting collection and an additional \$14,189 in delinquencies is to be collected through legal action, most of it in the small claims court.

Parente said after the meeting that the Fire Department's budget for the ambulance service this year was \$148,650, exclusive of salaries paid \$8,792, Medicare paid \$10,532 and Illinois Public Aid paid \$5,569.

The latter two account for much of the unpaid amounts, due to the slow administrative pace, it was asserted.

The report on collections was the first since the city ambulance service was instituted last March.

Mrs. Nettie Stroup dies

GRANITE CITY PRESS-RECORD

James duck session of the City Council on April 26, providing that the street superintendent would be appointed after expiration of the elected term of the present street superintendent, Lionel Portell in April 1978.

The ordinance was approved following this year's city election on April 5, but before five newly-elected aldermen took their seats on May 3. Political observers attributed the action to retaliation against Portell who played an active part in the city election campaign in favor of Dan Partney who opposed Mayor Paul Schuler in the mayor's race.

Vote returns by precincts were canvassed by City Council members during the regular council meeting Wednesday night, which had been postponed from Tuesday night because of the election.

There were no changes in any of the 33 precincts, making the 4,514 to 449 vote the official figures.

Council members then approved a resolution listing the precinct results and declaring

the election carried on the proposition question.

George Filloff, city attorney, said that an ordinance rescinding the council's action last April that made the office appointive will be prepared for the next regular council session on Oct. 18.

The proposition to retain the office as an elective one carried in all 33 precincts of Granite City by majorities as high as 13 to 1 in the four precincts (five through eight) of Ward Two, and 12 to 1 in Ward Four (precincts 13 through 18).

The highest "yes" vote was cast in Ward Three (precincts 9 through 12) where the total vote was 6 to 1 in favor of the question.

The heaviest vote was in Ward Four where 972 ballots were cast, including 899 "yes" votes and 73 "no" votes. Ward Four includes precincts 13 through 18. Heaviest vote in the ward was in Precinct 15 with 282 "yes" votes and 15 "no" votes.

A total of 883 votes was cast in Precinct 17 of Ward Four, including 31 "yes" votes and three "no" votes.

A total of 883 votes was cast in Ward Seven which tallied 811 "yes" votes and 72 "no" votes on the issue — a majority of 11 to 1. The heaviest vote in that ward was in Precinct 28 where 233 "yes" votes and 17 "no" votes.

Voters in Ward Five which has seven precincts cast a total of 727 votes — 674 "yes" and 53 "no," with the largest precinct vote reported by precinct 33 with 155 "yes" and eight "no."

Other vote totals by wards included: Ward One, precincts one through four, 398 "yes" and 50 "no," a 7 to 1 majority; Ward Two, precincts five through eight, 755 "yes" and 54 "no," a 13 to 1 majority; Ward Three,

formed to disseminate the pro-life message throughout the Southern Baptist Convention.

Prior to the Southern Baptists' annual meeting in June, Wilder was responsible for mailing 34,000 pro-life materials to member churches, Mrs. Stegemeyer said.

The speaker's current work involves a scriptural interpretation of the abortion issue.

HURTS BACK IN CRASH
Robert Davis, 30, of 2386 Pine St., was treated at St. Elizabeth Hospital at 6:40 p.m. Monday after his back was injured in an auto accident earlier Monday. X-rays were taken and he was released.

MISSING KEYS
George Fuchs, 2124 Lindell Blvd., reported at 4:30 p.m. Wednesday a black wrought iron key rack containing several keys was missing from his home after a group of his daughter's friends were at the house.

TREATED AT HOSPITAL
David Rollit, 15, Wood River, sustained a cut to his lower lip during a disturbance Sunday and sought treatment Monday at St. Elizabeth Hospital. The cut was closed and he was released.

CAR IS STOLEN
The brown 1972 Ford Pinto of Robert Rippy, 2315 Independence Drive, was stolen from in front of Rippy's home between 10 p.m. Wednesday and 6:10 a.m. today.

HOLIDAY AT COLLEGE
Bellevue Area College will observe Columbus Day on Oct. 10. All offices will be closed and no classes will be held. A regular schedule will be resumed on Tuesday, October 11.

MAN, 65, IS INJURED
Harry Meyer, 66, of 4333 Lake Drive, Ponton Beach, was treated at St. Elizabeth Hospital at 2:35 p.m. Monday for a head injury sustained in an auto accident Monday morning and was transferred to Firmin Desloge Hospital, St. Louis.

CRONIN AT OPEN HOUSE
The SIUE School of Education has scheduled an open house in new facilities Oct. 10 and 20, with State Superintendent of Education Joseph Cronin as the featured speaker.

precincts nine through 12, 468 votes to 58 "no," a 6 to 1 majority.

Ward Six, precincts 24-26, 509 "yes" and 78 "no," with the heaviest vote cast in precinct 26 where 223 voters cast "yes" ballots and 50 voted "no."

The campaign to set aside the ordinance making the office appointive began after petitions bearing 8,400 signatures were filed with the City Council. The campaign was spearheaded by the "Right to Vote" Committee, a citizens' group which was set up in opposition to the idea of appointive offices in preference to elective posts.

The committee sent out literature and assigned speakers to meetings to urge a "yes" vote in the referendum.

Portell, who emphasized that the move was not in his behalf personally, but in behalf of the future of the office, played an active part in the campaign.

Council members who won seats in the April 5 election several times sought repeal of the ordinance that made the office appointive, but were unsuccessful in mustering enough votes to rescind the measure.

Stevens said the election moved smoothly Tuesday and that all results were returned to his office within two hours after the polls closed at 6 p.m.

Precinct 17 in Ward Four, which had a total of only 84 votes, was the first to report to Stevens' office at 6:20 p.m. The last precinct to make its report was precinct five of Ward Two which had 224 votes cast. The judges there brought in their returns at 9 p.m.

An unofficial total vote of 4,963 was cast in the election. This is 24.9 per cent of Granite City's total of 19,862 registered voters.

the election carried on the proposition question.

George Filloff, city attorney, said that an ordinance rescinding the council's action last April that made the office appointive will be prepared for the next regular council session on Oct. 18.

The proposition to retain the office as an elective one carried in all 33 precincts of Granite City by majorities as high as 13 to 1 in the four precincts (five through eight) of Ward Two, and 12 to 1 in Ward Four (precincts 13 through 18).

GC musician forms L-P Music Company

Phil Spence, 3873 Rodney St., has formed the L-P Music Co., and is offering several services to advanced music students and professional musicians, including a "Professional Performance Presentation Program," among others.

Spence, a registered arranger and copyist with the American Federation of Musicians, AFM Local 717, will write piano sheet musical scores from original melodies recorded on tape by an artist.

He also offers a composer

service to lyrics writers and will write arrangements for any instrumentation or vocal setting.

Concerning the "Professional Performance" course for advanced music students, Spence said the program is designed to

provide "polish" and help the individual prepare for a career in music.

Those who can benefit most from this course are individuals planning to enter such fields as teaching music, solo entertainers, church music, ac-

companists for vocalists or groups, and band work, either as a lead performer or backup artist, Spence said.

The program covers styles of music for various engagements, good, workable programming, stage presence and professional conduct, stage clothing and grooming, stage personality and use of a microphone and professionalism, he related.

Spence said he will write in acceptable musical form the "lead" sheet for song writers, explaining such a musical score is required to obtain a government copyright.

He also is offering to compose a melody to original lyrics on a flat fee basis with no royalty sharing involved.

Spence has over 30 years experience in music and public

performance, including school bands, dance bands and combos and as a soloist and entertaining musician.

Spence performed in New York State Guard military band, six years as a choir director and organist, and for six years in junior high and senior high school bands, serving also as student assistant director.

In college, Spence's major was music theory and composition and music education. He also has nine years of private piano, organ and theory lessons.

As a composer, his work in the "pop" field has been recorded and played on many radio stations and in the classical and martial music fields, several of his works have been performed on stage in concert and by bands.

Many private students of Spence's are now working as professional musicians, he noted.

Further details concerning the instruction courses may be secured by contacting Spence at 3873 Rodney St., Apt. 1, Granite City.

MR. AND MRS. FRED WECKER, 538 Meadow Lane, Collinsville, formerly of Granite City, who will mark their 50th wedding anniversary at events planned for Saturday and Sunday.

Golden anniversary of Mr. and Mrs. Wecker

Mr. and Mrs. Fred R. Wecker, 538 Meadow Lane, Collinsville, formerly of Granite City, will be guests of honor at a family dinner on Saturday at the Round Table Restaurant in observance of their golden wedding anniversary.

Mr. and Mrs. Wecker will also receive guests at an open house reception on Sunday from 2 to 5 p.m. in the home of their son-in-law and daughter, Mr. and Mrs. Gary Haskell, 307 Rosemary Drive, Collinsville.

Friends and relatives are invited to attend the Sunday event and the honorees request no gifts be presented, according to a family spokesman.

Mr. Wecker and his wife, the former Margaret L. Payne, were married on Oct. 4, 1927, in Salina, Kan. They resided in Granite City from 1950 to 1954 when they moved to their present address.

Guests honor Franklin Mercer

Franklin Mercer was guest of honor at a party given last week at the Granite City Army Installation and as a class reunion of Granite City High School graduates.

During the afternoon affair a business session was conducted by Elmer Holshouser of St. Louis, class president.

Plans were discussed to have an annual reunion and to invite the January and June classes of 1928 as guests of honor next year in observance of their 50th anniversary.

Among the guests present was Mrs. Harry Faulkner of Lebanon, Ill., formerly of Granite City, who was a member of the first graduating class of the 4-year high school.

Others attending included Mr. and Mrs. Mercer, Mr. and Mrs. Christ Pashoff, Mr. and Mrs. Denny Erlinger, Mr. and Mrs. Craig, Mr. and Mrs. Lawrence

Lindsey, Mr. and Mrs. Fremont Arbeiter, Mr. and Mrs. Oswald Berendt, Mr. and Mrs. Hugh Foster, Mr. and Mrs. James Rich, Mr. and Mrs. Alvah Homan, Mr. and Mrs. John Sanders, Mr. and Mrs. Raymond Hinker, Mr. and Mrs. Bill Jenkins, Mr. and Mrs. McCoy, Mr. and Mrs. Evans, Frank Danforth.

Elmo Gruendfelder, Mr. and Mrs. Chuck, Mr. and Mrs. Grover Norwood, Mr. and Mrs. Clarence Buhr, Mrs. Mildred Farrar, Mr. and Mrs. Kenneth DeKousse, Mrs. Dorothy Ashley, Martell Davis, Judge and Mrs. George Moran, Mr. and Mrs. Holshouser, Mrs. Margaret Vemend, Julius Gieselman, Mrs. Edson Smith, Mrs. Paulette Mueller, Mrs. Russell Johnson, Mr. and Mrs. Alfred Krumsack, Miss Mary Luther, Miss Mary Blackburn and Paul D. Martin.

MR. AND MRS. LOWELL EMERT of Tunkhannock, Pa., formerly of Granite City, who will celebrate their 40th wedding anniversary Sunday at their home.

Mr., Mrs. Lowell Emert to mark 40th anniversary

Former Granite Cityans, Mr. and Mrs. Lowell F. Emert who now reside in Tunkhannock, Pa., will celebrate their 40th wedding anniversary on Sunday at an open house at their home on Valentine Hill.

Other guests will include their son-in-law and daughter, Mr. and Mrs. Ed (Patricia) Dombrosky and children, Paul, Mark, Scott and Lee from Indianapolis, Ind., and their sons and daughter-in-laws, Mr. and Mrs. Alan (Elsie) Emert and children, Michael, Traci, James and Craig of Ironton, Mo., Mr. and Mrs. Robert (Margaret) and sons, Christopher, Timothy and Jonathan of Denver, Colo.

Out of town guests will include their son-in-law and daughter, Mr. and Mrs. Ed (Patricia) Dombrosky and children, Paul, Mark, Scott and Lee from Indianapolis, Ind., and their sons and daughter-in-laws, Mr. and Mrs. Alan (Elsie) Emert and children, Michael, Traci, James and Craig of Ironton, Mo., Mr. and Mrs. Robert (Margaret) and sons, Christopher, Timothy and Jonathan of Denver, Colo.

Reservations available for Holy Land trip

The Rev. and Mrs. Samuel Boda, who have led tours to the Holy Land on two previous occasions, will serve as local tour hosts for another trip to the Holy Land, Switzerland and Italy, scheduled to leave Granite City on Nov. 1.

Deadline for reservations for the trip is Oct. 15 and those interested are advised to call Rev. Boda at 452-6127 or 876-4559.

The local residents will join the St. Louis based Pounds-Shumake tour group for the 11-day trip which will include approximately 150 people.

Those making the tour will fly by TWA from St. Louis to New York and by Pan Am jet from New York to Rome, Italy. From Rome they will proceed by plane to Tel Aviv for the Holy Land and on the return trip will land in Zurich, Switzerland to view the Alpine and Swiss cities and countryside. They will travel by bus from Switzerland to Milan, Italy, and Naples where they will lodge overnight and continue to Rome for the return flight to New York.

According to Rev. Boda those who plan on traveling to Europe will not need inoculations or special visas, only a passport. The tour offers quality accommodations and services including reservations in Jerusalem at the Diplomat Hotel. Three meals a day including a full Israeli breakfast will be served in the Holy Land will be included in the cost.

While in Europe two meals a day will be available, Rev. Boda added.

Temple Baptist Church plans Homecoming Day

The congregation of Temple Baptist Church, 1900 Harris St., Madison, are planning a Homecoming Day to celebrate the retirement of their bond program and the church's 20th anniversary on Oct. 16.

There will be several former pastors who will speak at various services, special singing, sharing of church history, films and slides and a

p.m. basket dinner. All members and former members are invited to join in the celebration, according to Dorothy Taylor, church program chairman. The Rev. Jack Gouy pastors the church.

Friendly Agers plan events

The Rev. Eugene Dutton gave the devotional lesson taken from the fifth chapter of Matthew at a luncheon meeting of the Friendly Agers Club held at the Second Baptist Church.

John Cavins led the opening prayer and hymns were sung by the members. A special song was by Mr. and Mrs. Harold Garin accompanied at the piano by Jack Jenkins.

President Mrs. Mina Duggins welcomed guests Mrs. Eugene Dutton, Betty Lewis, Neva Motesinger, Evelyn Smith, Danna McCoy and Donald Mayberry.

Reports were submitted by the officers during the business meeting and cards were signed for Mrs. Lena Bonnar who is a patient at St. Elizabeth Hospital, and for Mrs. Naomi Rongey, who is visiting with her daughter, Mrs. Joanne Ferrara in Attleboro Falls, Mass.

Plans were completed by the group to visit the Purina plant at Gray Summit, Mo. and to pick apples this month. Dinners were taken to six shut-in members during the dinner hour. Closing meditations were offered by Rev. Dutton.

The next meeting will be at 6 p.m. on Oct. 25 and those planning on attending are to come dressed in Halloween costumes.

Also present were Mr. and Mrs. Otis Mitchell, Mr. and Mrs. John Cavins, Norma Rains, Ethel Cox, Dorothy Barnes, Lena Stephens, Naomi Burnett, Leoda Coblen, Rose Brennan, Virginia Taylor, Mamie Stroud, Jennie Van Dyke, Evelyn Smith, Florence Paul, Bertha Kichler, Marie Boyd, Pearl Peters, Gladys Huggins, Ruby Mayberry and Lois Jones.

SWISS EDUCATOR TO DISCUSS RESEARCH
The River Bluffs Teachers' Center, a project of SIUE, will sponsor an international guest speaker at its seminar Tuesday, Oct. 11, at the Children's House, Eden Church, 903 Second St., Edwardsville.

The speaker, Prof. Hermina deZwart Sinclair, is chairman of the Faculté de Psychologie et des Sciences de l'Éducation of the University of Geneva and a research collaborator of the Swiss psychologist, Jean Piaget. Topic of the session will be Piagetian research and possible implications for education.

MRS. LEONA PARENTE ENTERTAINS CLUB

Mrs. Leona Parente of 1621 Lindell Blvd., entertained the Monday Afternoon Club this week in her home.

High scores in the card games were compiled by Teresa Walkenbach, Belle Kreher, a guest and Myrtle Bruns. Refreshments were served by the hostess to the prize winners and to Margaret Richardson, VI Edwards, Marvel Clover and another guest, Alice King. Mrs. Marie Perry will host the next meeting.

GC Business Women co-host luncheon

The Granite City Business and Professional Women's Club was co-host with BPW clubs from District 14 and 16 at the first annual "KIM" luncheon during the weekend in Carbondale.

The "KIM" designation represents the states of Kentucky, Illinois and Missouri Business and Professional Women's clubs and the luncheon was open to state, district and local level members.

Miss M. Fidella Doolin, current president of the Illinois Federation of Business and Professional men, delivered a message of "motivation and enthusiasm" by elaborating upon her 1977-78 theme, "Smile."

Entertainment at the luncheon was provided by BPW members from Granite City, including LaVelle Stephens, Louise Lewis, Judy McCann, Ollie Derr and Rosalie Stearns. Also attending from the local club were Annellen Smith, state membership chairman, Verna Longley, Pauline Weir, Ruth Walk, Elsie Elmore, Gladys Newman and Marjorie Lambert.

Catherine Burton of Collinsville, immediate past state president, presided.

The theme, "Change, Challenge and Response," emphasized a "hands across the river" program through friendship and commerce.

Wilma Harpole of Chicago, federation first vice-president, brought greetings from other state officers, and remarks were heard from those present.

Working for women through education and programming, the objectives of the Illinois Federation of Business and Professional Women, will be stressed by the "Toolin' with Doolin" caravan of state officers, headed by Miss Doolin, which will tour Illinois during Business Women's Week, Oct. 16 to Oct. 22.

PERSHING BREAK-IN
Nothing was known missing after a break-in at the home of Ruth Perry, 2827 Pershing Blvd., early this week. The rear door glass and storm door glass were broken and a screen was cut to gain entry. Police believe the intruder may have been frightened away when the occupant returned home.

BPW at 6:30 p.m. Oct. 21, Fairview-Edgemont, 7 to 9 a.m. Oct. 22 and Mount Vernon, 10:30 a.m. Oct. 22.

Suggestions for healthy, safe winter

By MARY RICHARDS
Illinois Department of
Public Health
When autumn comes, can
winter be far behind?
Even though the cold weather
isn't with us yet, it's not too
early to start taking
precautions against some of the
potential hazards associated
with the winter months. The
Department of Public Health
has some suggestions that may
help families enjoy a safer,

healthier winter.
For example — before cold
weather sets in — check your
heating system. Faulty heating
systems cause many winter
home fires.
Make sure your furnace is
installed correctly; have it
serviced by a professional. You
should also have chimneys
cleaned once a year.
Loose bricks and mortar
should be repaired, and any
unused flue openings should be

closed with masonry. And, now
is the time to check any por-
table heaters you may use
during cold weather. Check for
frayed cords or broken
filaments, and have necessary
repairs made before you use the
appliance.
Now is also a good time for
some housekeeping that will
help lessen the chance of a fire
in your home this winter. Clear
any combustible items from the
furnace area. Remove any

rubbish you may have ac-
cumulated during the summer,
such as newspapers, boxes, etc.
Sawdust and scraps of wood
are highly combustible and
should be cleared from the
workshop, basement or attic.
Now is the time to prepare for
possible energy shortages
during the cold weather. A
supply of candles or a lantern,
a battery-powered radio,
flashlight, fresh batteries and
an extra supply of food (in-
cluding some that does not
require cooking) should be
stored in an accessible place.

Another precaution to take is
to get your car ready for winter
by making these six safety
checks:
1. Windshield wipers and the
defroster should be in top
condition, ready for prolonged
use.
2. Headlights should be
working, and correctly aimed.
3. The battery and ignition
system should be in A-1 con-
dition for rugged winter starts.
4. The exhaust system should
be checked for dangerous leaks.
5. Tires should have a good
tread.

6. Brakes should be adjusted
and balanced — a must for
avoiding skids.
Finally, get yourself
physically fit before winter
begins. Walking in snow or on
ice, shoveling snow and winter
sports — such as sledding,
skating, skiing and
snowmobiling — are strenuous.
If you think ahead and plan
now for the changes cold
weather brings, you may save
yourself some problems this
winter.

GRANITE CITY PRESS-RECORD Thurs., Oct. 6, 1977 Page 21

30th anniversary of Sweet Adelines

"Share a Song and a Smile
and Celebrate with Sweet
Adelines" is the theme this
week as over 29,000 women
throughout the United States,
Canada, England, Saudi
Arabia, Virgin Islands and the

Panama Canal Zone are
"sharing a song" with local
patients, senior citizens,
shoppers, school children,
nursing homes and civic
groups.

The occasion is the Sweet
Adelines' 30th anniversary
celebration, according to Vi
Cook, an officer of the Sweet
Adelines Collinsville Chapter.
The Collinsville chapter,
which includes members from
the Quad-City area, is one of
more than 650 choruses of the
international organization
dedicated to teaching, learning
and singing four-part harmony,
barbershop style.

Several quartets and double
quartets are entertaining
various groups in Collinsville
and the Granite City area this
week, as part of the celebration.
George Holtzschler, director,
said fraternal, civic and
charitable groups in the area
are invited to contact Ethel
McCann, at 931-3215, booking
chairman, if interested in
having a Sweet Adelines group
perform at a function.

Other "service through
music" of the Sweet Adelines
organization, includes the USO
tour of nine quartets through
Asia and Vietnam, USO-VA
stateside hospital tours,
Canadian National Exhibition
Barbershop Day and benefit
shows in cooperation with
different charitable groups.

Through this sort of
participation, Sweet Adelines, Inc.,
hopes to fulfill its motto to
"Harmonize the World,"
Holtzschler said.

Parents hear school topic

Thirty-five parents of pre-
school and kindergarten
students met last week in the
Venice high school library. It
was the first meeting for the
group which heard a discussion
on the subject, "What you may
expect from the school and the
school may expect from you."

Leading the discussion were
Mrs. Lena Rush, kindergarten
teacher; Mrs. Gwen Duke,
media specialist and pre-school
teacher; and Raymond Mosby,
Title VII home, school and
community co-ordinator.
Also attending the meeting
were Mrs. Marianne Hay,
speech and language specialist;
Mrs. Betty Ballentine, library
and pre-school aide and John
Rush, principal of Venice High
School.

WOMEN'S LIBERATION

FILMS WILL BE SHOWN
Five films covering women's
liberation issues, explored by
contemporary feminist film-
makers, will be shown this fall
during a workshop at Southern
Illinois University at Edward-
sville. The feminist class will
begin Tuesday, Oct. 18, from 7
until 8:30 p.m. in Peck
Classroom Building Room 3313.
Participants will have an
opportunity to discuss the films,
which focus on motherhood, a
study of masculinity in America
and different attitudes on
women's role as a homemaker.
The fee for the five-week course
is \$8.

COCHRAN SELLS HOMES
CALL 877-3900

Let me invite you to attend one
of our worship services. Our
schedule is as follows:

Sunday A.M. . . . 10:00 A.M.
Worship . . . 11:00 A.M.
Sunday Evening . . . 7:00 P.M.
Thursday . . . 7:30 P.M.

I assure you of a rich spiritual
encounter with God. You
probably won't be surprised to
find many of your friends are
already here.

A warm welcome awaits you.

MR. AND MRS. THOMAS W. BANKS. They exchanged wedding vows at Suburban Baptist Church. The bride is the former Miss Karen Joyce Fisher, a daughter of Mr. and Mrs. Roy E. Fisher, 2221 Waterman Ave.

Banks-Fisher wedding at Suburban Baptist

Miss Karen Joyce Fisher, a daughter of Mr. and Mrs. Roy E. Fisher, 2221 Waterman Ave., became the bride of Thomas Wayne Banks, a son of Mr. and Mrs. Wayne Banks, 3203 Newell Drive, in an afternoon ceremony on Sept. 24 at Suburban Baptist Church. Both young people graduated from Granite City High School South. The bride also graduated this year from Southern Illinois University at Edwardsville, and is employed as a secretary at SIU-Carbondale. The groom attended SIUE, and is a former member of the Black Knights Drum Corps. He presently is employed as manager of the Radio Shack in Carbondale. They are now residing in Carbondale.

Escorted down the white carpeted aisle and given in marriage by her father, the former Miss Fisher wore a princess style silk gossamer gown fashioned with at fitted bodice, high neckline and long tapered sleeves of Cluny lace lavishly embroidered with seed pearls. Venise lace motifs were appliqued on the skirt and chapel train which was bordered with a deep flounce of Cluny lace. She wore a beaded lace Juliet cap to secure her fingertip veil of bridal illusion edged with a tulle lace trim, and she carried a colonial bouquet of mums, baby's breath and greenery. Miss Sandra Baker served as maid of honor and bridesmaids were Miss Becky Coker, Miss Ruth Ann Fisher, a sister of the bride and Miss Amy Ellar. They chose identical rust color polyester dresses featuring sleeveless Empire bodices with v-necklines, worn with matching capes with high stand-up collars. Debbie and David Burch were the flower girl and ringbearer. The groom chose Dennis Harris as his best man. Sherman Smith, David Ramey, a cousin of the groom, and Wayne Fisher, the bride's brother, were groomsmen. Escorting the guests to their seats were Alan Fisher, another brother of the bride, and Jim Burch.

Immediately following the ceremony a reception was held in the church Fellowship Hall. A rehearsal dinner, hosted by the groom's parents, was served at Charlie's Restaurant. Both young people graduated from Granite City High School South. The bride also graduated this year from Southern Illinois University at Edwardsville, and is employed as a secretary at SIU-Carbondale. The groom attended SIUE, and is a former member of the Black Knights Drum Corps. He presently is employed as manager of the Radio Shack in Carbondale. They are now residing in Carbondale.

9,338 ENROLLED AT BELLEVILLE COLLEGE
Enrollment at Belleville Area College is up 200 students over last fall, according to BAC Admissions Director, Vincent Margerum. Total headcount this fall is 9,338, compared to 9,225 last year. Credit hours this semester are 70,229, compared to 68,759 during the fall of 1976.

Republican Women elect Mrs. Edna Kohlbrecker

At a dinner meeting of the Granite City Republican Women's Club held Tuesday night at the Grand Cafe, the members accepted a slate of officers presented by the nominating committee.

Those to serve for the forthcoming year are Mrs. Edna Kohlbrecker, president; Mrs. Louise Dutko, first vice-president; Mrs. Lily Ann Firner, second vice-president; Mrs. Gladys Pape, secretary

and Mrs. Eva Meier, treasurer. Mrs. George Walter introduced Mrs. Gertrude Wittig, from Southern Illinois University at Edwardsville, as guest speaker for the evening. Having come to this area on a Fullbright scholarship, Mrs. Wittig added she enjoys the freedom in this country.

The featured speaker announced a campus chapter of NOW has been established and she added a survey reveals that

one half of all mothers work outside of the home. In conclusion Mrs. Wittig played tapes of panel discussions on the pro and con of the Equal Rights Amendment.

Mrs. Kohlbrecker opened the meeting and the invocation was given by Mrs. Bethel Davis. Mrs. Louise Dutko prepared and donated a decorated cake for the affair, which was later won by Lillian Bourbon.

Plans were reviewed for the annual installation dinner meeting to be held at 7 p.m. on Dec. 6 at Bill Burns Cafeteria. Tickets are available at a cost

of \$4.50 per person. Also the Madison County Federation of Republican Women's Clubs will host its fall luncheon from 10 a.m. to 3 p.m. on Monday, Oct. 17, at the Methodist Church in Troy, at a cost of \$3.50 per person, it was noted.

Mrs. Elna Hoover, senior chairman of the Metro East Institution of Lifetime Learning, said sessions will be held from 7 to 8 p.m. Thursday, Oct. 13 at the YMCA. Admission fee is \$1 and the metric system will be discussed, she added.

New members include Hazel Rollins, Margaret Scott, Lois and Linda Wetton.

GRANITE CITY PRESS-RECORD
Thurs., Oct. 6, 1977 Page 25

The president reports the next board meeting will be conducted at 1 p.m. on Oct. 24 in her home, 2422 Center St. and Mrs. Dutko, ways and means chairman, asked members to bring handicraft items to the Nov. 1 meeting. The session will be in at 6 p.m. at Grand Cafe and reservations are being accepted by Ruth Lucas.

Beauty Salon Week show

Beauty salons across the nation this week are observing National Beauty Salon Week with a variety of programs, according to Judy Brosnow, president of Elite Hairdressers Association, Affiliate 33.

Some donate their services to senior citizens in nursing homes, children in orphanages or to women in hospital and those bedfast at home.

Others, through their local professional organization, provide shows for the public, a project which is part of the local affiliate's observance plans, Mrs. Brosnow said.

At 2 p.m. Sunday, the Elite Hairdressers affiliate will stage its annual fashion and hairstyle show at the Granite City Moose Club, 19th and Adams streets.

The affair is open to the public and tickets, costing \$1.50 each, may be purchased from affiliate members, local beauty salons or immediately before showtime at the door.

A percentage of the proceeds will be presented to the Shriners Burn Center, Mrs. Brosnow said.

Willene Gregory is chairman of this year's show, with Julie Ahning serving as co-chairman. More than 50 clothing fashions will be provided by local merchants and hair stylists from Affiliate 33 will present an "extravaganza of fantasy styles" for patrons, the chairmen said.

To mark the celebration, Mayor Paul Schuler of Granite City this week signed a proclamation which reads in part:

"Whereas, National Beauty Salon Week will be observed in our community, as well as throughout the nation during the week of Oct. 2, 1977, by the 64,000 members of the National Hairdressers Association; and

"Whereas, the members of this national professional association of cosmetologists established in 1921, to further the highest standards of professional beauty care, have through their training and creative talents, enhanced and maintained one of our nation's greatest wealths, the feminine beauty of America;

"Now, Therefore, I, Paul Schuler, mayor of the City of Granite City, do hereby proclaim the week of Oct. 2, 1977, as National Beauty Salon Week and commend it and its theme, 'Your Hairdresser Does It Better,' to the attention of our citizens in order to recognize cosmetologists for their dedicated services to the grooming of women for greater beauty."

BEAUTICIANS review plans for National Beauty Salon Week with Granite City Mayor Paul Schuler. Seated are Judy Brosnow, president of Elite Hairdressers Association, Affiliate 33, left, Mayor Schuler and Willene Gregory, chairman of the observance. Second row, Gail Jacobs, left, and Julie Ahning, co-chairman. Miss Jacobs will be among the models to appear in a fashion show, sponsored by the affiliate, at 2 p.m. Sunday at the Moose Club.

Youth conference here Saturday

The Ladies Auxiliary of Bethesda Temple Pentecostal Church, 22nd and State streets, made plans to serve meals Saturday during the "Illinois Youth Conference" at the church.

The project was among others discussed Tuesday at the auxiliary's potluck luncheon meeting.

Services for the young people are scheduled at 10 a.m., 2 p.m. and 7 p.m. Saturday, with guest speakers to appear at each of the special programs.

The public is invited to attend the youth conference, which last year attracted 200 young people to the local church.

Attending the auxiliary meeting were Margaret Jolly, Bonnie Stephens, Barbara Duff, Audrey Watkins, Carolyn Dover, Ada and Norma Tindall, Gladys Ray, Geneva Stephens and Todd, Connie Chromister, Sharon Passig, Norma Oden, Mildred Browning, Sharon Munoz, Dolly Basko and Brenda Browning.

The group will next meet Oct. 18, at 10 a.m.

Elkettes hear Rosalie Stern

The Elkettes Club members heard a program entitled "When Trouble Comes Calling" presented by Rosalie Stern, a representative of the Illinois Bell Telephone Co., Tuesday night.

Mrs. Catherine Michel gave the opening prayer at the meeting held at the Elks Club. President Dean Graf presided and welcomed 29 members.

Forthcoming events of interest to the group include a rummage sale to be held at 2264 Lynch Ave., on Oct. 14-15, according to Mrs. Karmyn Edmonds. Mrs. Helen Schmittauer, chairman of the spaghetti dinner, reported the affair is scheduled for Nov. 5. Mrs. Vesta Campbell and Mrs. Ruth Bischof reviewed a December project and added tickets for the event are now available.

Carolyn Belling won the evening prize and refreshments were served by hostesses Olga Koenig and Marge Hiler.

Cub Scouts tour St. Louis sites

Members of Den Three and Den Eight of Cub Scout Pack 24, from Johnson School, visited the St. Louis Museum and zoo during the weekend and also toured Jefferson Memorial.

Those attending enjoyed a picnic lunch on the grounds near the zoo and purchased a zoo patch to be worn on their vests.

The group included Paula Gonterman, Linda Fannings, John Hergert, Bobby Fannings, David Gonterman, Jeff Turnbough and Larry Viedman of Den Three and Vicki Hergert, Sandra Lynch, Howard Lynch, Mike Lynch, Richard Shinnac, Tim Davis and Mike Fenoglio of Den Eight and guests, Robin Fannings, Mary and Tammy Hergert, Harold Gonterman.

Maryville Open House tonight

Open House at Maryville School will be held at 7 p.m. today to be preceded by a PTA meeting when the staff and teachers at the school will be introduced by Jack Mulach, principal.

A short explanation on the independent reading programs will be given followed by tours of the students rooms by the parents.

PTA memberships costing \$1 per person will be available during the evening, according to the principal. All parents are invited to attend, he added.

Party honors Lisa Young

Lisa Marie Young celebrated her sixth birthday, at a party given during the weekend at 2545 Buenger Blvd., by her mother, Mrs. Judy Young and grandmother, Mrs. Ruby Young.

Games were played and prizes awarded to the winners followed by cake and ice cream. Guests attending were Brian Jones, Alan Lenz, Chad Little, David Chapman, Kim Wilson,

Jodi Williams, Missy Jones, Jenny Rea, Laurie Melton, Abigail Adelberger, Robbie Young, the honoree's brother, and Mrs. Nancy Leifer and children Kristy and Matthew from St. Charles, Mo.

Later in the evening a family supper was served to Mrs. Mary Povalny, Robbie Young and Mr. and Mrs. Robert Young, Mr. and Mrs. Freddie Young, and Mrs. Marie Povalny.

Party honors Mrs. McDowell

A surprise party was given during the weekend to honor Mrs. Lois McDowell on her 25 years service in the office of Dr. G. T. Wilkins, Dr. S. Ahmehd and the late Dr. Benjamin Berman.

Hosting the festive affair were Mr. and Mrs. Wayne Robinson, 2104 Amos Ave. They used fall colors for the table appointments and served a buffet dinner during the evening.

Guests attending were other employees and their husbands, Mr. and Mrs. Larry McVoy, Mr. and Mrs. Mike Buckingham, Mr. and Mrs. Nick Andra, Mr. and Mrs. Jack Trittich, Mr. and Mrs. Jack Grosswasser, Mrs. Mary Ann Mushill and the honoree's husband, Glen McDowell.

OPERATING HOURS AT UNIVERSITY CENTER

SUE has announced University Center operating hours for the fall quarter. The center will be open from 7:30 a.m. until 10 p.m. Monday through Thursday. On Fridays, the building will remain open from 7:30 a.m. to midnight. Scheduled hours for Saturdays are 9 a.m. until midnight. The center will be open from 5 p.m. until 10 p.m. on Sundays. The recreation area will open at 2 p.m. Sundays, but patrons are to use the south entrance next to the visitors' parking lot.

Beginning Monday, Oct. 10, the University Book Store will be open from 8 a.m. until 7 p.m. Monday through Thursday, and 8 a.m. to 5 p.m. each Friday.

Brownie Troop investiture

Brownie Troop 281 of St. Margaret Mary School held an investiture ceremony on Monday for Vanessa Chomko, Tracy Cruse and Lori Wyatt. The group met at the school and also welcomed a new member Amy Smith, who received her World Association pin.

During the meeting "be a ready helper" patches were presented to Monica Bautsch, Nina Beyer, Stephanie Cruse, Mary Flanagan, Michelle Manlove, Amy Mason and Tammy Zimmerman.

Also present were Nicole Bautsch, Cindy Brown, Jennifer Cruse, Kara Kosydr, Stephanie Petras, Gina Spiroff, Kathleen Zinn and leaders, Marilyn Beyer, Sue Bautsch, Mary Beth Chomko and Pat Wyatt.

Bake sale to aid fund for youth

A bake sale to aid the Lonnie Easter fund will be held Saturday from 9 a.m. to 6 p.m. outside Kroger store in Nameoki Village Shopping Center.

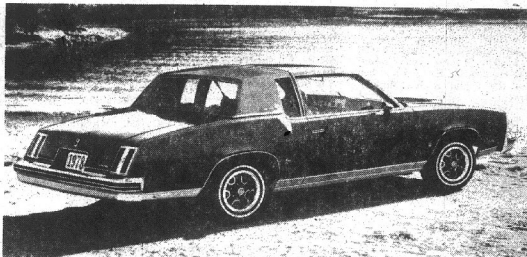

Sponsoring the sale are three school friends of the injured youth, Chuck and Irene Speece and Debbie Smith.

Lonnie, 15, was injured seriously when struck by a train March 16 in Granite City. His right arm was severed, his legs were broken in 11 places, his ribs were crushed and he also suffered a head injury.

Lonnie is a patient in Room 411 at St. Elizabeth Hospital. A fund has been established at post Granite City National Bank to help the family in meeting medical bills which now exceed \$40,000.

YOUNG WOMAN IS HURT

Mary Drennan, 15, of 2329 Edison Ave., was injured when she fell from a motorcycle about 5:45 p.m. Monday. She was x-rayed, treated and released from St. Elizabeth Hospital with an abrasion to her left elbow and other injuries.

1978 OLDSMOBILE Cutlass Supreme Brougham, one of the new Olds automobiles displayed starting today at Woodmore Oldsmobile, 1905 Madison Ave. Bill Woodmore Jr. reports that Cutlass, a completely redesigned intermediate car, highlights the 1978 lineup. Oldsmobile again is offering six distinct car lines — Starfire, Omega, Cutlass, 88, 98 and Toronado — with 25 models. The new Cutlass is more fuel-efficient, offers interior and luggage roominess and improved handling and riding comfort. The average weight reduction for sedans and coupes is 657 pounds. The goal in redesigning the Cutlass interior was better space utilization while maintaining or increasing passenger comfort. More head and leg room is provided in both coupes and sedans.

'Y' to begin family nights

The YMCA will initiate a "Family Night" program every Friday night, beginning this week.

Each family night will start at 6:30 p.m. with the showing of films.

They will include some Disney nature films, films about national parks, biographical and art films such as "Leonardo da Vinci," comic and silent film classics such as Laurel and Hardy and Charlie Chaplin, films on aviation and the universe, fairy tales and legends and other short subjects.

The films for this week are "The Ballad of the Iron Horse and the String Bean."

The films will be followed by activities in the gym, starting with volleyball, and in the arcade with pool, air hockey, ping pong, chess, and checkers until 9 p.m.

A family swim is scheduled from 8:15 to 9 p.m.

LOCAL HAIR STYLISTS. Sheila Diak, left, and Brenda Cant, who have completed a three day educational seminar in hair care and styles presented at the Red Carpet Inn, St. Louis. Both are employees at the Lion's Mane in Granite City.

Four charges filed

Mark D. Meyers, 20, of 2816 Emzee Ave., was charged with aggravated battery, resisting arrest, disorderly conduct and failure to show his driver's license on demand of an officer after a disturbance near Meyers' home at 12:55 a.m. Wednesday in which two Granite City police officers were hurt.

Patrolman Roger Hayes, 25, said he followed a car several blocks from Rock Road and Cavaga Street, lost sight of it, and then saw it again stopping in front of 2816 Emzee Ave.

Hayes drove his squad car beside the driver and questioned him. The driver allegedly was uncooperative, used profanity, refused request to see his driver's license and walked away from the squad car.

Hayes got out and again demanded to see the driver's license and alleged the man then got loud, yelled more profanity and started to walk away again.

Hayes said he grabbed the man by his arm and told him he was under arrest. The man allegedly pushed Hayes and said he was not going to be arrested.

Patrolman Kenneth Crawford arrived at that time and the two policemen struggled with the man. Hayes was hit and kicked on the upper chest and right shoulder and Crawford was punched on his mouth and kicked several times.

Additional officers arrived and the man was handcuffed and arrested.

Hayes went to St. Elizabeth Hospital for x-rays and was released.

PARKED CAR STRUCK

Miss Diane Paschedag, 17, of 4537 Walter Ave., was injured when her auto, parked in the 2100 block of Johnson Road, was struck from behind by the auto of Charlotte Hulett, 2023a Johnson Road, at 5:30 p.m. Tuesday, according to official reports. Miss Paschedag was x-rayed at St. Elizabeth Hospital for neck pain and was released.

SECRETARIES WEEK. Mayor Paul Schuler signing a proclamation designating Oct. 9-15 as National Educational Office Personnel Week, in the presence of Mrs. Lucille Caban, president of the local chapter of the National Association of Education Secretaries.

Low bidders lose Madison purchases

A contract to furnish a cab and chassis for \$17,950 was awarded Tuesday night at a meeting of the Madison City Council to B. E. Hohl Ford Co. The Key Equipment Co. was awarded a contract in the amount of \$12,127 for a refuse packer to go with the cab and chassis.

The two items are being purchased by Venice Township for the city of Madison.

Low bidder for the cab and chassis was Brodhead Ford of East St. Louis at \$17,744. Alderman Don Reeves said the purchasing committee recommended the higher bid because the chassis was slightly longer and the Hohl company is more available for service when needed. Matthews Chevrolet bid \$18,368.

Armour Equipment of Overland, Mo., and Matthews Chevrolet both bid \$11,755 for the refuse packer. Reeves said that the city of Madison had done business with Key Equipment before "and it is the opinion of the purchasing committee the company was always fair and we have had very little maintenance with past equipment purchased from them."

Bids were opened from Brodhead Ford, B. E. Hohl, Able of Chicago, Jim McCarty of Yorkville, Ill., and Towers of Freeburg, Ill., for the purchase of a new fire truck.

On the recommendation of Alderman Reeves the bids were referred to the purchasing committee for further study and consultation with the fire chief.

Two bids for roofing the fire department, \$5,867 by Quad City Roofing Co. and \$4,525 by Lakeside Roofing, also were referred to the purchasing committee for further study.

Bo Beuckman Ford of Collinsville was awarded a contract as low bidder for two police cars for \$8,520.

In other action the council approved continued cooperation for 1977-78 with the Madison County Community Development program; approved three firemen attending a conference in Decatur, Oct. 21, 22 and 23, with \$200 expenses per man, and authorized the Madison Lions Club to establish a road block at Sixth Street and Madison Avenue for its annual candy drive to help the blind on Oct. 14 and 15.

E. 23rd link moved

The east end of East 23rd Street near Lake School is being moved to the west approximately 200 feet. This will put the E. 23rd intersection with the E. 23rd intersection and the Marvyn Road intersection with Highway 162 approximately 45 feet apart.

Both lanes of E. 23rd will turn more sharply to the right toward Highway 162 just past Louisa Street.

Traffic lights will be installed at the new access point of East 23rd Street as well as at Marvyn Road.

Access to East 23rd will be made available to cars and buses going to and from Lake School.

A former "Y"-shaped merger of East 23rd and Edwardsville Road was eliminated this week.

Hospital notes

Patients admitted to St. Elizabeth Hospital Tuesday: Gail Fritzsche, Granite City; Joyce Elias, GC; Susan Hult, Caseyville; David Giger, GC; Robert Garner, GC; Patricia Riley, Brooklyn; Tammy Aiello, GC; Caroline Novels, GC; Sam Caruso, GC; Paul Moore, GC; Vern Nilsson, GC; Doris Walker, GC; Ruth Eicher, GC; Edward Moad, GC; Barbara Castillo, GC; Anita Drewry, GC; Leasha Cox, GC; Betty Bruske, GC; Robbie Grider, GC; Patricia Davis, GC.

Frances Tingley, GC; Ola Kirk, Edwardsville; Robert Anderson, Collinsville; Wanda Angle, GC; Floyd Rabey, GC; Mae Hogue, Madison; Sharon Hartline, GC; Mark Doolittle, GC.

Man hit in eye is treated at hospital

Jerry Jackson, 2829 Warren Ave., Apt. 1, was struck and sustained a cut and bruise to his left eye while attempting to get the license number of a maroon van at Rock's Tavern, 26th Street and Madison Avenue, at 10:25 p.m. Wednesday.

Jackson said a man came into the tavern selling kidney Foundation pins. Jackson, who is familiar with the foundation, said pins are not normally sold in bars, especially at that time of night.

The man left the tavern and Jackson followed him outside to get the van's license number. He said the license plates were from Alabama, but before he could get the number, something struck his left eye, injuring it. Police took him to St. Elizabeth Hospital where he was admitted.

\$18,000 River Festival deficit

Preliminary attendance, income and expense figures for the 1977 Mississippi River Festival were announced Wednesday by Lyle Ward, managing director. The annual summer series of performances is held on the campus of Southern Illinois University at Edwardsville. The deficit decreased but was still a substantial \$118,000.

Some offices

(Continued from Page 1)

Courthouse in Edwardsville, all of which will be closed. While there will be no mail delivery Monday, the post offices will provide service for bookshelves. City offices in Granite City, Madison and Venice will remain open Monday, as will most stores in the Quad-Cities. The Granite City Press-Record will publish on regular schedule Monday.

Ice rink

(Continued from Page 1)

be held each Wednesday from 9:30 to 11:30 a.m. The Park District will hold trouts for skate guards at the rink in Wilson Park on Saturday from 7 p.m. until 9 p.m.

Anyone trying out must be at least 16 years old and a resident of the district. Applicants must be able to skate both backward and forward and be able to assist those who need help while on the ice.

Trouts for skate guards will be for all those who are interested, even though they have not filled out an application form previously. Everyone must bring his own skates to the Saturday night trout, it was noted.

Pictures for Park District identification cards will be taken tonight from 7 to 9 at the ice rink.

The cost of an ID card is \$1 and the card is valid for three years. Persons interested in getting a card should bring some type of proof of residency with them, such as a current utility bill with their address on it.

Identification cards are considered useful in reserving tennis courts, paying reduced rates at the swimming pool and the ice rink, and for other activities throughout the year, a park spokesman said.

Instructional ice skating classes for children, starting at age four, are designed to meet the skating interests and abilities of ice skaters.

The Ice Skating Institute of America concept of recreational skating is closely followed to insure that ice skating is relaxing and enjoyable while at the same time providing a different approach to exercising and physical fitness, it was explained.

Classes will offer Pre-Alpha, which is for beginners and those who have never skated before; Alpha, which is for someone who has skated before but has never taken lessons; and Beta and Gamma for skaters who have demonstrated advanced proficiency and who skate backward and forward and do turns.

The Freestyle is for skaters who pass the above three tests and are ready to learn jumps, spins, footwork and various advanced movements.

There will be seven sessions in this program and the cost for residents with identification is \$3. Non-residents pay \$7.50. There will be three sessions during the season, the first from Oct. 15 through Nov. 28.

The second session is from Dec. 3 through Jan. 21. No classes will be held on Dec. 24. The third instructional session will be held Jan. 28 through March 11.

All instructional skating classes will be held on Saturday mornings from 10:30 to 12:30. Registration for the first session will be Oct. 11 through Oct. 15 at the ice rink.

A special skating session is scheduled from 1 p.m. to 3:30 p.m. Monday, Oct. 10, due to schools being closed for Columbus Day. Regular admission rates will be charged.

Non-performance activities included a greatly expanded Summer Music Institute and Dance-Institute programs, an arts and crafts residency, and lecture demonstrations by performing artists.

Highlights of the season included the Nikolaus Dance Theater, the St. Louis Symphony with Henry Mancini, Bob Hope, and Vireca Lindors' theater performance of "My Mother, My Son." The largest attendance was 13,195 for the Ozark Mountain Farewell.

Ward said the Festival management had been challenged to develop a 1977 season which would eliminate incidents which had been reported in previous seasons.

He said the resulting elimination of alcoholic beverages, scheduling of fewer rock music groups and emphasis on family entertainment did accomplish the goal, with no significant security or safety problems being encountered.

"Attendance, however, fell 21,500 persons below the projected 135,000, which will result in an MRF deficit of \$94,000 and a university facility operation deficit of \$24,000," Ward announced.

The managing director emphasized that Festival and facility expenses totaled nearly \$17,000 less than projected levels.

The MRF experienced a 1976 season deficit of \$164,000, of which \$70,000 has been paid to external vendors from a special fund drive and the balance is owed to the university.

Ward said the 1977 Festival season realized \$114,000 in contributed income to support fine arts activities. The contributions included \$22,500 from individuals and businesses in this region.

Area volunteers also raised \$42,000 through sale of season coupon books.

The Festival season and possibilities for the future are currently under review by MRF and SIU officials.

Ward said the Festival corporation will consider all possible alternatives at its October board of directors meeting. No action is anticipated by the SIU Board of Trustees prior to the trustees' November meeting.

The Board approved continued participation in a Department of Vocational Rehabilitation work experience program and related job training in the GCHS South special education program.

A four-hour in-service program for administrators and board members was scheduled for Oct. 17 on the philosophy of the gifted student program, identification procedures and implementation alternatives.

Paul Greve was designated as head of the coaching staff at Coolidge Junior High School and Mike Hagopian as assistant basketball coach at Prater Junior High.

Marlene Brandt was hired to teach a half-day each day and to spend the other half-day in the Frohardt School learning center.

Leaves of absence were granted to two school employees, Marcia Blankenship and Mary Jane Davis.

The board accepted the Niedringhaus Parent-Teacher Association's gift of a used refrigerator to accommodate ice packs and to store throat culture.

Permission was given to dispose of surplus cafeteria, industrial arts and maintenance equipment.

Admission fee for sectional and sectional soccer tournaments will be hosted by GCHS North and South were set at \$1 for adults and students.

'IF COLUMBUS' SHIPS
HAD SUNK' DISCUSSION
The History Club, a student organization in the department of historical studies at Southern Illinois University at Edwardsville, will sponsor a panel discussion Monday at 1:30 p.m. in Room 6314 of Peck Classroom Building.

Topic of the panel discussion will be "If Columbus' Ships Had Sunk." The seminar is free, and the public is invited to attend. Refreshments will be served following the discussion period.

1978 CHEVROLET MONTE CARLO, a mid-size luxury car, and all the other Chevrolets for 1978 are on display beginning today. It has been announced by Milton Mathews, owner of Mathews Chevrolet, located at Niedringhaus and Madison avenues, Granite City. The perennial best-seller, Chevrolet is avoiding a "stand pat" approach despite its success and popularity. Emphasis continues to be placed on innovative approaches to the goals of roominess, fuel economy, handling ease and riding quality.

TERRI DETERDING
Queen

Her school activities include being a cheerleader four years for soccer and basketball, senior editor of the yearbook staff and a member of the Red Poppers.

After graduation, she plans to continue her education at college.

When not busy at school, Terri's hobby is sewing. Goldschmidt, who will be 18 on Friday, is the son of Mr. and Mrs. Donald Goldschmidt, 2025 Delmar Ave.

Goldschmidt has lettered soccer for four years and plays the sport every chance he gets.

MARK GOLDSCHMIDT
King

George Smolich, who was promoted two weeks ago in the Granite City Fire Department to the rank of shift commander, was named assistant fire chief by the Granite City Council last night.

Prior to being named a shift commander, Smolich served as a captain in the department. When Shift Commander Al Brandes retired Oct. 1, a shift commander vacancy existed, which was filled by Smolich's promotion to that position.

Engineer Robert Sanders filled the captain vacancy and Pipeman William Herbert was promoted to engineer.

Richard Woods Jr. was named a probationary fireman. The assistant chief vacancy was created by the retirement of Charles Hileman and last night's council action included a series of promotions and another hiring.

Capt. Harry Hileman filled the shift commander vacancy, Engineer James Reiter was promoted to Captain and Pipeman Thomas Jenkins was named an engineer.

The council also approved the hiring of Philip Heath, who has been serving with the city's ambulance service, as a probationary fireman.

Terri Deterding, Mark Goldschmidt South queen, king

"I couldn't believe it," was the reaction of Granite City High School Senior Terri Deterding when she heard her name announced Wednesday evening at the coronation of the Homecoming queen and king and presentation of the court in the South auditorium.

Mark Goldschmidt was chosen as king.

Terri, 17, is the daughter of Mr. and Mrs. Donald Deterding, Rural Route One, Box 337, Troy.

Her school activities include being a cheerleader four years for soccer and basketball, senior editor of the yearbook staff and a member of the Red Poppers.

After graduation, she plans to continue her education at college.

When not busy at school, Terri's hobby is sewing. Goldschmidt, who will be 18 on Friday, is the son of Mr. and Mrs. Donald Goldschmidt, 2025 Delmar Ave.

Goldschmidt has lettered soccer for four years and plays the sport every chance he gets.

Promote five in Fire Department

George Smolich, who was promoted two weeks ago in the Granite City Fire Department to the rank of shift commander, was named assistant fire chief by the Granite City Council last night.

Venice tutoring

The SIUE Community Involvement Project (CIP) is sponsoring tutors for students in the sixth grade in the Venice school district.

The one-on-one tutoring service will begin Wednesday, Oct. 19, at 7 p.m. in the Venice Recreation Center. There is no charge for the service.

The tutoring provides motivation for the children — children who need support outside the classroom session" according to Mary Louise Brown, coordinator of special programs at SIUE.

"The program can only be as large as the number of tutors we have," she added.

The project is a support program by the Venice school system through Title VII of the Educational Act. Georgia Fallwell is counselor with the Title VII program in Venice.

Any student interested in the tutoring service may contact Larson and Elise Roberts or Mary Louise Brown at 692-2526.

Betrothals and wedding plans of Quad-City couples

BRIDE-ELECT. Miss Mary Elizabeth Favier whose engagement to Michael David Goodrich is being announced by her parents, Mr. and Mrs. John G. Favier, 2100 Amos Ave. An April wedding is being planned.

Goodrich-Favier engagement

Mr. and Mrs. John G. Favier, 2100 Amos Ave., are announcing the engagement and forthcoming marriage of their daughter, Miss Mary Elizabeth Favier to Michael David Goodrich, a son of Mr. and Mrs. Donald Goodrich, 2 Nelson Drive, Granite City.

Miss Favier, a 1977 graduate of Granite City High School South, is employed at St. Elizabeth Hospital as an admitting clerk.

Her fiancé was graduated in 1976 from North High School and he is in his second year of schooling at North County Technical School. He also is employed as a tool and die apprentice at Eberhardt Tool and Machine Co., St. Louis.

Plans are being completed by the betrothed couple and their families for an early April wedding to be solemnized at St. Elizabeth Catholic Church.

MISS COLLEEN COCHRAN whose engagement to Robert Miller is being announced by her parents, Mr. and Mrs. Clifford Cochran, 2223 Delmar Ave. An Oct. 29 wedding is planned.

Colleen Cochran is engaged

Mr. and Mrs. Clifford Cochran, 2223 Delmar Ave., are announcing the engagement of their daughter, Miss Colleen Cochran to Robert Miller, a son of Mr. and Mrs. Lowell Miller, 1 Rose Lane.

Both young people attended Granite City schools. Miss Cochran is employed as an accounts payable clerk for the Welsh Baby Carriage Co., St. Louis.

Her fiancé attended Southern Illinois University at Edwardsville, and is presently working for the Hillery-Clements Co., St. Louis.

Plans are being completed by the betrothed couple for a wedding on Oct. 29 at Niedringhaus United Methodist Church.

ENGAGED. Miss Vicki L. Smith and her fiancé Thomas W. Boyd. Their betrothal and plans for an August 1978 wedding is being disclosed by her parents, Mr. and Mrs. Cleveland Smith, 2805 Willow Ave.

David Harkeys observe 15th year

Mr. and Mrs. David (Nancy) Harkey celebrated their 15th wedding anniversary this week with a backyard barbecue at their home, 817 Thorngate Drive.

Among the guests were the honorees' children, David Jr., Karla, Kathy and Jason, and their parents, Mr. and Mrs. Joe (Della) Harkey and Arnold Storey, all of Granite City, and Mr. and Mrs. Joe (Melba) Medley of Paducah, Ky.

Other friends honoring the couple were Mr. and Mrs. Mike (Leah) Eaves and daughter, Zoe Ann, Doe Anne Storey, Tim Brynes, Mr. and Mrs. Randy (Linda) Storey and children, Lisa, Robbie and Randy Jr., all of Troy.

George Storey, Mr. and Mrs. Gary (Sherrill) Storey, Mr. and Mrs. Curt (Audie) Wofford and daughters, Dennie and Monica, Joey Harkey, Mr. and Mrs. Frank (Kathy) Hansen and children, Christie and Mike, Mr. and Mrs. Dave (Helen) Powderly and son, Bart Douglas.

Mr. and Mrs. Gene (Phyllis) Smith and daughters, Nikki and Robyn, Mr. and Mrs. Darvin (Betty) Thornton and daughter, Mary Ann Stanfill, Mr. and Mrs. Art (Pauline) Gibbear and daughter, Kay Ellen and granddaughter, Jennifer, Jerrie Ritchie, Ilene Gray, Marie Bauer, Kathy Milkovich, Elaine Cookson, Ilene Gray, Marie Bauer, Kathy Milkovich, Elaine Cookson, and Mr. and Mrs. Fred (Sharon) Wilson and Ralph Rudolph, all of St. Louis.

Boyd-Smith betrothal told

Announcement is being made by Mr. and Mrs. Cleveland Smith, 2805 Willow Ave., of the engagement of their daughter, Miss Vicki L. Smith, and Thomas W. Boyd, 206 Grand Ave.

The prospective groom is a son of Mr. and Mrs. William Boyd of Dover, Tenn., formerly of Granite City. He graduated from Granite City High School South in 1975, and is now employed as a machinist with the

East St. Louis Casting Co. Miss Smith is a senior student at South High School and also works at the Kiddie Korner Nursery.

Plans are being completed by the betrothed couple for an August 1978 wedding to take place at Sacred Heart Catholic Church.

School of Information for PTA officers held

A School of Information, District 28, Parent and Teacher Association, was conducted by Phyllis Currins Thursday at Grigaby Junior High School.

The meeting was designed to assist local units in instructions for officers and chairmen. Each one attending received an informative booklet on the topic and after a briefing by Mrs. Currins, workshops were set up according to specific offices.

Heading the workshops for presidents was Mrs. Ula Brazier, a past district president from Alton; for secretaries was Mrs. Virginia Apperson, district secretary and treasurers and ways and means chairmen was Robert Kirgan, district board member, the latter two are from Granite City.

Others assisting were Mrs. Dorothy Baker, board member and vice-president of the local Area Council and Mrs. Millie Rudder from Jerseyville Area Council, which she heads. She also invited the group to attend the fall conference to be held on

Nov. 9 at the Illini Junior High School.

Also attending were Donna Logree from Benld, Ill., Linda McGee, president from Wilson School, Sylvia Woods, delegate from Wilson; Bill Smithson, legislation chairman from Wilson; Jim Jeffries, principal and Parent Education chairman for GCAC from Webster School; Ellen Steen, publicity GCAC and ways and means chairman R. D. Johnson School.

Julie Gates, vice-president and ways and means chairman GCAC from Maryville School; Darlene Eppers, president from Hartford School; Laurie Egelhoff, secretary from Medora School; Sue Loy, program chairman from Medora; Oliver Loy, president from Medora; Josephine Bodie, member Venice school; Alvester Salmond, president from Venice; Jessie Harmon, secretary Venice; Thelma Bradley, Flodia McThee, and Veria Mae Arnold, all of Venice.

TO MARRY. Miss Terry Lynn Griffin who will be married late this month to Keith LeGale at the Pontoon Baptist Church. Their engagement is being announced by her parents, Mr. and Mrs. Larry Griffin, 2915 Pershing Blvd.

Terry Griffin bride-to-be

Plans for a late October wedding were disclosed with the engagement announcement of Miss Terry Lynn Griffin and Keith LeGale by the bride-elect's parents, Mr. and Mrs. Larry Griffin, 2915 Pershing Blvd.

The groom-elect is a son of Mr. and Mrs. Virgil LeGale, 2251 Shirlene Drive. He graduated in 1974 from North High School and is presently employed by his father in the plumbing business.

Miss Griffin was graduated this year from South High School and currently works for Edison Brothers in St. Louis.

The betrothed couple will be married at the Pontoon Beach Baptist Church.

COIN CLUB SHOW

The Land of Lincoln Coin Club will hold its October coin show and flea market Sunday at the Nameoki Recreation Center, Pontoon Road and Franklin Avenue, from 9 a.m. until 4 p.m. Antique furniture will be featured in this month's show. Admission is free.

Decisive support for retaining street office as elective

Retention of the office of superintendent of streets as an elective position received decisive support in Tuesday's balloting in Granite City, a vote of 4,514 "Yes" to 449 "No" in the unofficial tally.

Conclusions are that most voters want a direct voice in picking the street official, and that the present superintendent, Lionel Portell, has retained the popularity that initially won him the position six years ago and that led to his re-election two years ago.

In the City Council meeting that followed the balloting vote to change the street office to appointive, one of the speakers asserted that "even the dogcatcher" should be elected by the people. We disagree with that extreme, and think that cluttering up the ballot with an excessive number of offices could confuse and "turn off" voters, who need all the encouragement they can get to

participate actively in governmental matters.

Many voters did indicate Tuesday that they want to avoid vesting wide power in the office of mayor, instead assuring that his leadership role is fulfilled by "gentle persuasion" with various officials rather than through executive decisions.

With eight of the present 14 aldermen having attempted to return the street superintendent post to elective status without an election, it would appear that the municipal legislative body has substantial ability to block executive proposals.

Of course, if such negative power is exercised for unworthy purposes, it could "backfire," just as did the April 26 anti-elective ordinance.

An anti-administration tide clearly is rising, and may continue. If it is put to inappropriate use, however, it is equally clear that the public has the ability to reverse the tide's uptrend.

Press freedom key to all the other American freedoms

National Newspaper Week will be observed this year on Oct. 9-15, with the 1977 theme, "Freedom is in our hands." The week has been noted annually since 1939.

The objective of Newspaper Week, promoting to readers the unique concept of press freedom, is one that needs to be kept in mind each day throughout the year.

There is evidence that some members of the public have lost touch with the idea that the press should be free and uncensored. This is a dangerous trend; if it is not corrected, the system could lose much of its effectiveness.

It was Thomas Jefferson, third President of the United States and founder of the Democratic Party, who said that, if given the choice, he would prefer newspapers and no government, rather than

government and no newspapers. A fully-informed citizenry could construct a democracy, he felt, but a nation lacking free speech was doomed to tyranny.

The late U.S. Senator William E. Borah once said, "If the press is not free, if speech is not independent and untrammelled, if the mind is shackled or intimidated through fear, it makes no difference under what form of government you live — you are a subject and not a citizen."

The public stands to lose much if adherence to the defense of individual freedom crumbles. At stake is everyone's citizenship, identity and liberty. Freedom of the press — in President Jefferson's time, in Sen. Borah's era and today — remains the keystone of all the other freedoms.

Mopeds legalized in Illinois; emphasis on safety needed

Press-Record Springfield Bureau — The unusual little vehicle that you can operate by pedaling or by turning on the motor—commonly called the Moped—is creating quite a flurry of consumer interest.

It is relatively cheap to buy (\$300 to \$600) and extremely cheap to operate (150 miles to the gallon).

Because it has a top speed of 30 miles an hour, most people automatically regard it also as relatively safe.

Whether or not something is safe naturally depends on the common sense of the person using it. While we recognize the value in the Moped's economical transportation, at the same time we believe there is a need for operating the vehicle with caution.

Some see the Moped as primarily a recreational vehicle. No doubt it will be a fun machine, but the economy it provides also will make it attractive as a means of transportation.

Unfortunately, legislation passed by the General Assembly and signed by Gov. James Thompson making mopeds legal did not include regulations normally applicable to motor vehicles—probably because the lawmakers were as confused as everyone else as to whether this is a glorified bicycle or a miniature motorcycle.

Some restrictions were applied. Moped

drivers must be licensed and the vehicle itself must be licensed. The license fee is \$12 and a title costs \$3.

In addition, the Moped must be used on the street and not the sidewalk. But that is the extent of it.

Moped drivers do not need to wear eye protection or pass special motorcycle driving tests. Lights are not required on the vehicles.

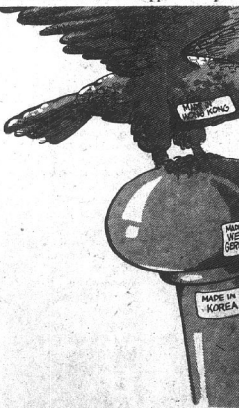

Thus, operating a Moped is going to require a little extra dose of common sense. Drivers must realize that while their vehicle cannot go much faster than a bicycle, this does not automatically make it safe.

In fact, it could prove to be a hazard because the operator may find it difficult to keep up with traffic.

It is necessary to observe normal rules of the road when operating a Moped. But beyond that, we suggest the operator take special care to drive defensively.

The Moped can be a lot of fun and it can become an economical mode of transportation. We urge those operating one to remember they are not driving an automobile or motorcycle and they are not riding a bicycle.

They have something unique that they must treat with the precaution anything new requires. If that is done, the Moped will not become a safety hazard on our streets.

Lambert flight delays cited

Following is the comment by the St. Louis Metropolitan Area Airport Authority staff regarding massive delays at

Lambert Field on Friday night, Sept. 30.

The Authority is responsible for developing a new major

Nameoki wants sanitary district board member

The Nameoki Township Democratic Precinct Committee's organization sent a letter Tuesday to Madison County Board Chairman Nelson Hagnauer asking that

Nameoki Township resident be appointed to the Metro-East Sanitary District board should Madison County qualify for an additional trustee.

Under state law, the five-member board includes three members from the county with the higher assessed valuation and two members from the other. Using this law, St. Clair County has controlled the district since its inception in 1907.

New assessment figures for this year show Madison County now has the higher assessed valuation and should assume the majority on the board, but a St. Clair County board member has filed suit challenging the constitutionality of the law and blocking a Madison County takeover of the one trustee position.

The committee of Nameoki Township during the weekend voted to have Mrs. Helen Hawkins prepare and send a letter to Hagnauer requesting that, should he win

the authority to appoint a third member, he considered someone from Nameoki Township.

It was noted the two current members, Russell Robinson from Granite City and Leonard Hyla of Madison do not live in unincorporated areas such as Nameoki Township where the most serious drainage problems are occurring.

The appointment can not be made until after the current lawsuit has been resolved and appeals exhausted.

In other business, the Nameoki committee recommended that Loren Madison of Pontoon Beach be appointed Democratic precinct committeeman in the new Precinct 10, and Marilyn McKeehan be the committeeman in the new Precinct 12.

Hagnauer will appoint the new committeemen after the recommendations. After the April election, the Madison County Board divided some precincts to

had into two precincts to serve in Nameoki Township. The new Precinct 10 is a portion of the former Precinct Nine and the new Precinct 12 is a part of the old Precinct Six.

19th overpass called essential

Statement Monday to the Illinois Commerce Commission, regarding Granite City's 19th Street railroad crossing:

BY SENATOR SAM VADALABINE
My name is Sam Vadalabine. I reside in Edwardsville, and I am a state senator representing the 16th District of Illinois. I have held that office for the past seven years and prior to that time served as state representative for four years.

During all of my public service I have been keenly interested in the promotion of safety at railroad crossings in my district and throughout the state.

I firmly believe in, advocate and practice the implementation of the stated purpose of the legislature of the state of Illinois to "eliminate tragic train-automobile accidents which have occurred in Illinois and particularly in the area which I serve."

I have appeared before this Commission on numerous occasions advocating installation of safety devices and construction that would separate railroad grade crossings from vehicular and pedestrian traffic.

It is well recognized that the best approach to accomplishing safety at railroad grade crossings is to separate vehicular traffic from the rail crossing by overpass or by overpass.

To this end, the Illinois legislature has required a portion of the motor fuel tax revenue to be transferred to the Illinois Department of Transportation grade crossing protection fund.

"The fund is used by the Department of Transportation

— upon order of this commission — to pay that part of the cost of overpass or underpass construction to the state to cover the interest of the statewide public, in the use of highways, roads and streets in relation to separation of grades."

I am familiar with the Granite City area, which city lies within the district I serve. And I am particularly familiar with the Niedringhaus Avenue and 19th and 20th Street crossings in Granite City.

I know that the railroad tracks crossing these thoroughfares cut off the west portion of the city from the downtown area and from the outlying areas of Granite City.

At present, there is no overpass or underpass available for regular, commercial or emergency vehicle or pedestrian traffic across these railroad tracks in the City of Granite City.

I personally have on a number of occasions been delayed by railroad trains crossing these intersections or by railroad trains which have been halted across these intersections. And I have witnessed the blocking of vehicular traffic and pedestrians desiring to communicate between the west portion and the central part of the city.

On the basis of my personal experience and on the basis of my conviction that wherever possible grade separations should be accomplished, I urge this commission to favorably consider the request of the City of Granite City for a contribution from the Department of Transportation grade crossing protection fund to order contribution to this improvement by the railroads involved.

airport for the St. Louis region at an 18,650-acre site at Columbia-Waterloo. The site has been approved by the federal government, which also has filed an approved environmental impact statement for the site.

Some federal funding for land acquisition has been authorized. In the spring of 1977, Secretary of Transportation Brock Adams put a temporary freeze on further funding. At the time, however, he expressed serious doubts and concerns about the potential of Lambert to meet the region's needs by 1980.

"Friday night's massive delays at Lambert Field show the demands that even in 1977 can be placed on St. Louis airport facilities by poor weather conditions and scheduling fluctuations — both here and elsewhere in the nation's airport system."

"As one of the major hubs in the system, St. Louis is a natural location for being called on to handle periodic heavy demands arising from a variety of operational problems within the system."

"As air schedules increase through normal growth, the demands on St. Louis will mount, as will the opportunities for greatly expanded air service — if the region has an airport that can handle the load."

"Moreover, the site has ample room for expansion to handle routinely traffic loads far greater than those that overwhelmed Lambert last Friday."

It possibly be made — at the limited Lambert site — that will significantly increase its capacity above what it can now handle.

"Lambert's lack of potential for meaningful increase in capacity is in sharp contrast with the capabilities that will be achieved at Columbia-Waterloo."

"With only its first phase of runway and instrument installations, the Columbia-Waterloo airport could have easily handled Friday night's volume at Lambert without any delays."

"Moreover, the site has ample room for expansion to handle routinely traffic loads far greater than those that overwhelmed Lambert last Friday."

Another 'sudden shift' by Lambert

The following statement was presented by Illinois members of the board of directors of the East-West Gateway Coordinating Council at the Sept. 28 meeting. The statement relates to a proposal by Lambert Field to seek 3-1 federal matching money to buy parcels, primarily residential, adjacent to the airport.

+++
The Illinois members of the Council believe that present federal laws and regulations prevent the Gateway Council from supporting the sudden request from Lambert Field to buy various parcels, including 141 residences west of Lambert. The governing laws and regulations prohibit such major purchases without an approved environmental impact statement, an approved relocation plan for the families affected, and an approved master plan for the area.

+++
The present 1970 master plan is obsolete and the Parsons Master Plan is not approved. Neither an environmental impact statement nor a relocation plan for the families affected, and an approved master plan for the area.

+++
The Parsons Plan is the matter that deserves priority attention and review, not an isolated quickly put-together proposal to spend \$3,400,000 in federal funds and \$1,100,000 in Lambert monies for properties that will not improve safety or capacity at Lambert.

relocation plan have been prepared for the proposed parcels. Similarly, no business, commercial and industrial properties that are heavily populated many hours of the day.

+++
The only valid basis for buying the properties would be because they are in the high noise impact area around Lambert — but so are thousands of other homes.

+++
The true interests of airport safety and the region's aviation future lie in proceeding to acquire the federally-approved Columbia-Waterloo site before it is no longer available — and to get an approved master plan for Lambert's indefinite future as the area's major airport and its longer-term service as a very busy general aviation airport.

+++
Note: The FAA's definition of a "clear zone" for a precision approach runway is a trapezoidal area beginning at a point 200 feet from the runway end, a width of 1,000 feet, extending out 2,500 feet to a width of 1,750 feet.

Warning causes speeder to reform

To the Editor:

The City of Venice should be very proud of the type of people who live within the boundaries of that one city who warned me about speeding last week is any example.

I was amazed when I heard their cheer behind me, and pulled over.

I admitted that I probably was going over 30 — since it's a bad habit, easy to get into when you drive the same route to and from work each day, and are usually in a hurry.

But I asked him where I was when he asked my speed. He told me, and informed me I was even going 45.

At his request, I showed him my driver's license, and was then expecting to get a ticket, when I learned I deserved.

Instead, he politely asked me if I would please take it easy from now on when going through Venice. Naturally, I vowed to do so.

usually in a hurry.

But I asked him where I was when he asked my speed. He told me, and informed me I was even going 45.

At his request, I showed him my driver's license, and was then expecting to get a ticket, when I learned I deserved.

Instead, he politely asked me if I would please take it easy from now on when going through Venice. Naturally, I vowed to do so.

It was a surprise to me how hard it is to stay under the speed limit, which I attempted to do all the rest the way home — and since that day, as a matter of fact.

I'm still working at it, but just felt that the courtesy and kindness demonstrated by this police officer deserved special recognition. Venice can be proud.

REFORMED GC SPEEDER

Wants to know financial transactions

To the Editor:

In view of the recent Bert Landfair and national focus on the financial dealings of government servants, shouldn't the taxpayers demand the same high principles locally?

This past summer, several articles appeared concerning payments made to a pharmacy owned by the mayor of Granite City.

Is Midtown Pharmacy the sole supplier of drugs to Madison County? If not, what percentage of business is obtained in relation to other suppliers?

National Guard call-up pay raised

To the Editor:

There are 10,178 Illinois Guardsmen-Naval Militiamen reaching from this page to the next in thanks to your paper for supporting our recent letter-to-the-editor, asking reader backing for the Guard-Naval pay change.

Thanks, also, to your readers for their urging the Illinois General Assembly to amend the law, changing the daily minimum state active duty pay from \$25 to \$40.

This measure has been signed into law by Governor Thompson. It means many thousands of Illinois Guardsmen-Navalmen will suffer less of a financial loss while on emergency duty — public service for natural or man-made disaster, helping grief-stricken families during fires or tornadoes, enduring long hours well beyond the normal working day, away from their families.

Our understanding of fellow citizens that the sacrifices these good neighbors make for the common good of the community is most encouraging. During these inflationary times, when all-volunteer recruitment-retention is so serious, you can be sure this pay change will help.

As the only trained military back-up for local civil authority

when disaster strikes and the governor calls, we must have a strong and ready Guard and Naval Militia.

Your support and the grassroots response from your readers, we are sure, did much to bring HB 629 into law. Our heartfelt thanks.

MARVINE ALLESSE
Major, RNC (Ret.)
Chairman
National Guard Association of Illinois

and debris, and worked until late that evening.

I would like to publicly thank them for doing such a fine job.

Abortion the leading cause of death

To the Editor:

The entire month of October has been designated as Respect Life Month — in an attempt to bring to the attention of the public the evils of abortion.

Supported by the infamous Supreme Court decision of 1973.

In effect, this decision has determined just who should be called a "person." It is horrifying that any group would falsely and arrogantly claim to have supreme power over life itself — deciding just who will live and who will die.

Let's recall a few facts on death in the United States.

If we had to answer the question, "What is the leading cause of death in the U.S.?" what would the answer be? Is it war? Auto accidents? Heart disease? Cancer?

No. It's abortion. Since our country was founded over 200 years ago, there have been 268,000 American battle deaths. In just one year alone (1972), there were over 600,000 American babies lost through abortions. That's over one loss of life per minute.

The question, to seriously think about during October is, "How sacred is a human life?"

If by just one decision the Supreme Court can wipe out an entire age group, namely, the unborn — that is, the unwanted unborn — then isn't it logical to assume that another Supreme Court decision could possibly define another group of persons as unwanted — for example, the elderly, the sick or the mentally or physically handicapped?

Will we live long enough to die naturally?

IGNATIUS SHAMRO
O'Fallon

NEW FORD FOR 1978. The all-new Ford Fairmont is now on sale at B.E. Hohlft Ford, 1837 Madison Ave., Granite City. Expected to become the Ford Motor Company's top-selling car line in 1978, Fairmont is offered in a full-range of two- and four-door sedans and

four-door station wagons, representing a new generation of Ford products designed for fuel economy, handling and passenger comfort. "Offering mid-size roominess at an affordable compact price," Hohlft comments, "Fairmont is one of the most exciting new car lines ever introduced."

Parade, football game mark South homecoming

The Granite City High School South Homecoming parade will be held Friday at 2:30 p.m. under sponsorship of the Student Council.

Floats will be entered by the band, Queen and Escort, Lettermen's Club, Red Peppers, Science Club, Art Club, vocal music department, girls' track team, National Honor Society, teachers, electric shop and social studies classes.

Prizes will be awarded to the three best floats.

Judging the floats on the South football field prior to the parade will be Mayor Paul

Schuler, Jake Hinterser, park board member; Joseph Federa and Gerald Brown of the school district staff and Dewey Milton, a school board member.

The route of the parade will be from Fehling Road by the football field east to Namecki Road, then to Madison Avenue past the school to 27th Street, right on 27th Street to Benton Avenue and back to the starting point.

Today at 8 p.m. will be the second presentation of "Godspell," the homecoming play which will be followed by the presentation of the queen and

king. Tickets for tonight's performance have all been sold. A special performance of "Godspell" will be presented at 7 p.m. Saturday without the presentation of the queen and court.

"Tame the Tigers" is the South Homecoming theme and song. Following the parade, the homecoming dance will be held in the cafeteria with "Allspice" furnishing the music.

GRANITE CITY PRESS-RECORD
Thurs., Oct. 6, 1977 Page 31

CHAIRMAN OF NATIONAL HYPNOSIS CONVENTION
Raymond Klauer, counselor in the Student Development Services Office at Southern Illinois University at Edwardsville, has been named chairman of the 1978 annual meeting of the American Society of Clinical Hypnosis, to be held in St. Louis next fall. The ASCH is a national scientific medical society of the American Medical Association, an affiliate of the American Association for the Advancement of Science, and a member organization of the World Federation for Mental Health.

At the university, he conducts seminars in hypnosis and meditation, helping students improve their study habits through concentration and reducing anxiety associated with test-taking.

THEATER DANCE GROUP AT SUE THREE DAYS

Viewers will experience classical ballet, modern dance, jazz and rock when the Theater Dance Collection of New York performs at SUE Wednesday, Oct. 12. The show in the Communications Building theater will begin at 8:15 p.m.

The group will be at the university three days, conducting classes and programs. On Monday, Oct. 10, the dancers will perform a 30-minute "teaser" at noon in the Goshen Lounge of the University Center. At 4:30 p.m., a ballet master class will be conducted in Meridian Ballroom. A modern master class is scheduled for 12:30 p.m. Tuesday, Oct. 11, in the ballroom and there will be choreographic workshop at 2:30 p.m., also in the ballroom.

The classes are open to the public to observe. Intermediate and advanced students of the department of theater and dance will participate.

Response good in funding suit against 17—Partney

Madison County Board Member Daniel Partney of Granite City said today he has received good support in a fundraising drive to finance a lawsuit against 17 other county board members who voted to reject an apparent low bid on the repair of sheriff's department vehicles.

Partney said he has received \$140 cash, in addition to the \$100

he has donated himself, for a total of \$240, "but we have had numerous promises of donations. Enough that I feel confident the suit will be filed Wednesday, Oct. 12," Partney told the Press-Record.

Using a little-known law he does not believe has ever been used before, Partney contends each Madison County Board member found to have "willfully

neglected his duties" must forfeit \$200 for each offense. He contends 16 board members were negligent in voting to reject a low bid for sheriff's cars maintenance from Bowell's Pro Tune-up of East Alton and 17 then were negligent in voting to accept a bid of nearly \$2 per hour more for the work from Bo Beckman Ford of Collinsville.

Both actions were taken at the board's Sept. 21 meeting and Partney said his attorneys are considering whether to file the suit alleging one count or two counts of negligence for the 16 who voted wrong, in his opinion, on both votes.

Chouteau Township Supervisor Walter "Dick" Sparks, who voted in favor of the Bowell bid, but then voted for Beckman after Bowell's bid was rejected, also will be included in the suit, Partney said, as will Madison County Board Chairman Nelson Hagnauer of Granite City. "If he signs the contract with Beckman Ford," Partney said his fund drive must collect at least \$500 before the suit will be filed and he feels the legal battle will cost closer to \$1,000.

He is asking persons to send donations to him at 2601 Edison Ave., Granite City, 62040, pledging that all funds received will be publicly accounted for and will be refunded if the suit is won.

"If we win the suit, we will ask the court to order the defendants to pay all the court costs and attorney fees, so we will be able to refund all the money to those who donated for this court fight," he stated.

He also said the fight will be filed in his name, so he will be the only one responsible should a counter-suit or other legal challenge be launched.

He said the suit also will ask the court to nullify the County Board's contract with Beckman Ford and award it to the apparent low bidder.

Mrs. Shirley Greer joins exercise staff

Interest in the newly-opened exercise room at the Madison Memorial Center, Seventh and Lee streets, Madison, has resulted in adding Mrs. Shirley Greer to the staff to co-ordinate the women's program, it was announced today by Sam Dymas, recreation director.

The room is open for women Monday through Friday from 9

a.m. until noon and on Tuesday from 7 p.m. until 9:30 p.m. For men the schedule is Monday through Friday 1 p.m. until 3:30 p.m., and Friday from 7 p.m. until 9:30 p.m.

Organizations may schedule the room on Thursdays from 7 p.m. until 9:30 p.m. The cost of using the facilities is \$2 per visit or a yearly membership of \$75.

Shrine Oriental Band plans benefit auction

The Oriental band of Ainsd Shrine will hold its first annual auction to benefit the children at Shrine hospitals.

The event is scheduled at the Moose Lodge, Highway 111 and 143, Wood River from 1 p.m. until 7 p.m. Sunday, Oct. 16.

"This is our first auction in what we plan as an annual event to help our hospitals, Avery Schermer, director, said.

"Anything purchased at the auction is of course tax deductible and persons will be furnished with a certificate of sale."

"The Shrine always has been appreciative of the support

from the public of our children's hospital and are looking forward to support for this project.

"Any one wishing to donate an item may do so and this also would be most appreciated. Of course, it goes without saying, cash donations to help our hospitals are always welcome and a member of our band would be more than happy to take time to pick up a check," Schermer said.

Persons wishing to donate antiques or collectible items are asked to call any of the following Oriental band members: James Allen 877-4150, Carl Roach 877-1843, or Schermer 875-7194.

Fall Fest

Rock bands, a hayride, games and a circus are only a few of the events in the 1977 Fall Fest, scheduled Oct. 10-15 on the Southern Illinois University at Edwardsville campus.

Fall Fest is co-sponsored by the Major Events Council and University Center Board. Commencing the week-long activities will be a bike rental at 10 a.m. Monday outside the University Center. The Rock Band, Griffin, will perform in the University Center Goshen Lounge at noon.

Monday's activities will end with a hayride and bonfire at the Tower Lake Recreation area, beginning at 8 p.m. Tuesday's festivities will include a bike rental at 10 a.m. outside the UC. The Black Student Association Choir will appear in the Goshen Lounge at noon.

Events scheduled in the university's hairpin drive Tuesday include a tug-of-war at noon, water balloon fights at 12:30 p.m. and "some new games" at 1 p.m. A "party for kids" is planned at the Tower Lake Commons Building, beginning at 3 p.m. Tuesday.

Chairsmen, reapportioned were Henry Gabriel, community pride; Warren Decatur, crime prevention and control; Melvin Wilmsmeyer, downtown development; George T. Wilkins Sr., education; C. E. Blankenship, governmental affairs; Richard Kerch, high way, traffic and transportation.

Walter Shuran, labor-management; Carl Matzke, industrial development; Leo Konzen, personnel; Herman Schroeder, play day; Kenneth Evers, public relations; Andrew Gitchoff, real estate and insurance; David Partney, sewers and drainage; Richard

Finds youths in kitchen

Clarence Coggins, 2635 Madison Ave., was awakened at 12:30 p.m. Wednesday by noises in the basement of his home and when he investigated, he confronted two youths who had come from the basement into the kitchen.

He said he asked the youths what they wanted, and they said, "I'm looking for Mark." Coggins noticed one youth was holding a pointed metal can opener and ordered him to drop it.

Both youths then ran past Coggins and out the front door, south on Madison Avenue. Nothing was stolen. Coggins noticed wood boarding up a broken rear basement window had been kicked in to gain entry.

INTRODUCING THE 1978 CHRYSLERS. NEVER BEFORE HAS THERE BEEN SUCH A LUXURY OF CHOICE

LeBaron 2-Door

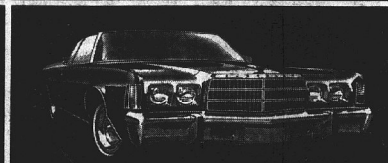

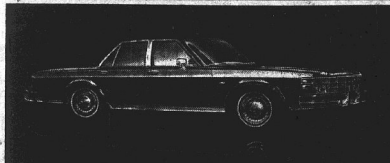

A personal car inside and out. Should you be looking for a sleek, personal car this year, make Chrysler LeBaron your choice. LeBaron 2-door comes with many personal appointments of luxury. Overhead lighting. Velour seats. And soft leather seating is available on the Medallion model.

Cordoba
The ultimate personal car. Cordoba has been the choice of many discerning car buyers. This year's Cordoba is the ultimate personal luxury car. From its classic lines, to its impeccable luxury, to its affordable price, Cordoba has the utmost consideration for quality.

LeBaron 4-Door

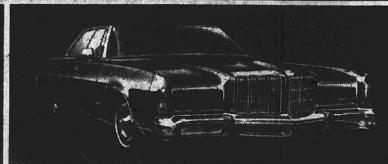

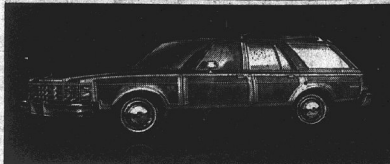

Luxurious and affordable. The nice thing about LeBaron is the way it satisfies your taste for luxury but still has regard for your budget. The luxurious LeBaron pictured is equipped with a padded vinyl roof, available wire wheel covers, and much more. It comes with many of the same comfort and convenience features you'd find on \$12,000 sedans. But LeBaron can be yours for many thousands of dollars less.

Newport
So much Chrysler for so little. There are those of us who demand full-size comfort. Then, there are those of us who demand value. Newport has managed to combine both. For 1978, Newport offers you standard features like power steering and brakes, steel-belted radials, rich foam cushions, even the Electronic Lean Burn engine.

LeBaron Town & Country

There are many new wagons, but there is still only one Chrysler. If you have a family, or just like the feel of a wagon, this could be your choice for 1978. LeBaron Town & Country is a more efficient size luxury wagon. But don't let that fool you. It has 90 percent as much passenger space as last year's full-size Town & Country.

New Yorker
The feel of luxury and a sense of value. New Yorker's always had a knack for bringing pleasure to the demanding car owner. This year's New Yorker literally surrounds you in comfort. Whatever type of luxury you want for 1978, the choice is up to you. Stop in and see us. We have the deal you want on the car you need.

Coming Events 31

"TURKEY SHOOT: Starting noon every Saturday and Sunday. By-Pass Lounge, Maryville and Chain of Rocks Road. 31 10 6

That as a person who may be owner of said property this action has been commenced against you by the City of Granite City, Illinois, for demolition or repair of the one-story frame residential building on said premises under the authority contained within Article VII, Section 6 of the Illinois Constitution of 1970 and Ordinance No. 3069 of the City of Granite City, Illinois, an "Ordinance Regulating Dangerous and Unsafe or Uncompleted and Abandoned Buildings."

Unless you put said building in a safe condition or demolish it within 15 days of the date of this public notice, the City of Granite City, Illinois, will make application for a Writ of Injunction to the Circuit Court of Madison County, Illinois, commanding you to demolish said structure, or, in the alternative, 2. furnish immediately satisfactory repair of the structure can be safely repaired within a date certain, or, in the alternative, 3. seek authorization and permission for the City of Granite City, Illinois, to abate the said building by demolition and wrecking the said structure at your expense and recover expenses and costs incurred from the sale of salvage material, if so, far as they may or will recover, and have the balance decreed to a Judgment or Decree to be a lien upon said real estate.

ROBERT W. STEVENS, City Clerk
DATED this 27th day of September, 1977.
No. 30 34 9 23 10 6

1,003 new laws; 182 amended

Governor James R. Thompson, who has completed action on the 1,332 bills sent to his desk by the General Assembly, approved 1,003 and vetoed 147.

Included in the actions taken by the governor was amendatory vetoing of 118. In addition, Thompson used a reduction or line-item veto on 64 others.

Signs at gasoline filling stations advertising the price of fuel must reflect the actual pump price and the type of product sold, under House Bill 1897, newly signed by Gov. Thompson. It requires station owners to include all state and federal taxes in the advertised price.

The governor used his amendatory veto power to provide more stringent protection to the victim in a rape case under provisions of HB 760. Under the bill as amended by Gov. Thompson, it will be easier to prosecute alleged rapists.

The governor vetoed HB 1185 which, he said, would have had the effect of lessening the penalty for rape. He deviated sexual assault, HB 637, signed by Gov. Thompson, adds medical services for rape victims to the list of services provided under the Illinois Department of Public Aid.

PRE-ELECTION RALLY is pictured Thursday evening. Present were citizens who viewed Tuesday's special election in Granite City as a challenge to "preserve the public's right to vote on a city office, superintendent of streets." It was asserted that if the position becomes appointive, it would be a step toward "concentration of power in a few individuals."

Arrest boys in purse snatching

A youth with shoulder-length blond hair walked behind Elita Hurst, 2817 Madison Ave., at 4:25 p.m. Saturday, grabbed her purse and ran between two houses in the 2800 block of Madison Avenue.

Mrs. Hurst, who was walking north on Madison Avenue at the time, was unnerved by the incident and an ambulance was called to take her to St. Elizabeth Hospital for treatment.

The purse was recovered by

an officer in the alley between Madison and Grand avenues a few minutes after the robbery. A short time later, police learned the identity of the purse snatcher, a 16-year-old Granite City youth, and took him into custody at 5 p.m. at his home.

The youth showed officers where he threw some keys and a red wallet from the purse in the 2900 block of State Street.

The purse snatcher implicated another youth who had waited for him in a car on Grand Avenue.

The second youth was taken to police headquarters by his parents for questioning and released pending further investigation by detectives.

A "detention without warrant" petition was filed by police against the first youth.

Faces charge of cannabis possession

James Danny Filkins, 24, of 125 Voight Place, Mitchell, was arrested and charged with illegal possession of cannabis at 3:50 a.m. Saturday, when the auto he was driving without license plates left a downtown motel and was halted at 20th Street and Cleveland Boulevard by a Granite City officer and a member of the Metropolitan Enforcement Group (MEG).

A guitar case found on the rear seat of the car allegedly contained a prescription bottle filled with white powder, in addition to the instrument.

Also allegedly in the car were a white sack containing four clear plastic bags of marijuana and a brown paper sack with three plastic bags of marijuana inside. Street value of the marijuana was estimated at \$220.

Reports to Keesler base

U.S. Air Force Staff Sergeant Ernest A. Trawick III, son of Mr. and Mrs. Ernest Trawick, 2414 Iowa St., Granite City, has arrived for duty at Keesler Air Force Base, Biloxi, Miss.

Sgt. Trawick, an aircraft control and warning radar repairman with a unit of the Air Force Communications Service, previously served at Sparrevohn Air Force Station, Alaska.

The sergeant is a 1970 graduate of Granite City High School. His wife, Victoria, is the daughter of Joseph Votoupal, 1213 Iowa St., Madison.

Command shift Oct. 1; new leader named

Major General Robert E. Sadler, 52, has been named by the secretary of the Air Force to become commander of the Air Force Communications Service (AFCS).

He succeeds retiring Major General Robert H. Burris, AFCS commander since Aug. 23, 1975, as the ninth general officer to head the 48,000-member major air command. He will officially become commander of the AFCS Nov. 1.

The move of the Air Force Communications Service headquarters from Richards-Gebaur Air Force Base, Kansas City, to Scott AFB, Belleville, which commenced Aug. 22, is on schedule.

Approximately 800,000 pounds of office equipment and furniture have been moved so far and 400 personnel have reported to Scott.

On Oct. 1, the direction of worldwide communications and air traffic control operations for the Air Force and other government agencies will be accomplished from Scott.

An additional 300 military personnel are expected to arrive at the new headquarters in the next two weeks.

Pontoon Beach & Stallings
MRS. LUCILLE MARTIN
4010 Breckinridge Lane
931-0731

Mr. and Mrs. Richard Johnson and daughters, Thelma and Lynn, have returned to their home in Kansas City, Mo., after a weekend visit with her mother, Mrs. Leta Kollenburg of Pontoon Road.

REV. WATKINS TO TALK
The Rev. Carl Watkins, pastor of the Walnut Street Baptist Church in Carbondale, will begin a revival meeting Sunday, Oct. 9, at the Pontoon Baptist Church. Rev. Watkins is well known in this area, as he is a former pastor of the Third Baptist Church in Granite City. He will be accompanied by David Overstreet, a musical evangelist and gospel singer of the Elm Street Baptist Church in Murphysboro.

MISS GREEN HONORED
Miss Kimberli Green was the honored guest at a party given by her parents, Mr. and Mrs. Tom Green, in their home Sunday.
A ballerina theme was used. Guests included her brother, Tommy, Mr. and Mrs. Roy Green, Mr. and Mrs. Skip Watson and children, Scott and Christina, Mr. and Mrs. Charles Dewese, Miss Shelli Sullivan, Mr. and Mrs. Les Galloway, Kenny Ingram, Bill Crockett and Mr. and Mrs. Thomas Martin.

Honored at a birthday party here last week, Mrs. Are Richardson, visiting here from Texas, celebrated her 89th birthday.

MUSEUM TO BE OPEN
Although most State of Illinois offices will be closed Monday, Oct. 10, in observance of Columbus Day, the Illinois State Museum at Springfield will be open. The museum will also be open to visitors on the traditional date of Columbus Day, Oct. 12.

Shortage of farm storage space seen

By ROBERT ESTILL

Press-Record
Washington Bureau

There may be no room at the bin. That is the gloomy prospect for some Illinois corn growers, as well as producers of other commodities where market prices are lower than federal loan rates.

Farmers are facing a shortage of storage space at county elevators and warehouses, and the problem is expected to become more acute in 1978.

Rep. Edward Madigan, R-Ill., is fearful the 1977 Illinois corn crop will not clear the warehouses before the 1978 crop arrives.

Madigan, whose Central Illinois district is a top corn producer and includes many elevators, is pressing the Agricultural Conservation and Stabilization Service to change its rules to shorten that time in warehouses for commodities held in storage against government loans.

So far, the U.S. Department of Agriculture has not indicated if it will go along with him.

The basic elements of the problem are simple: too much corn selling for too little, with too few places to store it.

In the forecast is a 1977 corn crop of 6 billion bushels, excluding a 400-million-bushel carryover from 1976. The USDA is predicting the 1977 carryover will be 900 million bushels.

Farmers can qualify for government loans by purchasing their corn at market prices are less than the loan rates (set at \$2 a bushel in 1978) the farmer can forfeit his corn to the government at the loan rate instead of repaying the loan.

Madigan said a contributing factor to the expected shortage of storage space is a rule enacted by the USDA which provides that the commodity remain in storage for 11 months from the time the federal loan is negotiated.

Most of these loans are negotiated in October or November. That means, unless the farmer decides to sell his crop and repay the loan in the meantime, it will still be in the elevator or warehouse when the next year's crop is ready.

Madigan wants to see the storage period shortened so that the 1977 crop can be moved out before the 1978 crop is moved in.

Until several years ago, the rule was that unsold corn remained in storage until July 31, but former Agriculture Secretary Earl Butz switched to the 11-month rule.

It was little noticed because corn was selling well on the market, and comparatively little corn was being placed in storage as security for government loans.

But, with prices down and government commodity loan rates increased by the new farm bill, the outlook is for more loans and more grain in storage.

"I think there will be grain on the ground in some places," said Madigan, a member of the House Agriculture Committee. "In some areas where there

are high yields, you are going to be sending grain on sidewalks and streets."

The rule change would be of primary benefit for 1978, but it could provide immediate relief because some elevators are reluctant to store grain for 11 months under current conditions, Madigan said.

Grant Vuntrock, director of price supports and loans in the ASCS, said he recognizes the problem and expects to make a decision in about a week.

Vuntrock said he does not expect a "great problem" with the 1977 crop but concedes there probably will be more government loans and more grain in storage in 1978.

He said the argument against using a set date, such as the former July 31 date for corn, is that prices can be driven downward if it all comes on the market at the same time.

Scottish Rite council honors area Masons

The annual meeting of the Supreme Council for Scottish Rite Free Masonry for the Northern Jurisdiction of the United States came to an end Thursday with the announcement of four area men to receive the conferral of the Thirty-Third Degree in Cincinnati, Ohio, in 1978.

The meeting in Pittsburgh also saw four area Masons receive their honors and white hats of their office.

The Masons named to receive their degrees next year are Edward C. Bieser of Collinsville, Larry A. Ward of Cahokia, Lloyd M. Setzekorn of Nashville and Russell J. Maxwell of Millstadt.

Those who received the honors last week were Tom Barschak of Edwardsville, James H. Dupont, Fred L. Stille of McClure and Charles H. Wagner of Belleville. They were nominated in 1976.

Edward C. Bieser, a native of Collinsville and senior office planner for the Monsanto Co.,

St. Louis office, has spent much of his life in Masonic work. At present he is executive officer of the DeMolay for Illinois, plus one of eight members of the executive committee of the Supreme Council of DeMolay.

Bieser is a past master counselor of Ascalon Chapter, Order of DeMolay of Collinsville, and holds the Chevalier Degree award as well as the Legion of Honor and Cross of Honor of DeMolay. He is also an active member of the International Supreme Council of DeMolay, plus serving as an advisor for the 1977-78 Congress of DeMolay.

He is a member of Collinsville Lodge 712, is a past high priest of Unity Chapter 182 Royal Arch Masons, and is past three illustrious master, Collinsville Council Royal and Select Masters, also of Collinsville.

He is a member of Purly White Shrine 119, Collinsville. Bieser also is a member of the Tancered Commandery of Belleville and served as first president of the Ainal Shrine DeMolay Unit.

Lloyd McKinley Setzekorn, Nashville, a retired rural mail carrier, is a member of Washington Lodge 55 and served that lodge as Secretary for 21 years, plus a term as worshipful master. He holds a gold honor award from the York Rite Bodies. After carrying mail for 25 years, he retired in 1968.

A member of Ainal Shrine Temple, he belongs to Salem Council at Centralia, the Royal Arch Bodies at Nashville and Patton Commandery 69 at Mt. Vernon and has served as district deputy grand master for the past six years.

James H. Dupont, Collinsville, is a member of the Royal Arch Bodies at Nashville and Patton Commandery 69 at Mt. Vernon and has served as district deputy grand master for the past six years.

Charles H. Wagner, Belleville, is a member of the Royal Arch Bodies at Nashville and Patton Commandery 69 at Mt. Vernon and has served as district deputy grand master for the past six years.

He is a member of the Royal Arch Bodies at Nashville and Patton Commandery 69 at Mt. Vernon and has served as district deputy grand master for the past six years.

He is a member of the Royal Arch Bodies at Nashville and Patton Commandery 69 at Mt. Vernon and has served as district deputy grand master for the past six years.

Larry Albert Ward, Cahokia, is a cashier at the Bankers Trust Company of Belleville. He has spent the last 16 years in the banking business and is a graduate of the American Institute of Banking, St. Louis, where he has also served on the board of governors.

A member of Gothic Lodge of Cahokia, he has spent much of his time in DeMolay activities since he started with DeMolay as a young man. He was a master counselor for A. D. Manners Chapter, Order of DeMolay, as well as serving as dean of the Egyptian Precatory, Legion of Honor.

At present he is chapter dean of Lewis and Clark Chapter, Order of DeMolay, at Cahokia. Boy Scout counselor of Troop 891, he also finds time to work with the directors staff at Ainal Temple, having filled the office of president recently. He is a hospitalier in the Cahokia Council of Princes of Jerusalem as well as sentinel of the Mississippi Valley Consistory.

The last of the four recipients to be coronated in 1978 is Russell J. Maxwell of Millstadt. Administrator at Ainal Shrine Temple since the latter part of 1969, the former newspaper photographer started his Masonic career in DeMolay with the Lewis Henry Clapp Chapter in Jacksonville.

He became a member of East Lodge 504 on his return from the

ONLY 15 MINUTES FROM THE GREAT GRANITE CITY AREA

Air Force in World War II in 1946 and has worked in many facets of Masonry since.

He fathered the "bonds for braces" program which has raised more than \$2 million for the Shriner's Hospitals for Crippled Children since it was started years ago.

Maxwell put together the Amvets "Wardrobe" program, for children of soldiers who never returned, having lost their life for their country.

It was his idea to name the Veterans Memorial Bridge in East St. Louis to honor all men who fought and died for their country. The bridge since has been renamed for Martin Luther King Jr.

Maxwell assisted in building the educational program of the Shrine, with the help of 30 Shrine clubs in Southern Illinois, where today the nobles of Ainal Temple are the number one temple in patient recruitment, based on the population count of Southern Illinois of the 181 Shrine temples in North America.

Maxwell is a member of the

GRANITE CITY PRESS-RECORD

Thurs., Oct. 6, 1977 Page 43

York Rite Bodies, which include East St. Louis Commandery 81. He received the DeMolay Legion of Honor award in 1981, and the Shrine named a ceremonial after him for his labors in behalf of Masonry. He served as president of the Ainal Color Guard, and is an honorary member of many of the units and clubs of the temple.

Introducing FORD'S BETTER IDEAS FOR '78 featuring the new Fairmont...the Ford in your future.

The Fairmont idea.

Fairmont... a new car built for today, but designed for the years ahead. Fairmont combines fuel efficiency, space efficiency and cost efficiency. It's trim outside, and easy on gas, yet it's roomy inside. Stylish, but it doesn't cost a lot. With impressive ride and handling. That's Fairmont—a whole new line of better ideas.

Fuel efficient.

Fairmont sedans offer the best mileage ratings in their class.

4-Speed Manual	Automatic Transmission
33 MPG (Hwy)*	33 MPG (Hwy)*
23 MPG (City)*	22 MPG (City)*

*EPA estimates with 2.3 liter engine. Your mileage may vary depending on your car's condition, optional equipment, and how and where you drive. California and Michigan ratings are lower.

Space efficient.

More than 90% of the head room, leg room, shoulder room of most large cars.

Fairmont is not a little car. It's engineered to be space efficient, with 90% of the room in key areas of most large cars. And Fairmont's roomy trunk holds ten assorted pieces of luggage.

Cost efficient.

Fairmont sticker prices will be competitive. And Fairmont is designed to keep scheduled maintenance costs down.

Compare Fairmont's excellent combination of high mileage ratings, roominess, and low sticker price with any other car sold in America. You'll see why we call it the Ford in your future.

More new 1978 ideas to brighten your future driving.

1978 THUNDERBIRD. The new Thunderbird is ready for takeoff. With all the styling, luxury and fine engineering that you expect in a Thunderbird. Most surprising is its down-to-earth price—even with V-8 power, automatic transmission, power steering, power front disc brakes, AM radio, standard.

GREAT PRICE NEWS FOR '78 ON PINTO AND MUSTANG II! SEE YOUR FORD DEALER FOR DETAILS. TO BE ANNOUNCED THIS WEEK.

1978 FORD PINTO. Pinto Pony offers American style and comfort at a sticker price competitive with the leading imported economy cars.

NEW FORD FIESTA. Europe's most successful new car... Imported from Germany. 1 During Ford Fiesta's first six months of sales, it outsold every new nameplate ever introduced in Europe. Engineered to give its driver dramatic performance. With front-wheel drive.

1978 FORD LTD. The roomy Ford that many families need. If you're one of the millions of people who need a standard-size car, the Ford LTD could be just the car for you. It has a deep-well, easy-to-load trunk, and a straight-through comfort for six that you expect from a Ford LTD.

1978 MUSTANG II. Your Ford Dealer's price news covers the T-Rod, elegant Ghia and 3-door Hatchback. Go Mustang. Catch the sporty spirit.

TEST-DRIVE THE NEW FAIRMONT AND ALL FORD'S BETTER IDEAS.

ENDANGERED SPECIES

The whole idea seems a little absurd at first. Everyone believes that human life is something sacred.

Don't they?

And yet, in the United States today, a woman has the legal right to take the life of her unborn child. For any reason.

But that's a special case. Isn't it?

Or is it?

Is there some magic line that makes the life of an unborn child any less important than the life of a day-old child? Or a week-old child? Or a year-old child?

Is there?

We are dedicated to a very basic principle. That human life is sacred. And we believe that we all have a responsibility to oppose what we think is wrong.

Because when you clear away all the arguments about privacy and social conditions and economic hardship, it all boils down to a plain choice.

Life or death. And we chose life.

ANNUAL BENEFIT AUCTION. Held during the weekend at the Sunset Hills Country Club, the 1977 Rotary-Optimist Camelot auction is expected to net

about \$8,000 for charitable projects aided by the two sponsoring Granite City clubs. Inspecting a painting and other auction items are Andrew Gitchoff (left) and Melvin C. Wilmsmeyer. (Press-Record Photo)

CHAUFFERED LIMOUSINE is among the services included in this year's Rotary-Optimist Camelot auction. Vasil Eltimoff, a school administrator, wears the driver's cap as he allows those arriving at the Sunset Hills

Country Club to inspect the spacious vehicle. Other auctioned materials included jewelry, artworks, appliances, airplane rides, vacation trips and physical fitness memberships. (Press-Record Photo)

SPECIAL MUSIC & ADULT, YOUTH & CHILDREN CHOIRS

MODERN NURSERY OPEN ALL SERVICES
FRIENDLY PEOPLE TO WELCOME YOU

Grace Baptist Church revival opens Sunday

Grace Baptist Church, 2600 Edwards St., will host a revival beginning at 7 p.m. Sunday and continuing through Sunday, Oct. 16, featuring Dr. John T. Ramsey as evangelist. Services each evening, other than Sunday, will be held at 7:30 p.m. according to the pastor, Dr. Jack Fritts. Nursery facilities will be provided at each service Dr. Fritts added. Dr. Ramsey, a native of Texas, received his doctorate in New Testament theology from Southwestern Baptist Theological Seminary, Fort Worth, Texas. He is the pastor of the Pennsylvania Avenue Baptist Church, Washington, D.C., where he has served the past five years. Mitch Brooks, minister of music at the First Baptist Church of Fairview Heights,

will be the guest musician for the revival. Robert Patton, minister of music at the host church announces an expanded choir will be presenting special music. Dr. Fritts said, "If you feel the need of a more personal faith or have questions about your spiritual life, we believe you will enjoy these services."

AUTO FOUND BURNED

An auto taken from Pontoon Mobile Homes, 4061 Division St., was found on Chouteau Island Friday. The auto was found near radio towers and had been run into a tree before being set on fire. The trunk lock had been knocked off and the spare tire was missing.

Central Free Methodist plans all day events

REV. BEN MARLIN who is conducting revival services at the First Church of the Nazarene, 4701 Highway 111, each evening at 7:30. Sunday services will be at 10:30 a.m. and 7 p.m., according to the host pastor, the Rev. William Roddy.

Central Free Methodist Church, 4150 South St., Pontoon Beach, observe "the great roundup," with special activities planned during the day. The event is planned to bring friends and former members together. Everyone attending Sunday School at 9:30 a.m. and morning worship at 10:30 a.m. will be given a bookmark with the church name engraved on it. Special awards will be given to the person having traveled the farthest, the largest family, and the person bringing the most friends to the service. The worship service will feature special music with Norma Burge of Greenville, Ill., as soloist. Pastor Richard Schuetz will speak on the subject, "Time."

At noon, there will be a ham and turkey picnic and everyone is invited to attend. Special activities following include a 2:30 p.m. "Roundup" service at which anyone wishing to do so may give greetings. A musical program and a sermon by the Rev. James Eldridge, a former pastor of that church, are included in the roundup program. The closing rally will begin at 7 p.m. with a song fest, special music and a sermon by the Rev. Carter Carney, former pastor of Central Free Methodist Church. In addition to welcoming former members back to the community and the church, the day is planned to celebrate the

REV. JAMES ELDRIDGE Returns Sunday

friendship, acquaintance and worship the church has given its members for the last 50 years in three locations.

Working on plans for the roundup are Norman Fenton, Norman Stavelly, Lola McCrory, Ann Thomas, Ruth Asbeck, Majorie Stavelly, Viola Atkins, Paul and Vera Lynn and Diane Hahn.

Michael Sorensons - ANNOUNCE 1st CHILD

Mr. and Mrs. Michael Sorenson, 2705 Lincoln Ave., are announcing the birth of their first child on Sept. 29 at St. Elizabeth Hospital.

The new arrival weighed eight pounds, three ounces and has been named Michelle Beth. Grandparents are Mr. and Mrs. Clarence Sorenson and Marvin Singler and Mrs. Erma Singler and maternal great-grandmothers, Mrs. Nora Wood and Mrs. Ada Singler, all of Granite City.

CAMPER TRUCK STOLEN James Shackelford, 2435 Hemlock Ave., reported at 4:30 a.m. Saturday that his 1973 half-ton pickup-camper truck was stolen from the parking lot at American Steel Foundries. A toolbox, assorted tools, sockets sets and flares were inside the camper shell, he said.

MAN HURT IN CRASH

Daniel Hill, 27, Rural Route One, Box 1349, Granite City, was injured in an auto accident last week and was taken by ambulance to St. Elizabeth Hospital where he was treated for a three-inch cut to his forehead and injuries to his neck and head. X-rays were taken and he was transferred to St. Mary's Hospital, Richmond Heights, Mo.

Out of Lance frying pan into Panama fire for Sen. Percy

By ROBERT ESTILL
Washington Bureau

Sen. Charles Percy, R-Ill., has stepped out of one potentially damaging spotlight into another.

As ranking Republican on the Senate Government Operations Committee which probed Bert Lance's financial affairs, Percy drew criticism for his own actions and for the committee's less than thorough initial investigation.

Now, as a member of the Senate Foreign Relations Committee, he is back at center stage as the committee conducts three weeks of hearings on the Panama Canal treaties. Percy went full circle as the Lance affair. He supported Lance at confirmation hearings in January and again in July when Lance appeared before the committee for an extension of time to dispose of his bank stock.

But Percy signalled the budget chief's doom when he joined Committee Chairman Abraham Ribicoff, D-Conn., for the Labor Day trip to the White House to seek Lance's head on a platter, figuratively speaking. Percy is not in any hurry to make up his mind on treaties which will not be put to a Senate vote until next year.

He said the treaties would be rejected if submitted now to the Senate or the general public, and that the administration faces a public education task unmatched since Woodrow Wilson tried to win support for the League of Nations.

That does not mean the administration can have Percy's support for the treaties if they can be made more palatable to the voters, according to a source close to Percy.

The senator is genuinely uncommitted and will take time to reach a decision, the source said.

From a standpoint of timing and public interest, Percy is treading more dangerous water with the canal treaties than he did with the budget chief.

In August and September, Percy's office received about 1,000 letters and 700 telephone calls on Lance. About 60 per cent wanted Lance to resign; the remaining 40 per cent thought Lance did nothing to justify his departure as director of the Office of Management and Budget.

But the canal treaties have really fired up the home folks. Percy's office has opened about 5,500 letters on the treaties, and about 95 per cent of them oppose the treaties.

They are not form letters, nor similar enough in content to suggest it is an organized mailing, an aide said.

Never popular with Illinois conservatives, Percy could have genuine primary problems if he supports the treaties. By the time the Illinois

primary rolls around in March, Lance will be old news. But, if the Senate follows its game plan and votes on the treaties in February or early March, the treaties will be a subject of controversy up to election day and possibly into the general election in November.

A Percy stand for the treaties would be particularly damaging if Phyllis Schlafly of Alton, a leading conservative spokesman and treaty foe, challenges Percy in the primary.

One of the ironies would be that her husband, Fred, is a member of Percy's citizens advisory committee for the Alton area; and, as chairman of a national group opposing the

treaty, he has been invited by Percy to testify before the committee.

As an opponent of the Equal Rights Amendment (which Percy supported), Mrs. Schlafly is well known and should have little trouble raising campaign funds from conservative groups.

A "pro" stand on Panama probably would prove more pesky in the primary than in the general election.

Alex Seith, who is actively seeking the Democratic Senate nomination, said he supports the concept of the new treaties. Seith, an Aurora native who lives in Hinsdale, said he wants to look at the costs and be assured America has the right

to intervene in defense of the canal. He reserves the right to change his mind.

"But assuming there are no serious obstacles on costs or defense, then conceptually I support the idea that it is time for a new treaty," Seith said during a Washington visit.

"I say that while realizing the negative public reaction, and that this is an issue for which you get no credit for being candid."

To those who say, "we bought it, it's ours and let's keep it," Seith suggests a second look at the "it."

"It" in 1903 was an impragable waterway," he said. "It" today is a highly vulnerable sliver. The world has changed in all respects since 1903, when the treaties were signed.

Three-quarters of a century ago, the idea of one country having territory within another was acceptable, and the canal could be defended since it was only subject to attack by sea, he said.

Seith's position leaves Republicans who might bolt from Percy on Panama no place to go for comfort in the general election if it is a Percy-Seith match.

But first, Seith has to be concerned about the possibility State Comptroller Michael Bakalis will set his sights on the Senate. And Percy cannot brush off lightly the possibility of a challenge from Mrs. Schlafly.

Seith said the world has changed in all respects since 1903, when the treaties were signed.

NOT MANY MEETINGS? "We won't have to hold many meetings when we reorganize as the Metro-East Sanitary District," some said in advocating the change from the previous East Side Levee and Sanitary District. The new district was set up in such a way as to vest administrative power in the engineer, leaving only a few policy-setting duties for the board of commissioners. Above is the Sanitary District board's meeting schedule for October 1977.

Regional land use charted until 2000

The East-West Gateway Coordinating Council board of directors last week adopted the Year 2000 Land Use Plan, described by Executive Director Alan C. Richter as a "guide for cities and counties in planning for their future needs such as transportation, water and sewer services, and economic development."

The plan shows concentrations of population and employment in the eight-county Gateway region as they are expected to exist 20 to 25 years in the future.

Preparation of the plan took into account population and employment projections, existing facilities and services and their capacities, growth trends (the rate and direction of development), and natural restrictions to development such as floodplains or mountainous terrain.

In Madison County, the plan projects the future spread of urbanization, while also estimating the growth and needs of the more independent outlying communities.

As with the other areas of the region, the purpose of the Year

2000 Land Use Plan here is to provide another resource to help authorities plan facilities and services and to provide an increasingly good quality of life in the future, Richter said.

Other actions taken by the Board included the endorsement of an application from the Summerfield-Mascoutah-Lebanon Water Commission to extend water service to drought-stricken New Baden, St. Clair County; endorsement of an application from the Illinois Department of Transportation to construct Illinois Freeway 409, which will replace antiquated U.S. Route 50 from Interstate 64 to Lawrenceville.

Endorsement of a \$36.2 million operating grant for the Bi-State Development Agency to implement mass transit improvements.

Authorization for a contract with the Illinois Environmental Protection Agency to develop employment levels by industries for the Missouri portion of the region; IEPA has done such forecasts for the Illinois counties; and reappointments

Charge 2 men, boy in theft

Two men and a juvenile were charged with theft at 4 a.m. Saturday, when they were caught by officers in the 2700 block of Center Street allegedly with a 12-volt battery belonging to a police lieutenant in their possession.

Responding to a call from a resident that a theft was taking place, police found a 1964 auto near the scene, occupied by three males.

A battery from the personal auto of Police Lt. Leo Willis and another auto battery were recovered.

Charged with theft were James D. Dasch, 20, of 2827 Pershing Blvd., Lot 6, Grant Dawson Jr., 17, of 1416 Norwood Drive, and a 16-year-old youth who was released to an aunt pending further action.

to the Health Systems Agency board of directors of Alderman Elmer Cowan of Sullivan, Mo., Monroe County, (Ill.) Commissioner Chester Schmidt and Dr. Roy Westerfield of St. Charles County.

Techniques elderly use to thwart crime

(Office of Lieutenant Governor Dave O'Neal)

Considering the ratio of senior citizens to the rest of the population, a national statistic — that 14 per cent of the crimes in the country involve the elderly as victims — brings into focus a situation that is alarming if not intolerable.

Seniors who think ahead and work with the police department in crime prevention can help lower that ratio.

Officers Nick Gramic and Bill Whitney of the Belleville Police Department have made some helpful suggestions.

—Purse snatchers and pickpockets can be outsmarted. When in a crowd, move your wallet to an inside pocket, or clutch your handbag close to you.

Place a pocket comb in the wallet. The teeth of the comb will make it difficult to remove the wallet from a pocket.

Do not carry a purse by the strap, dangling, is an easy target. It is safer to put your money, credit cards and checkbook in an inside pocket.

Carry the purse upside down. If grabbed, the contents will spill, thereby foiling an attempt.

—Cooperate with your banker. Have your Social Security check deposited directly into your checking account; it is safer.

Do not withdraw your savings at a con artist's suggestion. If

anyone presents himself as a bank examiner, FBI agent, police officer, detective or bank official, and asks you to withdraw money, check with the police department or your banker and have them investigate the situation for you.

Do not keep large amounts of money in a cookie jar or buried in the backyard.

Have a phone by your bed for quick contact to the outside if needed. Install an alarm system with a button in the bedroom. The noise will let someone know something is wrong.

Engrave your valuables with your driver's license number or Social Security number. Many police departments have electric engraving kits that can be borrowed.

Put a dead bolt on the door; a chain lock is helpful, but a peephole is safer. Secure your windows, but do not nail them shut in case of fire.

The police departments want your cooperation to prevent crime to senior citizens.

Write or call Lieutenant Governor Dave O'Neal's Senior Action Centers at 160 N. LaSalle, Chicago 06061 or 3 West Old Town Mall, Springfield 6701 with questions or complaints about any government agency or program. This column will be covering the questions senior citizens have on various subjects. The statewide toll-free number is 800-232-6365.

Legislative Mobile unit coming here

State Rep. Evert G. Steele (R-56th District) will bring his mobile unit to this area to offer assistance with citizens' problems with state agencies, to discuss issues and legislative matters, and to assist senior citizens with Illinois tax refund applications.

The schedule: GRANITE CITY, Oct. 8, Saturday (Nameoki Village Shopping Center) 3:30 p.m. to 5 p.m.

STATE PARK, Canteen Township, Oct. 13, Thursday (Grandpa Pigeon's) 2:30 p.m. to 4 p.m.

GLEN CARBON, Oct. 14, Friday (Bargain Barn), 3:30 p.m. to 5 p.m.

GRANITE CITY, Oct. 14, Friday (Cross Roads Shopping Center) 5:30 p.m. to 7:30 p.m. Rep. Steele has noted that legislative action has set a Dec. 31, 1977, deadline for applications to be filed by senior citizens for state tax refunds for the year 1977 and prior years.

Prior to Dec. 31, senior citizens who have not made applications for the years 1975, 1976 and 1977 may still do so. After that date, however, applications for tax refunds will be paid only for the year in which they are received.

"All Illinois citizens, 65 years and older with less than \$10,000 household annual income, are eligible for a state tax refund," Steele commented.

"The household income level of \$10,000 includes Social Security payments and the combined income of both husband and wife."

"Senior citizens, however, who pay no real estate taxes or rent payments are encouraged to apply," Steele said, "and will receive a minimum \$50 payment, since taxable items such as food, medicines and fuel are used and consumed by all senior citizens, even though they may not be the head of a household."

PLAN PIANO COURSE

Southern Illinois University at Edwardsville will be offering an introductory piano course this fall, beginning Oct. 18 for five weeks. It is intended to provide the student with skills and motivation to play music for pleasure. Instruction will be individualized to fit each student's needs and abilities, and classes will be held from 7 to 9 p.m. in Peck Classroom Building Room 3406.

MOBILE OFFICE of State Rep. Evert G. Steele, Glen Carbon Republican and former Granite Cityan. It will be at the Nameoki Village Shopping Center Saturday from 3:30 p.m. to 5 p.m., and at the Cross Roads Shopping Center Friday, Oct. 14, from 5:30 p.m. to 7:30 p.m.

Area school boards to study state legislation

Area school board members and superintendents will gather at Belleville Township High School West on Tuesday, Oct. 25, to take part in the semi-annual dinner meeting of the Southwestern Division of the Illinois Association of School Boards.

The evening meeting consists of a dinner and six concurrent panel presentations. Duplicate panel discussions enable participants to attend two different discussions.

The panel topics include definition of basic education, legislative update, student responsibility, school board powers and duties, and tenure law. The sixth topic deals with a new property-casualty insurance program available through the IASB which is designed to cut school insurance costs.

Also included on the program will be a report on statewide issues confronting education by Harold P. Seamon, IASB executive director. The group is a voluntary service organization of 1,000 school boards in Illinois, with headquarters in Springfield.

The Southwestern Division consists of five counties: Jersey, Madison, Monroe, Randolph and St. Clair. George Moore Sr. of Granite City is the division's first vice-president. Granite City School Supt. B. J. Davis will be a speaker at the tenure law discussion.

Name candy sale chairmen

Richard Bright of the Madison Lions Club, Larry McKee of the Pontoon Beach Lions and Jim Miller Jr. and Don Watson of the Granite City Lions Club are serving as chairmen in their respective areas of Illinois Lion Candy Days Friday and Saturday, Oct. 14 and 15.

Members of the local Lions Club will join more than 30,000 Illinois Lions club members, families and friends in the 25th annual Candy Day for the Blind.

More than 3.5 million candy rolls will be given away or donations, the Lions do not sell the candy.

This year's goal is \$1 million; more than \$11.5 million has been raised since the Lions of Illinois held their first candy day event.

The money raised goes to support services and programs for thousands of blind and visually handicapped people.

The Lions of Illinois Foundation administers several programs for direct help to the blind and visually handicapped financed by Candy Day. The Mobile Ophthalmology Screening Unit, Camp Lions, Eye Donor Registry Program, Used Eyeglasses Collection, publishing of the Illinois Directory of Services for the Visually Handicapped and a social and referral services program.

Candy Day money also is donated to Hadley School for the Blind; University of Illinois Department of Ophthalmology; and a low vision program at the Illinois College of Optometry.

ARE YOU IN THE DARK ABOUT WHAT KIND OF FURNACE YOU SHOULD BUY?

BUY A CLIMATROL GAS FURNACE & SAVE!

Replace your old, inefficient furnace with a Climatrol warm-air gas furnace. It provides uniform, reliable, efficient heating. And it's equipped for cooling. So you can add central air conditioning whenever you're ready. We're ready now to serve you.

SPACE SAVERS THAT CAN BE YOURS AT SO LITTLE COST
CRAFTED WITH CARE BY

Bassett . . .
The beauty is in the making.

Make a small room seem larger with wall units from famous Bassett. They perform tricks of all kinds to make you have the utmost in function. Study where there is a drop lid desk, show off your favorite books, display your treasured memories in the display shelves or be a perfect host using the bar unit. Mix or match the grouping for the units are interchangeable and the shelves adjustable - whatever is for you. You can now select the combination that you need the most and makes you and your family happy for many years of functional enjoyment. So hurry - come in now for the wall systems that reflect your style. Traditional in treatment and elegantly finished on improved wood products, selected hardwoods and simulated wood components.
